**COME TO THE WATER:  
...drink of one spirit**

**“...in the one Spirit we were all baptized into one body – Jews or Greeks, slaves or free – and we were all made to drink of one Spirit.”  
1 Corinthians 12:13**

We come to Annual Conference this year bringing an end to our quadrennial theme of “Come to the Water.” We have gathered each year to hear the refreshment of the calm, healing streams of water.

- 2001      *gift of Jesus Christ. We came bringing water from across the conference and drew from the wellspring of God’s abundant grace in our conferencing.*
- 2002      *precious fountain, healing stream. We came with our crosses and amid flowing water and green plants celebrated Christ Victorious among us.*
- 2003      *for repentance and reconciliation. We came with our rocks symbolizing the suffering we have caused, the conflicts we have ignited and proclaimed the redemptive power of Jesus Christ.*

We “Come to the Water” in 2004 to drink of one Spirit. Paul states the church is one body but many parts. Unity does not exclude diversity. The one Spirit is the agent of baptism and the source of spiritual sustenance that eliminates ethnic and social differences. In baptism we are one faith. At Table we drink from one cup. In community we drink of one Spirit.

In the water and the witness, in the breaking of the bread,  
in the waiting arms of Jesus who is risen from the dead,  
God has made a new beginning from the ashes of our past;  
in the losing and the winning we hold fast.

(The Faith We Sing, “We Were Baptized in Christ Jesus”)

Come to drink from the fountain of life. Come to drink from the cup of salvation.

Come bringing a chalice to add to the centering worship space.

The cups, amid flowing water and green plants, proclaim our unity in the faith. We come with different cups, from various sizes of congregations, traveling different miles to gather. Yet in our diversity, we claim our unity.

Let us gather to ....drink of one Spirit.

# *C. G. Newsome*

Dr. Clarence Newsome, a native of Ahoskie, North Carolina, has been called “one of the nation’s most profound, insightful, engaging and sensitive thinkers of our day.” He is a man of eternal vision with an unyielding determination to excel. On February 13, 2003, Dr. Newsome was named the 13<sup>th</sup> President of Shaw University. Prior to his appointment at Shaw University, Dr. Newsome served as Dean of Howard University’s Divinity School from 1992 – 2003.

While lettering in football at Duke University, this Dean’s List student was twice named to the Atlantic Coast Conference All-Academic Team, making him among the first Black athletes to be so honored. Dr. Newsome was also the commencement speaker at his graduation, sharing the stage with retired CBS News Anchor Walter Cronkite. That honor made him the first Black student commencement speaker in the University’s history.

In addition to receiving his undergraduate degree from Duke University, he also received his Master of Divinity (*magna cum laude*) and Doctor of Philosophy degrees from Duke University. He interrupted his theological school studies for a year to serve as Acting Dean of the Office of Black Affairs (later Minority Affairs) and Director of the University’s Summer Transitional Program. During his doctoral studies, he received a number of awards and fellowships, including the prestigious James B. Duke Dissertation Year Fellowship.

For eight years, Dr. Newsome served on the Duke Divinity School faculty, teaching in the areas of American Christianity and Black Church History. In 1982, the graduating class honored him by selecting him to be their baccalaureate speaker. During a portion of the time he served on the Divinity School faculty, Dr. Newsome was the pastor of Mt. Level Baptist Church in Durham, NC. He also served as an officer in the General Baptist State Convention of North Carolina, the largest African American Baptist state convention in the nation.

Dr. Newsome is the recipient of many awards and honors. They include the Distinguished Service in Education Award from the Progressive National Baptist Convention, Inc., in 2000, and the Distinguished Alumnus Award from the Duke Divinity School in 2001. His board memberships include the Aiban Institute of Bethesda, MD, and the Duke University Board of Trustees.

Dr. Newsome is the General Editor of the acclaimed *Directory of African American Religious Bodies*, Volume 2, and the author of several scholarly articles, two of which are regarded as noteworthy contributions in the area of religious biography.

He is married to Lynne Platt of Charlotte, North Carolina. They have two daughters: Gina Lynn, and Brittany Ann.

## L. Gregory Jones

The Reverend Dr. L. Gregory Jones is Dean and Professor of Theology at Duke University Divinity School. A noted scholar, teacher, and church leader, he is the author or editor of twelve books, including the acclaimed *Embodying Forgiveness*, and recently published *Everyday Matters: Intersections of Life and Faith*, a compilation of articles from his regular "Faith Matters" column in *The Christian Century*, for whom he is also an Editor-at-Large.

Dean Jones is on the Board of Trustees of the Center of Theological Inquiry, and serves on the United Methodist Bishops' Task Force on Theological Education and Leadership Formation. A member of the Western North Carolina Conference of the United Methodist Church, he is currently working on a book on excellence in ministry as well as a jointly authored book on forgiveness with his wife, the Reverend Susan Pendleton Jones. The Joneses have three children: Nathan, Ben, and Sarah.

## Richard Lischer

Richard Lischer has taught preaching and ministry at Duke University for 24 years. In 2000 he inaugurated the James T. and Alice Mead Cleland Chair of Preaching in the Divinity School. Before coming to Duke, he served eight years as pastor of Lutheran congregations in Illinois and Virginia. A graduate of Concordia Senior College and Concordia Seminary, he also holds an M.A. in English from the University of London. His many lectureships include the Sprunt Lectures at Union Theological Seminary, Richmond, the Macleod Lectures at Princeton Theological Seminary, and the 1999 Lyman Beecher Lectures in Preaching at Yale Divinity School. Professor Lischer is a past-president of the Academy of Homiletics. He is the author of numerous books on preaching, theology, and ministry, including the prize-winning *The Preacher King: Martin Luther King, Jr.* and *the Word that Moved America* (Oxford University Press). His recent book, *The Company of Preachers* (Eerdmans 2002) was named by Christianity Today Best Book of 2002 in the category of ministry.

He is also co-editor (with William Willimon) of the *Concise Encyclopedia of Preaching*. The story of his first pastorate, *Open Secrets: A Memoir of Faith and Discovery* was recently published in paperback by Broadway Books.

It has been widely anthologized, including Best Christian Writing 2002 (HarperSanfrancisco). He and his wife Tracy live in Orange County, North Carolina.

4. Recommendations and Nominations shall be subject to the approval of the Annual Conference.
5.
  - A. At the beginning of each quadrennium all boards, agencies, commissions, committees, and ministry groups shall elect their officers only after all their members have been notified of the organizational meeting. A member of the Cabinet or the Conference Staff (designated by the Cabinet) shall serve as the convening officer for the organizational meeting.

6. The membership of the Annual Conference is to be as outlined in the complete Lay/ Clergy Equalization Plan found in the 1991 Journal pages 400 - 401.
7. The Conference structure is diagramed on page 185 in the 2000 Journal. The North Carolina Annual Conference will organize its ministry, as follows:
  - A. Structure Monitoring Group

A group will be established for the purpose of evaluating the conference structure for effectiveness. This group will be elected by the Annual Conference and made up of seven people, four of whom are not serving within the Conference Structure.
  - B. North Carolina Conference Connectional Table
    1. The Connectional Table will be the link among the circles of ministry. Its purpose is to provide a place for joint planning and problem-solving, to discern the vision for mission and ministry for the North Carolina Conference, and to

strengthen the connection between the Annual Conference and the local church. The Connectional Table is linked to the Annual Conference Session. The Annual Conference Session will have the responsibility of hearing the Connectional Table's vision, and either affirming that vision or setting forward an alternate proposal.

2. **Membership:** Meeting on a quarterly basis, the Connectional Table will be made up of 31 people - 3 representatives from each circle of ministry, 12 at-large members selected by the Conference Committee on Nominations, and elected by vote of the Annual Conference, the Bishop, 2 District Superintendents, and the Executive Director of Connectional Ministries. At-large members will ensure connecting links between districts and local churches and the Connectional Table. Membership in the Connectional Table will be for four-year terms, with one quarter of the table changing each year. The Conference Committee on Nominations will meet once each year to nominate representatives to the Conference Connectional Table and to the five circles of ministry. Openings occurring during the year due to moves, resignations and other reasons will be filled by the Bishop and Cabinet. The Committee on Nominations will be made up of one representative of the monitoring and accountability group, the 12 District Superintendents, 12 others to be nominated by the bishop (at least 75% of whom should be laity), and the Bishop will also serve as convener.

#### C. Five Circles of Ministry

The agencies, boards and commissions defined by the Book of Discipline will organize themselves according to the requirements outlined in the current Book of Discipline and will connect through the circles of ministry. Ministry areas not prescribed by the Book of Discipline will be organized by the circles of ministry, using task forces or standing groups to plan and implement ministry and mission. Circles of ministry will organize, plan, lead, and evaluate, as they live out the vision embraced by the Conference. Circles of ministry are accountable to the Connectional Table for holding up and living out the vision affirmed by the Annual Conference, and for faithfully presenting ministry needs to the Connectional Table. Each circle of ministry will organize itself and will determine its schedule of meetings, meeting at least once a year during the conference year.

## STRUCTURE REVIEW COMMITTEE

As the North Carolina Annual Conference continues to live into the structure adopted by the 2000 Session of the Annual Conference, the Structure Review Committee has these observations and recommendations:

1. We affirm the ways in which the Circles of Ministry and the Connectional Table are living into the structure as envisioned by our conference, where ministries advocate not only for themselves, but also for the entire conference. This has been evidenced as the Circles have worked together in forming their budget proposal for the Council on Finance and Administration.
2. We affirm the continued work on the part of the Conference Committee on Nominations as it has sought to balance conference leadership, including men and women, lay and clergy, and all races.
3. We appreciate the time and energy given to our Conference by Carlin Johnson, Raleigh District Lay Leader, who has shared her expertise in organizational theory and practice with the Connectional Table.
4. As the Conference moves into the next quadrennium, we encourage the Conference Committee on Nominations to work toward the goal of rotating membership of each of the Ministry Circles and the Connectional Table by 25% each year. This will provide for continuity in each area and will extend service opportunities to more of the conference membership.
5. We recommend that the Circles of Ministry and the Connectional Table discuss the possibility of combining the Communications Circle with the Resource Ministries Circle of ministry, reviewing the advantages and disadvantages of making such a change. Points to consider in making such a change include effects on the programs and activities which would be combined, the overall effect on the Connectional Table in terms of membership and balancing of leadership, and the vision for future conference ministry.
6. We recommend that the Episcopal Circle of Ministry and the Mission Development Circle discuss the possibility of moving the Christian Unity and Interreligious Concerns function to the Missions Circle of Ministry, discussing any effects on the programs and activities which would be combined and the vision for future conference ministry.

We affirm the good work being done by the members of the Circles of Ministry and the Connectional Table, and we encourage each group to continue working and growing together so that the vision of connectional structure will be lived to its fullest potential.

Kim Lamb, Chairperson

## CONFERENCE CONNECTIONAL MINISTRIES

The Conference Connectional Table met in August, October, March (delayed from February due to snow), and May under the leadership of Conference Lay Leader Jeanne Rouse. We are continuing the journey begun in 2000 when the Annual Conference approved this new structure, and mostly the reviews are positive as we “live into” this new arrangement. New ministries are continuing to “bubble up” from the grassroots instead of coming from a more top-down arrangement, and that was one of the primary goals. ZOE, or Zimbabwe Orphans Endeavor, is the latest brilliant example of that. The rapid and continuing response of our Disaster Response Committee and MERCI to Hurricane Isabel with the establishment of three regional centers in areas most devastated by that storm are another sign of the efficiency and effective-

ness of our new structure and this Conference's big heart for missions. Also, the dream of bringing money and ministry to the same table is closer to reality this year than last.

The Five Circles of Ministry—Mission Development, Spiritual Formation and Leadership Development, Episcopal, Resources, and Communications—each met in special session over the winter to fine tune budget requests for 2006 which will be voted on at this session of Annual Conference. The total requests were presented to the Council on Finance and Administration's Budget Committee, later reviewed by that committee, returned to the Circles for bringing into line with that Council's recommended cap of an overall 4% increase versus original requests of 6.1%, then presented to the Council at its April meeting for final approval prior to submission to Annual Conference. We learned that the budgeting process needs to begin earlier, and that will be done later in this year. We appreciate the excellent cooperation of the Council on Finance and Administration as we work jointly to prepare a budget both adequate for ministries and prudent in the eyes of the leaders of our local churches whose members provide the needed financial support.

We celebrated the good news that our Conference led the denomination in net number of new members in 2002, the latest year for which final figures were available, and that we also led the Southeastern Jurisdiction, the denomination's strongest, in the percentage paid on apportionments in 2003. We are humbly grateful to God that it is generally accepted that our churches should be growing and paying 100% of apportionments. Our widely recognized leadership in both Evangelism and Stewardship is a remarkable achievement envied by many of our fellow United Methodists close by and across the nation. It offers a positive response to the lay and clergy leadership of our Annual Conference, and to the bold, new way we have organized ourselves for continuing Christ's ministry.

Our progress in becoming a more inclusive church is stronger in our nominating and appointment-making processes than in our membership growth. We are still a predominantly white group with about 96% of our members being of European ancestry, followed by African, Native, Hispanic, and Asian Americans. These statistics are very close to those of our entire denomination. But the good news is that some of North Carolina's ethnic minority groups are growing in our churches as well as in our surrounding population, and we are continuing to take steps to make our congregations on Sunday morning look more like our state's citizenry. While we are committed to becoming dramatically more multicultural in our churches and to making more cross-racial appointments, we also intend to strengthen existing ethnic minority churches and start new ones just as we do among our majority population. In our nominations and elections to positions of Conference leadership, we have moved from about 80% white to closer to 70%, and our goal is to keep moving toward inclusivity. We see our growing non-white population as a gift from God and a call to those who love and serve Jesus, who always welcomed new followers without restriction, to become ever more hospitable in imitation of our Lord and Savior.

Much attention is being given to how well we communicate with each other and the world outside our churches through a variety of media. One of the biggest improvements is regular news briefs issued over the internet from our Communications Office to our constituents. We are also moving toward a more state-of-the-art Conference web site and hope to have it in operation later this year.

We join all those who love and appreciate our Bishop, Marion Edwards, and his gracious wife, Linda, in thanking them for their highly effective time among us these past eight years, and in bidding them a long and happy retirement back home in Georgia. May God bless them and their loved ones.

Charles M. Smith, Executive Director of Connectional Ministries

## COMMUNICATIONS CIRCLE

The General Church is in its fourth year of supporting Igniting Ministry as a media vehicle for inviting, welcoming, and discipling people into relationship with Jesus Christ. Statistical data in the reporting of Igniting Ministry over the past two years reveals a measurable, positive response to the media advertisement as viewers respond to the message of the United Methodist Church. We celebrate and give thanks for all that God is doing through Igniting Ministry.

In the North Carolina Conference, in the first year of Igniting Ministry, there were supplemental funds available for additional advertising on television. Even though there has been no additional conference funding for Igniting Ministry, residual benefits have come to our churches because of this media program. Igniting Ministry will come to the floor of the General Conference in 2004. The Communications Circle endorses the continued funding of Igniting Ministry by the 2004 General Conference and gives thanks for the vision of evangelism and discipleship the funding of Igniting Ministry supports.

Two task forces have been formed within the Communications Circle as a response to the Bishop's vision for: 1) increased web presence of the North Carolina Conference, and 2) greater visibility of Disaster Response efforts in the conference. The Web Design Task Force under the leadership of Alan Swartz is working with Doug Ward and others to redesign the conference web site for greater artistic appeal and a more user-friendly web presence. Work for this effort is ongoing.

The Task Force for "Branding" is in conversation with the MERCI Center for implementing a plan for greater visibility of our Disaster Response teams through shirts, vests, and signage for early responders to natural disasters. Such increased visibility will let the world know the Methodists are present in Disaster Response in the North Carolina Conference. Both efforts will require funding to implement. The Communications Circle will ask for supplemental funds for needed funding of these efforts.

Archives and History provided partial funding for the 300<sup>th</sup> Anniversary Celebration of John Wesley's Birth that was held at Duke Chapel in November 2003. We give thanks for the Wesleyan heritage that continues to form us as people of discipline and faith.

The work of the Communications Circle continues to enjoy good participation of its membership and much lively discussion at meetings. We are working to live faithfully into this new paradigm of ministry, The Connectional Table. God is blessing us as we move forward in ministry and mission "telling the world what the church is up to."

Personal thanks to Bill Norton, Lee Anne Thornton, Laura Bailey, and Linda Smith for all their efforts in Communications in the North Carolina Conference.

Lib Campbell, Convener

## ARCHIVES AND HISTORY, COMMISSION ON

The Beulah United Methodist Church hosted the April 5, 2003 meeting of the Commission on Archives and History. In a beautiful, peaceful, rural setting, Rev. William Arthur Warren, Jr. assisted by Mrs. Ruby Faircloth presented the history of this, his home church at the Conference Historical Society Meeting in the morning. Located in the Fayetteville District, Beulah became a Methodist Church around 1912. Lunch was graciously provided by the ladies of the congregation, after which the Commission held their meeting. In October, 2003 we traveled to Trinity United Methodist Church in Elizabethtown. The Historical Society Meeting was held at Old Trinity where Lewis Smith and Rev. W. Donald Warren, Jr. presented their history. The first church structure

was built in 1848 with slave labor and the support of the community. A delicious lunch was provided at New Trinity followed by the Commission meeting. Much emphasis was placed on each local church paying tribute to John Wesley on the 300th anniversary of his birth. At Annual Conference 2003, we presented a vignette entitled HAPPY 300TH BIRTHDAY JOHN WESLEY written by Rev. Denny C. Wise. Seven persons in 1700's attire, presented the oration. Initial plans are underway to host the 2006 meeting of the SEJ Historical Society. This will be an exciting and challenging endeavor. Grave Markers continue to be presented to the families of deceased ministers and Certificates of Recognition of Years of Service are presented to churches at their request. The Archives in the Conference Office regularly receive new material and answer requests for information and scans of pastor's photos. Mildred S. Swain, Chairperson.

### **METHODIST BOARD OF PUBLICATION, INC.**

*The North Carolina Christian Advocate* reaches more than 10,000 United Methodists twice a month, including every United Methodist pastor in the North Carolina Conference. The publication contains the latest church-related international, national, state and local news, commentaries and features. The paper targets United Methodist church members in the North Carolina and Western North Carolina conferences and is funded by a combination of subscriptions, conference grants, advertising, and an endowment.

Recent issues included ongoing coverage of issues that may surface in the general and jurisdictional conferences, more extensive national and state features, and a wide array of articles and commentary on Mel Gibson's "The Passion of The Christ." The paper continues to include columns and commentary from North Carolina conference-related writers such as Bishop Marion Edwards, Hope Morgan Ward, Kevin Baker, Paul Stallsworth, Steve Compton, and others.

*The Advocate* is the voice of The United Methodist Church in North Carolina and the publication is also accessible on the Web at [www.ncadvocate.org](http://www.ncadvocate.org). The paper, finally, is an evangelistic tool that provides readers with a comprehensive overview of the missions and ministries that encompass United Methodism in North Carolina.

### **EPISCOPAL CIRCLE**

Those areas of Conference ministry which relate to the Episcopal Circle include: Annual Conference Planning, the Cabinet, Christian & Interfaith Unity, Congregational Development, Ecumenical Ministries, Monitoring and Accountability, and the Committee on Nominations. Representatives from these agencies and commissions meet in order to prayerfully consider, plan, implement, and evaluate ministry and mission objectives brought to our table; and those called for by the vision of the Annual Conference. We are accountable to the Conference Connectional Table. We are also involved in the planning process of future Conference budgeting as it relates to these areas of ministry.

Those items carried forward by the Episcopal Circle this year include: (1) A 2004 Annual Conference evening celebration of the impact of Martin Luther King, Jr., 40 years after his "I Have a Dream" speech, timely in following our 2003 Service of Repentance & Reconciliation; (2) Support of the recently completed theological statement entitled, *Project for Humanity*, sponsored by the NC Council of Churches and funded by the NCC Commission on Christian & Interfaith Unity, intended as an ecumenical statement for

use in public witness on various social and political issues; and (3) Support for new church development initiatives led by our Bishop, recognizing the current vitality of our Conference is in large part a direct result of the foresight of past Conference leaders who viewed church development a priority.

Randall E. Innes, Chairperson

## CHRISTIAN AND INTERFAITH UNITY COUNCIL

Christian Unity continues to be the central focus of this council. Many obstacles stand in our way as we seek to bring people together for the good of the kingdom of God. We have supported with prayers and finances the North Carolina Council of Churches with the production of a document called "A Reflection on the Churches' Doctrine of Humanity." Bryan Madison is the main essayist, Dr. Amy Laura Hall, of Duke Divinity is the project director. Dr. Albert Aymer (Hood Theological Seminary), Dr. Jill Crainshaw (Wake Forest Divinity School), Dr. Robert Osborn (formerly of Duke Divinity School), and Dr. Larry Yoder (Lenoir-Rhyne College) are the respondents to the essay. On May 27<sup>th</sup>, at the Southern Conference of the UCC in Elon, the project will be presented to and by pastors and laity committed to Christian unity. We are encouraging local churches to continue the study of *Steps Toward Wholeness*. This year is historical in that it is the 40th anniversary of the civil rights movement. To move the concern of the civil rights and race relations forward, the council has an event. On Thursday evening of the 2004 Annual Conference, Dr. Richard Lischer, (professor at Duke Divinity School) and Dr. C. G. Newsome, (president of Shaw University) will speak on "the Content of our Character; Martin Luther King, Jr.'s vision of the Church, the society, and the person." The council is alerted to and is monitoring responses to In one body through the Cross: The Princeton Purposal for Christian Unity. (Erdmans, 2003), which signals a developing ecumenism based on the truth of the church's faith.

Donnie L. Jones, Chairperson

## CONGREGATIONAL DEVELOPMENT, COMMISSION ON

The commission supports our annual conference as we respond together to Jesus' challenge to "go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you" (Matthew 28:19-20). Our congregational responses reflect the diversity of the people called United Methodists and the geography we are called to serve. Many congregations are deployed to serve rural communities and small towns that are rapidly becoming urban and suburban centers. Today about half of the people called Methodist in our annual conference worship in 120 of our 840+ churches – this is a shift we are still trying to understand.

This year we continue to invite our conference to substantially increase membership in the Ten Dollar Club. This 50-year-old venture in our conference provides grants to start new ministries across the state and launch missions in other nations as well. We hold before the annual conference an ongoing goal of starting 5 new churches annually, utilizing the resources made available from Ten Dollar Club grants and other investments held by the Commission. In the coming years this will require a greater commitment from the Commission as we move to start new churches in areas where start-up costs are pushing beyond the reach of our current funding processes. To this end we are supporting the emerging work of the Congregational Development Fund, Inc. as it engages in an initiative to provide an increase in support to new faith communities.

As we ponder the changes in North Carolina's cultural climate, we are reminded of the challenge to each of us to reach people for Jesus Christ. Jesus' commission to make disciples of all nations calls us beyond the bounds of who we used to be to

encounter a new reality for many of our churches – the nations have come to our backyard. We celebrate the growth in membership, worship and Sunday school attendance in many of our churches. The Office of Congregational Development continues to assist nearly 100 churches each year. The assistance provided includes demographic research, local consultations, training and planning services for existing congregations. We are excited about the Wake Circles of Ministry in the Raleigh District and the launching of community ministry centers in the Rocky Mount District. These initiatives are in response to our bishop's challenge to open 20 new faith communities in places affected by poverty by the year 2004.

Again, the work of the Office and Commission on Congregational Development is varied as we seek to serve rural, small town, suburban and urban churches in various socio-economic situations and cultural traditions, offering to each one the gospel of Jesus Christ. Thank you for your prayers and your support.

Wm. Allen Bingham, Chairperson

### **DISTRICT SUPERINTENDENTS, REPORT OF**

Each of the twelve Districts of the North Carolina Conference of the United Methodist Church has been about the ministry of our Lord and Savior, Jesus Christ in varied ways. Ministries at home and abroad have touched the lives of thousands. The following is a brief summary of the work of the districts:

**Burlington District:** In 2003, 98.8% of the churches of the Burlington District paid 100% of their conference apportionments. All but three gave 100%. First UMC: Elon raised, in addition to apportionments, \$60,000 to build two homes for Habitat for Humanity. First UMC: Graham initiated a van ministry to bring children of color into the worship, fellowship, and service life of the church. Morningstar UMC, a new church start in Chapel Hill, celebrated its first worship service. Grace UMC became a partner with a Hispanic ministry initiative in east Burlington. Friendship UMC dedicated its fellowship hall that was constructed in 2001, completely underwriting its construction cost in 30 months. The Reverend Donnie Jones was appointed and welcomed as an African American pastor into the faithful community of Aldersgate UMC, an Anglo congregation. Christ UMC completed construction of its bell tower. Dr. Ken Haugk, Founder and Director of Stephen Ministries, led a district workshop for clergy and laity on the subject of *Antagonist in the Church*. A change in district lines between Burlington and Durham returns Lea's Chapel UMC and Warren's Grove UMC to the Durham District leaving Burlington with a total of 56 charges.

**Durham District:** In the Durham District Plank Chapel UMC renovated and built an addition to their parsonage. Parkwood UMC updated and repaired their parsonage. Salem UMC in Person County built an expansion of their fellowship hall and kitchen. Stovall UMC completed a new fellowship hall. Banks-Grove Hill charge merged into one congregation. Tabernacle UMC and Longhurst UMC moved to full time from student pastor status. Lea's Chapel UMC and Warren's Grove UMC were added to the Durham District churches from the Burlington District. It has been a good year.

**Elizabeth City District:** All counties in our district were affected when Isabel came ashore. Our District saw first hand what the connectional system was all about. Our District Christmas Offering received over \$25,000. Of that amount the Albermarle Food Bank received \$10,000 and over \$15,000 was given for the Hurricane Relief Fund to be used in our district. The Elizabeth City District has four churches, Wanchese-Bethany, Mount Zion-Currituck Charge, Edenton UMC, and Duck UMC who are presently involved in building projects. Mighty Wind UMC choirs, The Gale Force Band and The Might Windjammers, were invited to sing at General Conference in Pittsburg, PA.

**Fayetteville District:** The sixty-four churches in the Fayetteville District are mission and ministry oriented and connection ally vital. Basically most of the churches are participating in Disciple Bible Study, Prison Ministry, AGAPE, Emmaus Walk, Scouting, Food Pantry, Thrift Shop ministry and the Hand in Hand Program. Two churches, Sandy Grove UMC and Solid Rock UMC have started Day Care Centers and after school programs. Also several churches are presently in the process of building or renovating their sanctuaries and fellowship halls.

**Goldsboro District:** God has greatly blessed the Goldsboro District. This past year, with the help of a grant from the Duke Endowment and the support of our District, a District Director of Christian Education has been employed to help strengthen the small church. New fellowship halls have been consecrated at Pine Level UMC and Warsaw UMC. A fellowship hall at Daniels Memorial UMC has been dedicated. Hickory Grove UMC became a full time station and secured a parsonage for their pastor. Providence UMC will have a new parsonage in the summer of 2004, and Unity UMC will have a newly expanded fellowship hall. Food and clothing ministries have begun in Selma: Edgerton Memorial UMC, and a parish-nursing program has begun in Faison. The District has participated in lay and clergy mission work teams both to foreign and domestic locations. The District has completed a very successful Mission Saturation Event. Ebenezer UMC in Johnston County has been added to the congregations of the Goldsboro District. 2003-2004 has been a year of progress and joy as Untied Methodist throughout the middle of the North Carolina have felt the presence of God's love in their midst.

**Greenville District:** Across the Greenville District, God's people are seeking to be faithful disciples. Our district remitted 100% of its apportioned gifts for the fifth successive year. Hispanic ministries grew in Grimesland and Belhaven. Rainbow UMC dedicated a new fellowship hall and renovated its old facility. Bethany UMC anticipated completion of its new fellowship building. Our District Advance provided missions funding for Genesis UMC, the Hyde County Cooperative Parish, and Unidos por Cristo.

**New Bern District:** The year of 2003-2004 for the New Bern District has once again been a year for our churches stepping out in building programs. We congratulate the following churches who have built, or are building, or are planning to build: Merrimon UMC; Ann Street UMC: Beaufort; Havelock: First UMC; Pine Valley UMC; Saint Peters UMC; Garber UMC; Sneads Ferry: First UMC; Morehead City: First UMC and Faith Harbor UMC. In other happenings we were visited by the storm, Isabel, down east last fall. We are grateful to all the churches, people, work teams and to MERCI who came to help our people rebuild their lives, their homes, and their churches. Be in prayer for Cedar Island, Sea Level, Williston, Stacy, Pamlico, Oak Grove neighborhood, Core Creek, Vandemere, Merrimon community, and Oriental UMCs. Thanks again for sharing your love and talents and abilities. You have made a difference, but there is still a lot of work to do. If you have been a part of an experience like this, you know all the work cannot be done fast enough. The churches are growing in membership and the work of all the pastors and laity is very encouraging. You truly feel God's presence as you worship with the various congregations.

**Raleigh District:** The Raleigh District celebrates 1) the planting of three new churches in three distinctive ways: The Church of the Risen Lord in cooperation with Edenton Street UMC, Saint Andrew UMC out of the historic Andrews Chapel UMC, and Catalyst UMC from new, direct evangelism efforts, 2) the first annual Race of Grace, a spring district walk/run to lift the importance of wellness and to raise funds for Alliance Medical Ministries, the Open Door Clinic and The Franklin County Health Initiative, 3) the launching of a missional imitative to meet the needs of AIDS/HIV orphans in Africa, and 4) ground breaking at Garner UMC; the consecration of worship and missional space at Genesis UMC, Soapstone UMC, Agape Korean UMC, Circle of Christ UMC; and the dedication of worship and missional space at Saint Andrews UMC, and 5) the

renewal of a sense of connection through clustering of charge conferences throughout the district in the fall of 2003, with each cluster experiencing the shared presence and leadership of the district superintendent, the lay leader, and the district mission advocate.

**Rockingham District:** The Rockingham District celebrated its inclusive ethnic and gender diversity by again sharing in a Pulpit Exchange Sunday whereby churches had an opportunity to host a pastor with a different uniqueness than their appointed pastor. Piney Grove UMC broke ground for a new sanctuary and Chestnut Street UMC began a renovation project that will merge their three buildings into one. Mount Zion UMC completed and consecrated a fellowship hall. Saint John UMC erected a steeple and did some major outdoor lighting. First UMC: Rockingham has begun remodeling an adjacent building into a multi purpose building to house church offices and mission space. Many of our churches received new roofs and other renovations through the generosity of a core group of Native American work teams. Work teams went also to Alaska and Bolivia. Food banks have been established in all of the counties of our district to distribute food and minister to persons suffering from the financial devastations caused by the loss of jobs in our area. Chestnut Street UMC has been recognized nationally for the second year in a row for its work in the Igniting Ministry program.

**Rocky Mount District:** The Rocky Mount District moved up in its percentage of collection on apportionment giving, surpassing 98%. Seventy-four of the eighty churches in the district achieved 100% payout. Nashville occupied their new 2 million dollar facility and named it for the principal donor family, the Braswells. Mt Zion UMC completed their new Family Life Center. Sandy Cross UMC completed a 1 million dollar sanctuary. Evansdale UMC approved plans for a new family life center. Halifax UMC broke ground for a new fellowship hall. Sandy Grove UMC in Warren County has broken ground for a new fellowship hall. Pleasant Grove UMC in Wilson County broke ground for a new fellowship hall/education building. Saint Paul UMC consecrated a new fellowship building. Gibson Memorial UMC in Spring Hope was honored for their Daily Bread Ministry. First UMC, Wilson was honored for their Global Vision Ministry equipping and sending work teams around the world for the building of churches in developing nations. The Rocky Mount District continues to enjoy one of the largest Lay speaking programs in the annual Conference. Littleton UMC sponsored a medical work team to Sri Lanka.

**Sanford District:** The manifestation of the Spirit of God is truly alive in the ministry and mission of the churches in the Sanford District. We praise God for another year of being able to pay 100% of our apportionment asking. This is our 8<sup>th</sup> straight year! We continue to see growth in some of our churches by profession of faith, and increases in average Worship and Sunday School attendance. Work teams have been deployed throughout the global village, and within our own Annual Conference. Other missional outreach has included a major contribution of \$15,000 to MERCI for the hurricane victims. Our Hispanic ministry continues to show signs of spiritual and numerical growth. We completed a Christian Enrichment Center in Siler City at the El Camino Church, which will assist Latinos in making the transition into American culture and make English their second language. The Center was dedicated in honor of the former District Superintendent, Dr. Jack Hunter. The District UMM have held Men's Rallies and given support to MERCI. Many churches are involved with the Hand-In-Hand project. Several of our churches have completed building projects and /or renovations and some are about to begin their work. The following are just a few of these: Sardis UMC completed its fellowship hall with a dedication service; Goldston UMC is beginning the preparations for expansion; Carbondon UMC is working to beautify their grounds as well as their present facility; Piney Grove UMC is building a family life center; Jonesboro UMC received a parsonage as a gift from a United Methodist family in the community; Page Memorial UMC in Biscoe has been

working with several other churches to put together a food bank and a facility is being built to house this missional project; Saint Luke UMC has added a major addition to its present facility including a family life center with several renovations including office space for the pastors and staff.

**Wilmington District:** The Wilmington District is excited to have raised nearly \$26,000 for the Cambodian Orphanage Initiative. Our second annual Camp Meeting, led by guest evangelist, the Reverend Bill Hinson, was well attended. The District also held its first Children's Day at Jubilee Park. Over 700 people attended for an afternoon of rides, games, fellowship and food. The Parish Nurse introduced "Lighten Up", a program that promotes healthy lifestyle changes, to the District. Two groups of pastors have completed the program and several more groups are in the beginning stages. Several churches in the District have completed building programs: Wrightsboro UMC completed the expansion of their sanctuary, Windsor UMC completed an addition to their education and fellowship hall facility and completed remodeling the sanctuary. Bethlehem UMC extended and remodeled the sanctuary and paid off the debt. Wesleyan Chapel UMC, Whiteville UMC and Wesley UMC at Riegelwood have paid off building debts.

## **MONITORING AND ACCOUNTABILITY MINISTRY TEAM**

As the Monitoring and Accountability Ministry Team we will continue to offer a ministry of advocacy for inclusiveness in the North Carolina Annual conference. As a diverse people of God who bring gifts and evidence of God's grace to the unity of the church and society, we are called to be faithful to the call of Jesus Christ's ministry to all people (par. 138, The Book of Discipline, 2000). We continue to guide and encourage the NCC to realize the full and equal participation of all God's children, regardless of ethnicity, gender, physical limitations or age in the life and leadership of Christ's Church.

During Annual Conference 2003 we again offered the following ministries to encourage inclusiveness in the life of our North Carolina Conference.

- 1) We monitored the conference plenary sessions and worship experiences to record participation rates. The results were published daily in the Saddlebags as feedback. The pattern of participation reveals the following (i.e. leadership from the podium; comments from the floor): 57% Anglo men, 27% Anglo women, 15% racial ethnic men, 1% racial ethnic women. Of the worship services monitored, 59% participants were Anglo men, 30% were Anglo women, 5% racial ethnic men, and 6% racial ethnic women.
- 2) We monitored the conference cross-racial appointments and found that as of July 1, 2003, there were 56 appointments of racial ethnic clergy in the NCC, and 26 cross-racial appointments: (African American pastors in white churches 4; White Pastors in African American churches 2; Native American Pastors in White churches 6; Korean American pastors in White churches 3; and White pastors in Native American churches 2).
- 3) We monitored the NCC District Superintendency and found that as of July 1, 2003 the following rates of representation: 58%, Angelo men, 25% Racial Ethnic men, and 16% Anglo women. Overall rating: 84% Anglo and 16% Racial Ethnic persons.
- 4) While monitoring the NCC Connectional Table we noted 40% women and 60% men. We would like to have supplied you with a racial ethnic percentage of the NCC Connectional Table, but the information was not available prior to the submitting of this report.

We, the Monitoring and Accountability Team will continue to improve upon our monitoring and accountability procedures each year until our system is second to none. We have not reached a satisfying level in the monitoring of our districts, however, we are working toward that end.

We will continue to well-acquaint this NCC with the usefulness of monitoring for inclusiveness as we work to keep before the world and ourselves the church's commitment to inclusiveness as a faithful reflection of Jesus' ministry to all people.

## **SOUTHEASTERN JURISDICTIONAL ADMINISTRATIVE COUNCIL**

The ministry of the Southeastern Jurisdiction continues to be vital for the United Methodist Church. Many accomplishments have been made this past year through the ministry team including the seven Southeastern Jurisdiction agencies and the Junaluska Team.

We are beginning to see results of the Workplace Discipleship Program established to enhance our staff development and racial ethnic makeup. In 2003 we passed our first goal of having our staff reflect the Southeastern Jurisdiction average of racial ethnic membership by reaching 8.9%. As important as numbers are, it is more important that staff have regular time of study and reflection on sensitivity training, leadership and work as an opportunity for ministry.

The Southeastern Jurisdiction has continued to grow this year as we strengthen the Hispanic/Latino and Korean-Asian ministries; supported and staffed 50 ongoing ministry programs and 19 networking groups representing all annual conferences; provided the Clergy Women's Consultation and Reconciliation with Love and Understanding.

All seven SEJ agencies have provided significant leadership through their ministries (Gulfside, Hinton Rural Life Center, Volunteers In Mission, Heritage Center, SEJANAM, Intentional Growth Center and SEMAR).

Two thousand and three (2003) was year of anniversaries for the Southeastern Jurisdiction. Gulfside Assembly, celebrated 80 years of ministry, Lake Junaluska marked 90 years of service and the Intentional Growth Center celebrated 25 years of providing continuing education and training in the church.

Capital Campaigns in behalf of ministry in the Jurisdiction are progressing in a fine manner. Gulfside Assembly has reached \$2.4 million of its \$3 million goal and has broken ground on a new retreat center named after Bishop Alfred Norris. Hinton Rural Life Center with a goal of \$2 million has over subscribed by raising \$2.8 million allowing them to build two (2) new lodges, Hermitage houses and enhanced it's ministry endowments. The Lake Junaluska and Southeastern Jurisdiction ministries campaign has 6.5 million dollars committed toward a ten million dollar goal. That has allowed the establishment of endowments for lay ministry, music ministry, and preaching; extensive work on lake restoration; renovation of the campground, Shackford Hall and the Children's Complex.

At Lake Junaluska as planned maintenance repair to the dam was taking place, it was discovered that major repairs totaling over two million dollars had to be done. In order to maintain safety we immediately performed over a million dollars of repairs to ten buttresses. We will continue this project over next several years and will be asking churches to support this important effort.

As we finish this quadrennium, I want to thank the North Carolina for all your support. Your help provided 15% of our total budget through your apportionments. You also provide significant leadership to the Administrative Council through their membership and work of the following persons:

- \* Bishop Marion Edwards

- \* C. Paul Chitnis
- \* Jane Johnson
- \* Charles Smith

We express appreciation for all you do to provide ministry in the Southeastern Jurisdiction.

Continue to pray with us as we strive to serve Christ and the work of the United Methodist Church in the Southeastern Jurisdiction.

Jimmy L. Carr, Executive Director

## **MISSION DEVELOPMENT CIRCLE**

The theme challenges us to continue to live into our original vision for mission and ministry in this annual conference. "To inspire courage, cultivate generosity, and to ignite service for Christ's mission in the world" is best understood as we step into the mission programs of our conference and understand the roles God has called us collectively and individually to. The areas of ministry relating to the Mission Development Circle are: Criminal Justice and Mercy Ministries, Evangelism, Church and Society, Disaster Response, Health and Human Services, Multicultural Ministries, Ethnic and Local Church Concerns, Global Ministries Missions and United Methodist Women. Every day scores of United Methodist of the North Carolina Conference live this vision out in action. We are blessed to have so many wonderful ministries that focus on and address human need and suffering in every place.

The past year has been one that has showcased many examples of missions not only in our conference but around the world. While focusing on traditional forms of mission we endeavor to address new issues as they arise in society and world. We have been blessed to be able to share the gospel in our prisons around the conference. We are fortunate to have those special individuals who sense this unique call to share ministry of Jesus Christ in these special places. We continue to advocate for those who seemingly have no voice in society. Today our response to disaster within our conference is a well thought out and orchestrated example of Christian love in action. From the recruiting and training of volunteers to the putting back together broken lives the MERCI Center is bridging many gaps and making possible service for volunteers and a new life and in some cases a new home for those who hurt. This year churches all across our conference have deployed teams for service on the mission field. Many have made their marks locally while others have given in Cuba, Russia, Peru, Bolivia, Afghanistan, Armenia and other parts of the world. These are but a few of the many mission efforts that are ongoing in our conference today.

We also understand that there is a major harvest in our own communities. As our communities continue to be reshaped and redefined we must continually seek new and creative ways to be in mission and ministry in all places. With a new Comprehensive Plan of Inclusiveness rolled out this year we will be presented with many new challenges to serve unmet needs in our own communities as seek to live into Gods plan for our lives and society in general.

## DISASTER RECOVERY MINISTRIES AND THE MARION EDWARDS RECOVERY CENTER INITIATIVES

In September 2003 MERCI began its fourth year of operation in the North Carolina Conference. We have grown from a disaster response ministry to a multi-faceted program for rural housing, and connectional ministries while still maintaining a disaster response priority.

During this four and a half years we have assisted over 1900 families including building 55 new homes. We have had volunteers for the equivalent of 52,009 days or one a day for 68.5 years and they have contributed over 800,000 hours of service or the equivalent of 33,333 days (at 24 hours a day).

Those figure do not include the 23 churches that did Neighbor-to-Neighbor projects or the 50 families they assisted right in their own communities.

Our volunteers have contributed materials for and assembled nearly 3,000 flood buckets. Over 2,200 were sent out after Isabel. Our volunteers have also contributed the materials and assembled over 3,100 health kits both for UMCOR and for local migrant workers.

Our volunteers have helped collect thousands of school kits which have been sent to locations such as Iraq, Afghanistan, and Sierra Leone.

Since annual conference approval last year, MERCI has purchased land in Columbus County for the building of rural affordable homes. Four homes are under construction at this time in *Strawberry Fields* in Chadbourn NC. A "MERCI" home is built under similar requirements as that of a Habitat house.

Last year MERCI also ran a summer youth work camp, "Footprints" where 170 youth help repair 6 homes in the Goldsboro District. As of March 1st "Footprints" already has confirmed 323 youth for the coming summer.

As a result of the Bishop's challenge to the United Methodist Men, 3 districts have had early response team training and one district has taken up the cause of feeding the masses through "Community Spirit Dinners".

When Hurricane Isabel struck last September, 37 counties were declared federal disaster sites. Thousands more families experienced the devastation that natural disasters in our state can cause. With less publicity and less funding, recovery is struggling to happen. But we at MERCI have faith in the United Methodist Church both here in North Carolina and around the country. Nowhere is there a better heart for helping, where open hearts and open minds are willing to reach out to their neighbors in need.

We at MERCI continue to feel blessed to be a part of the North Carolina Conference and hope for many more years of being able to provide a place and an opportunity for people to put their faith into action, after all, "a faith without works is a dead faith" (James 2:17).

Barbara Tripp, Director, DRM/MERCI

## EVANGELISM, COMMISSION ON

**The mission of the Commission on Evangelism** is to assist the churches and the pastors of the North Carolina Conference with education and inspiration to witness to the saving love of Jesus Christ for all persons. To that end, the commitment of the Commission is to equip clergy and laity for the work of evangelism. During the past year, the commission has sought to fulfill that commitment by providing scholarship and seed money to individuals, churches and districts to assist with a variety of training opportunities and programs in the area of Evangelism, and to provide education and resources to increase the knowledge and abilities of our people.

The **Igniting Ministries** emphasis continues to provide a platform for creativity in evangelism and outreach. Across the conference, billboards, targeted mailings, printed

media advertising, Radio and TV spots proclaim the hearts, the minds and the doors of the United Methodist Church are open, and invite persons outside of the church to come and join “the family.”

Since last report, the second annual ***Academy for Christian Witness*** was held March 23-25, 2004 at the Bergland Retreat Center. The *Academy* provided “hands-on” contact and training utilizing many of the tools and resources available to churches and pastors today. The retreat format offered participants a three-day intensive workshop specifically designed to increase the effectiveness of local church pastors in evangelism, witness and faith sharing. Additionally, a toolbox of practical resources was provided for each participant. Recommendation by their District Superintendent was the primary criteria for the acceptance of each participant. Full scholarship support was given to cover event costs, books and resource materials for each person so that the training could be available to those least able to pay. Our next dream is to extend similar training to the lay leaders of Evangelism in the local churches.

According to John Southwick, director of the Office of Research for the General Board of Global Ministries, **the North Carolina Conference had the highest net membership growth in 2002 of any annual conference in the denomination.** Making disciples is the command of Christ and must be the primary directive for the church. Again this year, the North Carolina Conference celebrates growth in professions of faith, worship attendance, new church beginnings, and membership. Churches in all settings are finding numerical growth happening in their congregations. However, growth in numbers must be balanced by growth in faith. Although a tool for measuring growth in faith as our people mature in their spiritual life has yet to be developed, growth in faith is among the most important indications that new converts are becoming faithful disciples.

By faithfully equipping the clergy and laity of the North Carolina Conference with education and inspiration, the Commission on Evangelism echoes the call of Jesus Christ “to go and make Disciples.”

These and other non-Hispanic churches in the Conference, including Fuquay-Varina UMC and First UMC Cary “welcome the stranger” through community ministries such as after-school tutoring programs, a preschool, ESL (English as a Second Language) and computer classes, a craft cooperative, counseling, medical interpretation, food and clothing assistance, parenting programs, assistance in finding employment, and supplies for migrant farm workers.

In 2003-2004 we provided training in the National Plan for Hispanic Ministries jointly with the Western North Carolina Conference to over 50 lay missionaries and pastor-mentors. More than 20 attended continuing education programs in Hispanic ministry. In addition, we are encouraged by the trend of more and more non-Hispanic churches expressing a call to serve the Hispanic/Latino community located in their backyards. Several exciting ministries are emerging as a result of this enthusiasm.

As we continue to be faithful to the vision of Pentecost, Hispanic/Latino ministry continues to be an outpost for the Reign of God, so appropriately described in the Hispanic Creed as “el día de la gran fiesta” — “the day of the great party.” May God continue to guide us all as we seek to become the vision of Revelation 7:9:

After this I looked and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and in front of the Lamb.

## MISSIONS TEAM

The call and the needs to the area of missions are fast out-pacing the finances and scope of the structure of our Annual Conference – inside and outside of North Carolina. And this is a GOOD thing. It means we United Methodists are hearing and seeing the needs of Christ’s “least of these.” (Matthew 25:31-46) It means we are striving to meet those needs, to reach out to the little ones among us, to touch the face of Christ, and to proclaim the Acceptable Year of the Lord. (Luke 4:18-19) We celebrate this Kingdom response being generated though the lives of God’s people of Eastern North Carolina. Missions is not a set of programs, not simply a process of polity, not just an activity being generated from the sterility of an office building. Missions is in the hands, feet, hearts, and voices of various United Methodist faith communities filled with people who have heard the cry of the needy, have felt the presence of Jesus, and have answered a call to bring their gifts and graces into intersection with the brokenness of God’s world. Through our United Methodist Volunteers in Mission, we have teams who knowing they were bringing the Lord to wherever they were headed, have found Jesus there, waiting for them. Christ has been made real and present – missions has been reversed. As we reached out in the name of Jesus, Jesus reached back to us as well. The resurrection becomes reality, new life is birthed, and transformation explodes!

This story of resurrection, new life, and transformation being lived out through the North Carolina Conference of The United Methodist Church, has occurred in places like Liberia where children forced to fight by a brutal dictator, are now finding healing through the love of missionaries such as Herbert and Mary Zigbuo, missionaries supported through our prayers and our gifts. This story of resurrection, new life, and transformation is reality as we enter a new ministry to love and support HIV/AIDS orphans in Zimbabwe. This story is being proclaimed in the embracing and sending out of Individual Mission Volunteers such as Susan Harrison as she serves in urban ministries reaching out to our poorest neighbors, and Greg Jenks as he serves with the Zimbabwe Conference connecting our lives with the lives of suffering orphans.

The story of new life blooms as scores of United Methodists meet across our conference in “Street Smarts” learning events, entering a joyful journey of community ministry. Transformation explodes as thousands of children are fed and our elder neighbors are embraced through the food ministry of “No Hungry Neighbors,” a ministry wherein through February of 2004 over \$325,000 has been offered to alleviate hunger in our own Conference. Resurrection is proclaimed as volunteers through our MERCI ministry rebuild homes of those who suffered the devastation wrought by Hurricane Isabel. This story is proclaimed in scores of other ministries as the name of Jesus is uplifted and life in Christ is discovered through the inward and outward journey of missions. This is love. This is God. This is your story.

## **MULTICULTURAL MINISTRIES**

We live in an increasingly diverse and multicultural world that challenges the church to faithfully reach out across lines of race, ethnicity, class, and language. The NC Conference of The United Methodist Church must continue to be proactive in our pursuit of justice, peace, reconciliation, and inclusiveness. We made a bold statement in the 2003 Annual Conference with the unanimous approval of The Comprehensive Plan of Inclusiveness.

The plan also describes much of the work of the Multicultural Ministry Team: “We have much to celebrate; yet much remains to be done. The sin of racism must be acknowledged and confessed, even as we bring its persisting effects and influence into the light of God’s truth. Established churches must be equipped and empowered to minister to the diverse communities that surround them. Ethnic local churches need continued support and encouragement. New ministries and churches must be creative in reaching persons across lines of race, class, and economic status. We have a biblical mandate that calls us to continue to be intentional in assuring inclusiveness at all levels of our church and conference leadership.”

This past year, our team has sought to monitor and implement the 2004 goals of the Comprehensive Plan of Inclusiveness. A cadre of leaders has been put together to assist each District in planning local event that relates to inclusiveness and diversity. We also continue to relate to each of the ethnic ministry teams including: Strengthening the Black Church, Hispanic Ministries, Native American Ministries, and Korean Ministries. CPI grants were awarded for 2003. Applications for inclusiveness grants for the coming year can be found online with deadlines for the fall (Sept. 30) and spring (March 31). You may also access the Comprehensive Plan online at [www.nccumc.org](http://www.nccumc.org)

The Multicultural Ministries team also relates to the General Church’s Ethnic Local Church Concerns, Religion and Race, and Commission on the Status and Role of Women. We are looking forward to the year ahead and pray that God will continue to bless our conference’s ministry as we seek to embody Jesus’ prayer that we all “may be one.”

## **NATIVE AMERICAN MINISTRIES TEAM**

The Conference Committee on Native American Ministries continues to broaden the vision of the work of Native American Ministries in our conference. The primary focus will be involving our churches in both corporate and individual ministry. The core areas of focus will continue to be on leadership development, evangelism, congregational development and missions and outreach to the community. Task

oriented Christian leadership, evangelism and witness, will continue to be the most effective tool used for translating our dreams into reality.

We accept the challenge of providing opportunities for the leadership of our churches to become involved in spiritual leadership in a new and more dynamic society. Church leadership is addressing a new type of challenge as economic opportunities diminish in our communities. We struggle to find new ways to address these new and rapidly increasing issues. We are challenged to understand our unique gifts and graces and how we might apply them to these new problems that we have not known before. The goal of this deployment is always to serve God in their local congregations and beyond with the results being growth and commitment. We want our membership to be involved in spiritual enrichment and leadership development programs.

The Native American Interfaith Ministry efforts we entered into three years ago have now begun to produce significant results in the community. More than 125 congregations are working cooperatively to address five core areas of need in the Native American Community that have come about primarily because of "Spiritual Depletion" in the lives of many in our community: homelessness, domestic violence, the spread of STD within the Native American community, substance abuse and suicide prevention. We are now aggressively addressing these five goals as we work with a team of health care, Faith-based, education and social professionals.

We continue to develop local, national and international mission opportunities for our local church members. The youth of our congregations are now organizing and planning challenging agendas to address their most pressing needs. Our youth have now extended their focus area within their own local church and beyond addressing some of the needs of our communities, particularly for the elderly.

## **PERU COVENANT, TASK FORCE ON**

Our relationship with the Methodist Church of Peru continues to reflect the differences between our nations and our cultures. The necessity for assessment and clarification of the purpose and intention of this relationship has come to be after fifteen years of covenant relationship. While the interest in our laity of North Carolina Conference and beyond continues to be strong for this mission opportunity, there is a need for strengthening the leadership in North Carolina to meet the demand for the opportunities to go to Peru to serve.

In the last conference year, more than three NC Conference teams, including one youth team, served in various capacities in Peru. The youth worked in Lima, the coastal area, and in Cusco, high in the Andes. Led by Rev. Rosanna Panizo and Rev. Para Drake, the group taught Bible School, led worship, helped with building needs, and met families who had come to the city from the country in search of a better life. This meeting took place in a mission outpost — a village without running water and electricity. Trinity UMC of Durham continued their building project in Puno, an area hard hit by storms and hardship. Led by Sarah Smith, Duke Divinity graduate, this group are seasoned travelers and church builders. The connection with Duke Divinity continues to be lived through the vision of Dr. Frederick Herzog. Rev. Mark Wethington and Dr. Kristin Herzog led a group of Southern Pines UMC members and Duke Divinity students up into the area of Huancayo to teach in a Methodist seminary. There is much work to do. Other teams have traveled to Peru from NC that I do not have details to relate here.

While there is always much to do, we Christians are called to be in a mutually

accountable relationship with one another. In the earliest expressions of this covenant, this kind of relationship was at the heart of its purpose. However, this is a challenge to us, particularly when our cultures create division. We have continued to seek an authentic relationship.

During my time as Chairperson of this Task Force, I have worked to strengthen the covenant through changes experienced by the Methodist Church of Peru. Fifteen years ago, the relationship was primarily through the Seminary and Duke Divinity; Bishop CP Minnick enabled it to become a mission of the Church. In the last seven years, with the closing of the seminary, the mission has become more church oriented. This basic change in the relationship presented the challenge of shifting our focus. And we did, very well. North Carolina United Methodists have built and repaired many structures, taught many Bible School lessons and encouraged local churches to enter into individual covenant relationships, and visited all parts of the country.

I leave the position of Chairperson of this Covenant with thanksgiving for all the support from our local churches and laity who have given of themselves and their gifts for this mission. I give particular thanks to God for the call into this ministry and to those who went before me, especially Drs. Fred and Kristin Herzog and Mark Wethington, and all those who travel this journey.

Para R. Drake, Chairperson

## **STRENGTHENING THE BLACK CHURCH**

The greatest gift that the majority church and the world can receive from the black church is strength, according to Bishop Peter Weaver. The black church, Weaver said, brings an “extraordinary gift because of the exile experience of being in a foreign land, not just in the times of slavery, but right now.”

Strengthening the Black Church (SBC) for the 21<sup>st</sup> Century is an initiative to restore, reconstruct, redeem, reconcile, and revitalize African Americans within the denomination and the community at large. The SBC Committee of The North Carolina Conference has worked to live out this goal within this annual conference.

In November, the Ebony Bishops convened African American leadership from throughout the church to be in dialogue about the State of the Black Church. Three members of our SBC Committee were in attendance at that meeting. As a prelude to the meeting with the Ebony Bishops, the SBC Committee met to dialogue about the State of the Black Church in the North Carolina Annual Conference. We identified several challenges to be addressed.

In February, we planned to meet with clergy and identified lay leadership from every African American congregation. This meeting was to be another opportunity to reach our goal of creating a stronger network among African American churches and pastors. It was to also be a time of strategizing for ways to address the challenges identified from our State of the Black church. However, due to illness of the leadership personnel of the event, the event had to be cancelled. It will be rescheduled for this fall.

We are planning to begin creating our network of lay leadership by meeting with the lay members to the Annual Conference from every African American congregation. It is our hope to convene this group immediately following the Executive Session of the laity.

The Black Church, though experiencing exile, has come this far by faith and continues to lean on the Lord.

## **UNITED METHODIST MEN**

The Book of Discipline of the United Methodist Church states: Each church or charge shall have an organized unit of the United Methodist Men chartered and annually recertified through the General Commission on United Methodist Men (GCUMM) to provide dedicated ministry for building men spiritually and involving men in the total ministry of the church (paragraph 256).

Follow these steps to organize your men and to charter: 1<sup>st</sup>, get your pastor involved; 2<sup>nd</sup>, ask the pastor to call a meeting with whatever number of men that you have in order to organize; and 3<sup>rd</sup>, telephone the GCUMM for additional information and materials at (615) 340-7145 and ask for Ann Waller-Bee. The chartering fee is \$50.00 per unit.

Bishop Marion Edwards shared his vision for UMM ministries in the North Carolina Conference at our Fall Rally, October 18, 2003. His first vision was for UMM to work through Disciple Bible Outreach Ministries (DBOM) to do the following: 1) enroll UMM leaders in Disciple Bible Study; 2) support small membership churches and ethnic churches in forming Disciple Bible Study groups; and 3) encourage UMM to participate in the effort to take Disciple Bible Study into the prisons in the North Carolina Conference.

The second vision Bishop Edwards shared with us was for UMM to be trained by MERCI to form early response disaster relief teams. In addition, he encouraged the UMM to volunteer through MERCI to provide assistance in building new homes for low-income families.

With the permission of each District Superintendent, UMM will participate in District Leadership Workshops in all twelve districts. We will invite DBOM and MERCI to join our breakout session and conduct teaching and training relating to the Bishop's vision for UMM.

Mack B. Parker, President

## **UNITED METHODIST WOMEN**

"Ordinary People with an Extraordinary Mission" was the 2003 theme for the North Carolina Conference United Methodist Women. In following our purpose we focused on spiritual growth, education, social responsibility, leadership development, and most importantly mission outreach locally and throughout the world.

In 2003 the North Carolina Conference United Methodist Women sponsored six conference-wide events including: the 39 & Under Event, the Spiritual Enrichment Retreat, the three day Conference School of Christian Mission, two Mother/Child Retreats, and the UMW Annual Meeting. We also held workshops on Racial Justice Issues, Membership, Financial Analysis, Leadership Development, and Officer Training.

We awarded \$7,000 in scholarships to applicants who are attending Methodist colleges or who plan to enter religious vocations. In addition we supported and promoted the Methodist Home for Children's "Sharing Sunday" and helped raise over \$110,000.00 on their behalf.

Our 2003 pledge to mission was \$438,000.00. We exceeded our pledge and sent a total of \$462,759.02 in undesignated giving. In addition we sent \$35,078.98 in designated giving for a total remittance of \$497,830.00!

In this our forth year of the "Mission Today" program we recognized 20 Gold, 78 Silver, and 108 Basic "Mission Today" local units.

As of December 31, 2003 Emily Innes completed four years as president of the NC Conference United Methodist Women. We honored her for her years of service at the Conference UMW Annual meeting at Methodist College in Fayetteville.

The North Carolina Conference United Methodist Women are a strong and vital witness for Christ in the world. We look forward with great expectation for the ways God will use us in the coming year.

### **CHRISTIAN EDUCATORS FELLOWSHIP**

The mission statement for the Christian Educators Fellowship, The United Methodist Church, states "Believing that called, committed, and equipped leaders enable and empower the church's teaching and learning ministry for the formation of faithful disciples in today's world, Christian Educators Fellowship, the United Methodist Church, exists to nurture and support professional Christian educators and persons who have responsibility for the many expressions of educational ministries." The North Carolina Chapter of CEF seeks to be faithful to this mission by offering monthly programs with practical insights on a variety of topics related to educational ministry. Meetings during this conference year have included a program on Worshipful Work by the Reverend Hope Morgan Ward, A Day of Enrichment at Wrightsville UMC with the Reverend Trish Archer leading on the topic of "Transformation", Learning the Basics of PowerPoint with Doug Ward, the Reverend Belton Joyner leading on How to Deal with Difficult People, a Book Review sharing and a CEF luncheon at Annual Conference. In addition, a two day retreat was held at Bergland Retreat Center with the Reverend MaryJane Pierce Norton leading on the topic "Hot Topics & Cool Thoughts for Today's Educators". This is both a time of renewal and exploring some of the current emerging issues in the field of Christian Education.

Nancy Pugh, NC CEF Chapter, President

## CLERGY COUNSELING AND CONSULTATION, COMMISSION ON

This Commission, upon the direction of the 2000 Annual Conference, established the Clergy Counseling and Consultation Service (CCCS) January 01, 2001, and employed Jane Clark Moorman, MSW, LCSW, BCD as Director. The primary purposes of this service are to meet the emotional/psychological needs of clergy and their families and to provide mental health consultation to assist clergy with their pastoral counseling work.

Ms. Moorman provides assessment, counseling, psychotherapy and referral services for pastors and members of their families within the context of their own faith perspective. Since inception, more than 400 clergy and family members have availed themselves of Ms. Moorman's assistance regarding a wide range of personal, family, and professional problems. These include anxiety, depression, grief, marital conflict, parent-child problems, sexual concerns, transition difficulties, professional identity and congregation-related issues. In addition, she provides consultation to clergy regarding a variety of problems that arise in their pastoral counseling as well as other issues that are inherent in the practice of ministry.

**There are no fees for these services since the Annual Conference funds this program.** All of our clergy, including pastors serving churches throughout the Conference as well as those in appointments beyond the local church and retired clergy, are eligible for these services. Ms. Moorman is continuing to develop a network of mental health providers across our Conference who also understand the particular stresses of clergy families and can provide professional services for them when referral is needed.

**A policy of strict confidentiality guards the privacy of each person who contacts the Service or seeks consultation, counseling/psychotherapy, or referral. No information is divulged to anyone, including this Commission, the Bishop, or the Cabinet, concerning individuals who utilize these services. In order for information to be released concerning anyone's contact with the Service, that person must give written authorization prior to such release. This is extremely important in our itinerant appointment system, and Ms. Moorman adheres to this policy closely. As Director, she is not responsible to the Bishop or the Cabinet, but rather is responsible only to the Annual Conference through this Commission.**

The office is located at 2804 Montgomery Street in a Durham residential community which is easily accessible from Interstate routes 40 and 85. If you wish further information, would like to consult by phone with Ms. Moorman, or make an appointment to visit with her, please call the **toll-free number: 866-440-4200** or the local number: 919-402-4200.

Ted R. Kunstling, M.D., Chairperson

## CONFERENCE RELATIONS, COMMITTEE ON

The Committee on Conference Relations has as its primary responsibility the assisting of any clergy who seek to change or terminate their relationship with the Annual Conference. Changes in conference relationship may occur in any of the following ways: 1) discontinuation, 2) leave of absence, 3) retirement, 4) sabbatical leave, 5) maternity/paternity leave, 6) family leave, 7) termination of conference relationship (surrender of credentials), 8) honorable location.

The Conference Relations Committee meets with the person who is seeking a change in conference relationship upon the request of that person, or upon request of the Cabinet or the Board of Ordained Ministry. The committee attempts to determine what is appropriate in each case by posing questions, offering counsel and providing support. The committee then discusses the request and acts upon it by making a recommendation to the Board of Ordained Ministry. In any event, the person requesting the change and the Conference Relations Committee acting on the request must follow the requirements in *The Book of Discipline*.

*The Book of Discipline* provides specific guidelines applying to each of the categories of conference membership. All those persons in the various categories of conference membership (other than the effective relationship) should remember to familiarize themselves with, and adhere to, the disciplinary guidelines which apply to that category. The Committee on Conference Relations issues a yearly reminder of these guidelines through a letter approved by the Board of Ordained Ministry at its annual meeting. Following the appropriate guidelines is particularly important for clergy on leave of absence; for these persons, exercise of any ministerial function is restricted to the Charge Conference in which their membership is held. The Conference Relations Committee would take this opportunity to reiterate that pastors on leave of absence cannot perform weddings, conduct funerals, or administer the sacraments outside the bounds (both geographical and membership bounds) of that charge conference.

Every spring (since 1987) the Conference Relations Committee has hosted a luncheon for those who will be retiring from the North Carolina Annual Conference at the June session of that year. At this luncheon, the retirees and their spouses are informed about various matters relating to their retirement such as insurance, housing, and pension benefits. This year's retirement luncheon was held at St. Luke United Methodist Church in Goldsboro on Tuesday, May 11, 2004.

Thomas G. Holtsclaw, Chairperson

#### CONTINUING EDUCATION, COMMITTEE ON

The Continuing Education Committee of the Board of Ordained Ministry has the responsibility of developing continuing education programs that will enable ministers to fulfill the Disciplinary requirements. According to the 2000 Book of Discipline, "Clergy shall be expected to continue their education and spiritual growth throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities." The Discipline further states that, "In most cases the ordained ministers' continuing education and spiritual growth program should allow for such leaves at least one week each year and at least one month during one year of each quadrennium. Such leaves shall not be considered as part of the ministers' vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and Annual Conference Continuing Education Committee."

In providing the resources to enable pastors to meet the minimum requirement of *The Discipline*, the Committee on Continuing Education has edited a brochure that applies to all clergy and diaconal ministers of the NC Annual Conference. The brochure contains information defining Continuing Education, the role of the local church, and how the pastor's continuing education can be financed. The brochure is printed as part of this report.

#### **Continuing Education for Ministry in the NC Annual Conference:**

**Rationale:** A prime expectation of every minister of the NC Annual Conference is professional growth. In recent years, one of the major avenues through which such growth occurred has been continuing education. In *The 2000 Book of Discipline* it states, "There are professional responsibilities that elders are expected to fulfill and that represent a fundamental part of their accountability and a primary basis for their continued eligibility for annual appointment. Growth in vocational competence and effectiveness through continuing formation is expected of conference members."

**Definition:** Continuing education is defined as an organized structured program of formal study under competent leadership with clearly defined goals and objectives. Here the key words are "organized," "competent leadership," and "clearly defined goals and objectives." By this definition certain activities, though worthwhile, are not considered "continuing education"; e.g., degree programs, recreational programs,

promotional meetings, worship services, entertainments, undirected reading, and study travel (except for limited lecture, seminar, or workshop time), and the like. The Conference Board of Ordained Ministry, through the Committee on Continuing Education, performs three functions: 1) it sets minimum continuing education standards for ministry; 2) it establishes guidelines for continuing education; and 3) it seeks to insure the availability.

1. *Minimum Standards:* The NC Conference has established as a minimum standard one Continuing Education Unit (CEU) to be earned by each minister from an approved continuing education program each year. One CEU is defined as ten contact hours of participation in an approved continuing education program.

2. *Guidelines for Continuing Education Programs:* CEUs will be approved for those persons sponsored by organizations which are accredited by a) a regional educational agency (such as the Southern Association of Colleges and Schools), b) a professional accrediting agency (such as the American Medical Association), or c) the Council on the Continuing Education Unit. It should also be noted that only those programs which relate directly to ministerial growth and development will be approved.

3. *Insuring their Availability:* Efforts by the Board of Ordained Ministry to insure the availability of continuing education programs include encouraging conference-related and other colleges within the Conference bounds to offer courses for ministers, providing supplementary financial aid for ministers, publicizing approved programs, and identifying specific subject areas for needed programs.

**Role of the Local Church:** In addition to the minister, the local church has a significant stake in the success of continuing education programs. The local church, therefore, has an important role to play in continuing education.

**The Pastor-Parish Relations Committee of the Local Church:**

1. Confers with the pastor and the district superintendent in the development of a continuing education program that will enhance the total ministry of the church.

2. Provides study leaves at least one week each year and at least one month during one year of each quadrennium. Such study leaves are not to be considered vacation time.

3. Recommends to the church's Finance Committee budgetary funds to be applied toward the minister's continuing education program. In providing funds for continuing education programs, the Pastor-Parish Relations Committee should insure that only those programs which meet both the definitions and specific guidelines above are funded.

**Financial Aid to Clergy:**

Funding for continuing education is the combined responsibility of the participant, the congregation, the sponsoring institution, and the Annual Conference. Conference funds for continuing education are derived as a portion of conference apportionments. Thus, it is not possible (nor is it desirable) for the conference to assume a major responsibility. Continuing education can be expensive. For this reason, local churches are encouraged to provide a minimum of \$300.00 annually for each clergy and diaconal ministers' continuing education.

All persons under Episcopal appointment to charges, conference staff positions, Conference Evangelists, retired supply, and Extension Ministries appointed to conference-related agencies and institutions are eligible for grants from the Conference funds provided:

1. The program meets the definitions and Conference guidelines described above.
2. The applicant has documented his or her efforts to secure funding from other sources, including local church, Duke Endowment, and personal resources.

3. The application for a grant is filed on the appropriate form which furnishes *complete* information about the event and bears the signatures of the applicant, the Pastor-Parish chairperson, and district superintendent.

### **Continuing Education Grant Guidelines**

1. The maximum grant to an individual applicant over one conference year is \$300.00
2. Grants are available for ordained, commissioned, licensed and diaconal ministers who receive less than the CAC (Conference Average Compensation), which includes salary and utilities, or less.
3. Applicants must use all funds designated by their local congregation or employing organization **prior to** requesting Conference grants.
4. Grants for **District** Continuing Education Seminars shall be limited to \$100.00, based upon the availability of funds, regardless of the number of CEUs involved and within the limits outlined in #1, 2, and 3.
5. Grants for Clinical Pastoral Education (CPE) can be given when the CPE program offers the required CEU credits. No more than \$300.00 per CPE unit will be granted in any given year. Grants for CPE are given only for non-degree programs.
6. Holy Land Trips: A grant according to the current policy may be made once in a pastor's career, providing funding is available.

### **Monitoring Continuing Education Units:**

1. The district superintendent, in annual consultation, may suggest to the clergy or diaconal minister the area of continuing education he or she should take to facilitate his or her professional growth. The pastor's annual Continuing Education Report will be given to the district superintendent at the annual consultation or other appropriate time.
2. Clergy shall have the responsibility for securing from the institution granting Continuing Education credit a record of earned credit *and providing a copy of this record to the Office of Ministerial Relations.*
3. It is the responsibility of each participant to determine, in consultation with the Committee on Continuing Education, if a proposed program meets the criteria prior to participation and funding.

## ENLISTMENT, COMMITTEE ON

A simple look at the ages and faces of clergy in The United Methodist Church helps all to understand the truth of the statistical projections indicating a tremendous loss of clergy through retirement over the next eight to ten years. The primary concern of the Committee on Enlistment is *to raise the consciousness of our constituency within the bounds of the North Carolina Conference so that identification and enlistment of ordained ministers is an ongoing concern that touches every dimension of our church.* In keeping with this goal the Committee on Enlistment can provide guidance and encouragement in the process of clergy enlistment. However, the primary responsibility for identifying youth, young adults, and second career adults who need to answer God's call upon their lives falls upon local church pastors, laity in the local churches, and campus ministers.

All too frequently, persons place God's call to the ministry behind economic or security concerns. Sometimes others that are close to that person are more aware of their calling than the person themselves. The role of individuals and Pastor-Parish Relations Committees in local churches is to confirm the claim of God upon those that are called and direct them to their local church pastors, District Superintendents, and District Committees on Ministry.

During each even-numbered year, the denomination offers an event designed to help persons who are "exploring" a call to ministry. The 2004 Exploration was held in Charlottesville, Virginia in March. The 2006 *Exploration* event is being planned and will be announced at a later date. The Exploration weekend is designed to help one explore the call to ministry, discover one's giftedness for ministry and ways in which to fulfill the call.

There are other spiritual encounters that have been helpful to persons defining a call to ministry. Disciple Bible Study and Emmaus Walk events have awakened and provided opportunities to hear and respond to God's call in one's life.

The Committee on Enlistment encourages all pastors and committed laity to assist God in facilitating the process of discovery. To assist those whom Christ has called into His service is a high and holy commitment.

## ITINERANT CLERGY MOVING EXPENSE, COMMITTEE ON EFFECTIVE DATE - JUNE 1, 2004

The Itinerant Clergy Moving Expense Committee met to study moving expense needs and policies.

The Committee makes the following recommendations.

- I. Eligibility
  - A. Pastors of local churches continuing under appointment to local churches within the Conference, district superintendents, and Conference ministerial staff whose salaries are paid from the Conference treasurer's office.
  - B. Pastors in section I.A. who become Conference Evangelists upon moving from an appointment to new residence. Their moving expense to return to any of the above categories will also be paid.
  - C. Pastors in section I.A. who retire from serving appointment or who assume approved incapacity leave or return into active service from approved incapacity leave.
  - D. Widows or widowers of clergy in section I.A. upon moving from place of appointment to new residence.
  - E. Pastors moving into an appointment in the North Carolina Conference to assume full-time or student appointments under section I.A.
  - F. Interim Supply pastors
  - G. Pastors being appointed to leave of absence are entitled to moving expense for one leave of absence.
  - H. Persons who are called to active military duty will be entitled to moving expense at the time of call up, if need be, and at the time of return, if need be, if not

covered by the military, with substantiation of the military orders.

- I. Persons moving who are not defined above will not be eligible to make claim.
- II. Payment of Claims
  - A. All reimbursements must be substantiated with paid receipts for actual moving expenses. All reimbursements must be for expenses which are deductible for income tax purposes according to Internal Revenue code, Section 217, non-taxable fringe benefits. Payment will be granted to all who are eligible to make claims as follows:
    1. Active itinerant clergy in section I.A., I.B., I.E., I.F., I.G. and I.H. (except retiring clergy, widows, widowers, and clergy couples) will receive reimbursement of costs up to \$1,500.00 with submission of paid receipts for actual moving expense.
    2. Retiring itinerant clergy, widows, or widowers will receive reimbursement of costs up to \$2,200.00 with submission of paid receipts for actual moving expenses. The retirement amount may be granted upon request when taking incapacity leave in lieu of receiving the retirement benefit at retirement.
    3. Itinerant clergy couples will receive reimbursement of costs up to \$1,750.00 with submission of paid receipts for actual moving expenses. If only one member of the clergy couple is re-appointed, section II.A.1. will apply.
  - B. Travel: Mileage is reimbursed at the standard IRS rate for moving expense deductions. This rate may be paid per mile per vehicle for a single trip to move each vehicle to the new residence. If a vehicle is used to move household goods, i.e., in lieu of a moving company, additional trips may be reimbursed as necessary. The per trip mileage will be computed from appointment to appointment, or from the Conference boundary to the appointment, or from the appointment to the residence/Conference boundary (in case of retirement), whichever is less. Either the mileage as described above or actual out of pocket expenses for gas, oil, etc, may be reimbursed from the Conference boundary.
  - C. IRS guidelines require that moving expense reimbursements be reported on a W-2. Based on recommendation from legal counsel and their consultations with the Internal Revenue Service, we recommend that the W-2 be issued by the local church. The Conference Treasurer will provide to the local church all moving expense information to be reported on the W-2. The Conference Treasurer will make payment to the new local church appointment. The new local church will pay the clergy and include the moving expense on the W-2 that they issue to the pastor at the end of the year. In absence of a new appointment, payment will be made to and reported by the old appointment. The Conference treasurer will make this payment as soon as the district superintendents have received the completed document, "So You're Moving" checklist properly signed along with all appropriate receipts to substantiate expenses. This will fulfill the 2000 *Discipline*, ¶2532.4, which states "The chairperson of the board of trustees or the chairperson of the parsonage committee, if one exists, the chairperson of the committee on pastor-parish relations, and the pastor shall make an annual review of the church-owned parsonage to ensure proper maintenance." Moving expense funds will be with held by the Conference treasurer if the district superintendent determines that the parsonage was inadequately cleaned or was damaged beyond normal wear and tear. If an inspection by the district superintendent and the pastor-parish relations committee or the parsonage committee reveals monetary needs for cleaning or repairs, or for having the fuel tank filled, the remaining balance of the moving expense due said pastor shall be made payable to the respective district to pay for needed cleaning or repairs. If the district superintendent or the moving pastor is NOT in agreement with said pastor-parish relations committee or the parsonage committee, the superintendent may request

the arbitration committee of the clergy living committee to inspect the parsonage involved and give an impartial recommendation.

- D. The Conference treasurer will make an advance payment up to \$600.00 to eligible itinerant clergy to cover the expense of deposit and fees for moving expenses prior to their move, upon approval by the district superintendent. Those receiving an advance must substantiate their expenditures, and any money that is left over shall be refunded to the Conference treasurer. All advance payments shall be included in W-2 information provided to the local church by the Conference Treasurer for inclusion on the W-2.
- E. No additional claim can be made against a local church, district, or the Conference for payment of moving expenses.
- F. Reimbursable expenses include the cost of boarding and moving domestic animals, the moving of recreational vehicles, boats, etc., moving household and personal goods, travel as defined in II.B., lodging, packing, crating, in-transit storage and insurance, labor costs, and any other expense necessary to physically move household items. Expenses which are not reimbursable include meals, purchase of household items, or any other item not reasonable or necessary for the move.
- G. The request for moving expense reimbursement must be received in the Treasurer's Office no later than four months following the date of the move.
- H. Reimbursement will be considered a qualified, non-taxable fringe benefit not subject to income and self-employment tax when:
  - Your move is 50 or more miles from the old appointment to the new appointment and
  - Your new appointment is full time for at least 39 weeks during the first 12 months at the new location.

If your appointment does not meet the above conditions, then the reimbursement will be reported as taxable for both income and employment tax. However, if your reimbursement is treated as taxable income, an additional stipend in the amount of 20% of the taxable income portion will be provided. The maximum stipend will be no more than 20% of the applicable limit stated in section II.A.

### III. Review Committee

- A. There will be a Review Committee consisting of two persons appointed by the chairperson of the Council on Finance and Administration, one district superintendent appointed by the Bishop, the Conference treasurer, and the director of Ministerial Relations and the chair of the Moving Expense Committee.
- B. The Review Committee will consider and have final authority over any questionable or disallowed claim or special claim beyond allowances set in the approved plan.

Carl Belcher, Chairperson

### LAYTY, COMMISSION ON

A Pastor/Lay Leader Training event, "Preparing God's People", was held on March 8, 2003 at Highland United Methodist Church in Raleigh and on March 9, 2003 at Jarvis Memorial United Methodist Church in Greenville. Christine Harman, Director of Discipleship Development in the Kentucky Conference, was the leader. The training covered a year-round process of spiritual leadership development; the process for identifying, developing, deploying, evaluating, and monitoring Christian spiritual leadership; new methods for helping disciples know and understand their spiritual gifts; the meaning of their gifts and their implications for gift-oriented ministry; using their gifts in the unique ministry that God has planned for them; training for gift counselors; and, re-encountering God's call for lay ministry. This training has now

been repeated in the Durham, Elizabeth City, Greenville, New Bern and Rocky Mount Districts. It is our hope every district will repeat this training. The Conference Board of Laity will provide the training. It is also our hope that this vital training is being implemented in all the local churches who participated. If your church was unable to participate, contact us at the email address or phone number below and we will try to help your church get started! Remember Jesus' call in The Great Commission. Our main focus should be to "make disciples" and using our spiritual gifts to the fullest is the best way to make this happen.!

Friday, June 11, 2004 at 4:00 p.m. the Laity Report will be an Order of the Day at Annual Conference. Following laity reports we will recognize the *Outstanding Lay Ministry of the Year*. Each district had the opportunity to submit a nominee and the ministry selected will receive \$1,000 grant from an Endowment Fund left by the late Roy Turnage, a former Conference Lay Leader. This year we will recognize two Outstanding Lay Ministries of the Year!

The 2004 Laity Banquet will be held on June 11, 2004 at 5:00 p.m. at Annual Conference. All lay persons are invited and they are encouraged to invite their pastors as well. Our speaker will be Bishop Marion Edwards, who has served as our Bishop for eight years. Bishop Edwards will be speaking on our theme, "*Partners in Ministry...All God's People—Singing the Song and Living the Life...*being doers of the word and not hearers only. This will be a night of celebration. We will have excellent food and end with a retirement cake for Bishop Edwards. We will have fantastic music from The Malpass Family from Goldsboro, The Sounds of Zion from Durham and Mighty Winds Jammers from Elizabeth City. This groups has been invited to sing at the 2004 General Conference in Pittsburgh. In addition, we will be celebrating the outstanding lay ministries going on in our conference. There will be displays by each of the District nominees for Outstanding Lay Ministry of the Year. Following the banquet, we will gather in the Auditorium for a celebration of Bishop Edwards ministry with us.

As we continue *Singing the Song and Living the Life*, the challenge is ever before us to continue to be creative in our ministry and to look for new and creative ways to be in ministry and mission for Him! This is my challenge to us all as I leave office as your Conference Lay Leader.

Sincere thanks for the wonderful support you have given me for the last four years. I know you will give this same support to the new Conference Lay Leader. My thoughts and prayers will be with you.

Jeanne Rouse, Conference Lay Leader

## MINISTERIAL EDUCATION FUND, COMMITTEE ON

The Ministerial Education Fund (MEF) is one of the most "unsung blessings" of our connectional support! In addition to being the underlying support to our seminaries, it provides invaluable support for the following ministries: Annual Conference Board of Ordained Ministry for programs they provide for clergy and diaconal ministers; scholarships for students studying for the ordained and diaconal ministry in the 13 outstanding United Methodist seminaries and in non-United Methodist seminaries approved by the Division of Ordained Ministry and taught by seminary professors and conference leaders throughout the United Methodist Church; Continuing Education; Course of Study Schools (more than 2,300 people are involved in 12 Course of Study Schools); research and special programs related to candidacy and enlistment; pastoral care initiatives; clergy women concerns; racial and ethnic concerns; spiritual formation; testing and evaluation; training of boards of ordained ministry; international theological education; jurisdictional block grants; supervision issues and Dempster Fellowships. All of these ministries are nurtured by money from the Ministerial Education Fund.

The general policies for the North Carolina Annual Conference's portion of the Ministerial Education Fund (25% of MEF apportionments) are set by the Board of Ordained Ministry. Brochures with guidelines and policies for the MEF scholarships are available from the Office of Ministerial Relations.

Some interesting facts regarding MEF are:

- Hundreds of millions of dollars have been? given by local congregations to the MEF since 1968.
- More than twenty-five percent (25%) of that amount from the MEF? has supported conference board services in each annual conference since 1970.
- MEF supports Duke Divinity School, which for over 78 years has prepared men and women for leadership in the church as clergy and laity.

Other institutions supported by Ministerial Education Funds are: Boston University School of Theology, Boston, MA; Candler School of Theology at Emory University, Atlanta, GA; The Theological School at Drew University, Madison, NJ; Iliff School of Theology, Denver, CO; Gammon Theological Seminary, Atlanta, GA; Garrett-Evangelical Theological Seminary, Evanston, IL; Methodist Theological School in Ohio, Delaware, OH; Perkins School of Theology at Southern Methodist University, Dallas, TX; Saint Paul School of Theology, Kansas City, MS; Claremont School of Theology, Claremont, CA; United Theological Seminary, Dayton, OH; Wesley Theological Seminary, Washington, DC.

## NORTH CAROLINA PASTORS' SCHOOL AND DUKE DIVINITY SCHOOL CONVOCATION

On October 13-15, 2003, 400 clergy gathered for the annual Convocation and Pastors' School at Duke Divinity School. The event focused on the theme "Forming Christian Disciples" and featured strong lectures, seminars and worship services. The James A. Gray Lectures were presented by Richard Lischer, James T. and Alice Mead Cleland Professor of Preaching at Duke Divinity School and author of *Open Secrets: A Memoir of Faith and Discovery* and *The Preacher King: Martin Luther King, Jr. and the Word that Moved America*. Christine Pohl, author of *Making Room: Hospitality as a Christian Tradition*, and Michael B. Curry, Episcopal Bishop of North Carolina, delivered the Franklin S. Hickman lectures. "Leading Beyond the Walls" was the keynote lecture by Adam Hamilton, founding pastor of The Church of the Resurrection in Leawood, Kansas.

George Mason of Wilshire Baptist Church in Dallas Texas served as the Convocation Preacher. Fifteen different continuing education seminars enrolled over three hundred pastors. The seminars included "Leadership and Discipleship: Cruciform Excellence in Ministry," "Teaching the Gospels," "Just War Thinking and Pacifism in the Christian Tradition," and "So What's Wrong with a Segregated Sabbath?"

The 2004 Convocation and Pastors' School will be held October 11-13, and will focus on the theme "The Art and Craft of Preaching." Well-known author and theologian Marva Dawn will serve as the James A. Gray lecturer. The Jameson Jones lectures will be presented by Thomas Long, Bandy Professor of Preaching at Candler School of Theology. Rev. Peter Gomes, Plummer Professor of Christian Morals and Pusey Minister in the Memorial Church at Harvard Divinity School, will serve as the Convocation Preacher.

A detailed brochure will be available from Duke Divinity School later this summer. Individuals are encouraged to contact the center for continuing education for more information ([www.divinity.duke.edu](http://www.divinity.duke.edu), email [div-conted@duke.edu](mailto:div-conted@duke.edu), phone 888-845-4216).

## OLDER ADULT MINISTRIES, COMMITTEE ON

The committee seeks to be the focal point for aging issues which impact the program and ministry of the local church and the Annual Conference as a whole. Our society is an aging society with more people over 65 living today than have existed to this point in time. Some 12 percent in the state of North Carolina, totaling over one million people and still growing, are over 65 years of age. The traditional ways of ministry to and with older adults are fast changing, in light of the very active younger older adults who are either working or seeking challenging ministry opportunity through the church. The new emphasis is on empowering older adults into ministry. Towards this goal, the committee has promoted the following services and learning programs:

1. The Conference Web Page now offers a link for Older Adult Ministry and it may be reached: <http://nccumc.org/nccef/OlderAdultMins.htm>
2. An Idea Bank will maintain a list of active ministries of local churches with older adults, which could be shared with the churches who are seeking older adult

ministry organization and programs in a local church. It would be a practical how-to-do program resource.

3. A Speaker's Bureau has been formed so the committee can offer churches a list of names of people who could speak on issues pertaining to Older Adults.
4. A Resource Library is being maintained in the Conference Audio-Visual Library for use by local churches.
5. The Norman T. Allers Academy on Older Adult Ministries is a certification program established by the Older Adult Association of the Southeastern Jurisdiction to provide training and credentials for those in older adult ministry. Clergy and lay persons are being encouraged to take advantage of this certification program.
6. To partner with other conference groups and agencies in the sponsorship of the education and training of clergy and lay persons in the spiritual development for the fourth quarter of life.
7. To raise the consciousness of how, where and why the church ought to be involved in ministry with, to and by older adults. Aging challenges the church in its ministry. Let us be involved in intentional ministry.

Daniel P. Jones, Chairperson

#### ORDAINED MINISTRY, BOARD OF

The North Carolina Conference Board of Ordained Ministry is pleased and privileged to present to the clergy session of the North Carolina Annual Conference our report for 2004.

Our Board is a strong, representative body from the clergy and laity of this Annual Conference wrestling constantly with its responsibilities outlined in The Book of Discipline 2000 (§632). These duties require the Board to exercise strong care in its examination of candidates for ordination in a way which is both fair and diligent. The Board also seeks always to encourage and sustain those in the process, and to provide resources for growth for those already involved with ministry to local churches and other places of mission.

To provide this report, your Board of Ordained Ministry members have given eleven (11) full days in meetings and interviews along with innumerable times for committee assignments. All of this is summarized in the names and recommendations found in this submission of our work for your approval.

The duties of the Board of Ordained Ministry include:

- 1) To assume the primary responsibility for the enlistment of ordained clergy, with due regard for the inclusive nature of the Church. It provides guidance for these persons in the process of education, training, and ordination.
- 2) To examine all applicants as to their fitness for ordained, commissioned, licensed, or consecrated ministry and their election as: a) Diaconal Ministers, b) Local Pastors, c) Associate Members, d) Probationary Members, and e) Full Members of the Annual Conference.
- 3) To interview and report recommendations concerning: a) Candidates for Commissioning b) Students to be appointed to attend school, c) Candidates for ordination as Deacon, and d) Candidates for ordination as Elder.
- 4) To interview applicants and make recommendations concerning changes in ministerial relationships: Leaves of Absence, Retirement,

- Sabbatical Leaves, Incapacity Leaves, Less-than-Full-time Appointments, and Readmission to, or the termination of, conference membership.
- 5) To provide support services for the ordained minister's career development, including personal and career counseling, continuing education, assistance in preparation for retirement, and matters pertaining to ministerial morale.
  - 6) To provide a means of evaluating the effectiveness of the clergy in the Annual Conference.
  - 7) To interpret the high ethical standards of ministry as set forth in The Book of Discipline 2000, and to study matters pertaining to character.
  - 8) To administer the portion of the Ministerial Education Fund for use by the Annual Conference.

Members of the North Carolina Conference Board of Ordained Ministry have worked faithfully to fulfill their duties.

This year we are pleased to report that (14) persons were elected to Probationary Membership and commissioned on the Elder Track; (4) persons were elected to Probationary Membership and commissioned on the Deacon Track; (3) persons were elected as Deacons in Associate Membership (under the 1992 Discipline); (1) person was elected for ordination as a Deacon in Full Connection; (5) persons were elected for ordination as Elders in Full Connection (moving from Probationary Membership and Deacon's Orders); (14) persons were elected for ordination as Elder in Full Connection (moving from Probationary Membership under the 2000 Discipline).

This year's retirement class includes (1) Deacon in Full Connection; (4) Members in Full Connection; (22) Members in Full Connection, ad interim, (since the 2003 Annual Conference); (1) Associate Member, ad interim; and (1) Full-time Local Pastor. We are deeply grateful for their love, commitment and service to the North Carolina Annual Conference. Many opportunities continue to open for persons in this field of service!

Please note that various committee reports follow this introduction and are significant for the various areas of concern they address. All of this material, as well as our supportive services during the year, have been provided through the Office of Ministerial Relations under the leadership of Dr. Paul L. Leeland, Robbie W. Barrett, and Linda L. Bourey. We are indebted to these individuals for their excellent work and dedication to the Ordained Ministry of our Annual Conference.

### **PASTORAL CARE, COMMITTEE ON**

Since 1971 the Committee on Pastoral Care has served the North Carolina Annual Conference by providing financial aid for confidential professional counseling and marriage and family enrichment. The Committee is comprised of five members from the Board of Ordained Ministry (one of whom serves as chairperson); one representative from the Conference Clergy Living Committee; one representative from the Clergy Partners Association; and one Pastoral Counselor. Funding for grants and expenses of the committee is included in the budget of the Board of Ordained Ministry and the awarding of grants is dependent upon the availability of funds.

Financial aid is available to both clergy and diaconal ministers and their families. The financial grants, of up to \$400.00 per family per calendar year, are provided to cover one-half of the cost of counseling sessions. Ministers under the NC Conference health insurance program should review the Health Care Benefits for outpatient psychiatric care. The coordination of insurance benefits and Pastoral Care Grants should not exceed 100% of fees charged.

### **MARRIAGE AND FAMILY ENRICHMENT**

The Committee on Pastoral Care encourages participation in marriage and family enrichment events, including those focusing on the needs of single, as well as married ministers. Grants up to \$100 per individual, or \$200. per family or couple, per

calendar year, are available. A schedule and/or outline of the events, leaders' names and credentials and verification of participation should accompany a letter of application for the grant.

#### ELIGIBILITY FOR FINANCIAL GRANTS

Persons who qualify for financial grants:

1. Clergy who are members of the NC Annual Conference whose status is active, retired or on leave in accordance with ¶¶ 351, 352 or 353 of The Book of Discipline 2000, OR any person, regardless of conference relationship, who is serving a local church of the NC Annual Conference, or a dependent.
2. Diaconal ministers, or candidates who are serving a local church, members of the NC Conference, and whose status is active, retired or on leave.
3. Grant eligibility continues for two years for persons who have terminated their relationship with The United Methodist Church, for surviving spouses of minister and for former spouses of eligible persons.

Conference clergy and diaconal ministers and their families are eligible for grants. A family is defined as dependents of the minister living in a ministers' home or parsonage, including spouse, children, parents and grandparents. Ministers' children through the age of 22, whether attending college or living at home, are eligible to receive financial grants.

#### COUNSELORS AND THERAPISTS WHO QUALIFY FOR FINANCIAL GRANTS

Only counselors and therapists who meet the following criteria qualify to receive grants from the Committee on Pastoral Care:

Psychiatrist: American Medical Association (AMA) Board Certification, North Carolina License;

Psychologist (Clinical): Licensed Practicing Psychologist, North Carolina License;

Pastoral Counselor: Member, Fellow or Diplomat of the American Association of Pastoral Counselors, Inc. (AAPC)

Counselor: Clinical Member of the American Association of Marriage and Family Therapists (AAMFT), North Carolina Certified Marriage and Family Therapists, North Carolina Licensed Professional Counselors (LPL)

Social Worker: Member Association of Certified Social Workers (ACSW)

#### APPLICATION PROCEDURE

The Counselor or therapist, at the request of the qualifying client who is receiving the counseling, is to make application for a grant to the Chairperson of the Committee on Pastoral Care in the following manner:

1. The counselor or therapist requests an application form and instructions from the Office of Ministerial Relations. This request should be addressed in care of the Office of Ministerial Relations, PO Box 10955, Raleigh, NC 27605.
2. Once the application and instructions for a Pastoral Care Grant are received by the counselor/therapist, and a determination is made that the client qualifies, the application should be completed and returned to the Chairperson of the Committee on Pastoral Care. To protect the confidentiality of the client, the client's name shall never appear on the application. When more than one member of the client's family is involved in counseling, all family members shall be assigned the same case number.
3. The counselor/therapist will receive the financial aid grant on behalf of the client to apply to the client's account or to refund to the client if the account has already been paid. Clients should request from the therapist a statement showing the amount of financial assistance received for the Pastoral Care Committee and should request the counselor/therapist to contact the Chairperson of Pastoral Care to negotiate an acceptable procedure if any

problems arise concerning the process. The client, not the Pastoral Care Committee, is responsible for all contracts, negotiated fees and payment of services that are provided.

4. The deadline for submitting grant applications is December 31<sup>st</sup> of the calendar year in which the services were provided.

#### 2003 REPORT

In 2003, the Committee on Pastoral Care granted \$8,985.77 for counseling sessions. This represents 301 sessions with counselors and therapists during the calendar year. Grants were processed for 38 client units during 2003. That represents 207 sessions for clergy, 36 for spouses; 14 for families; 35 for dependent children; 3 for cleric/spouse and 6 for other services. Of these 38 units, 12 received the 2003 maximum of \$400.00 in assistance.

#### PSYCHOLOGICAL TESTING AND BACKGROUND CHECKS, COMMITTEE ON

The Conference Board of Ordained Ministry evaluates all prospective and continuing candidates in accordance with requirements in *The Book of Discipline 2000*. Those seeking to enter ordained ministry or licensed ministry undergo a comprehensive evaluation. One component of the evaluation process involves psychological testing and background investigation, conducted under the direction of the Committee on Psychological Testing and Background Checks.

Psychological testing serves two purposes: (1) It provides the individual with valuable information, feedback and guidance related to psychological health and wholeness. (2) It provides the Board of Ordained Ministry with useful information as it evaluates prospective and continuing candidates to determine their fitness, potential, and promise for fruitful and effective service in ordained and/or licensed ministry.

Psychological evaluation services are being provided through a contract with Dr. Bert Lucas, a member of St. Luke United Methodist Church in Sanford, North Carolina. Bert has done an outstanding job this past year in providing this service, and the Committee is indebted to him for his guidance and counsel.

Expenses for psychological evaluations are borne by the Board of Ordained Ministry for those persons residing within the annual conference and for those transferring into the conference *when they are included with North Carolina Conference candidates for group testing*.

Background checks on prospective and continuing candidates are furnished through a contract with Kroll Background America, Inc. Each background check costs \$55.00 and the cost is borne by the applicant. The applicant is provided with a copy of their background check report once completed by Kroll.

The Committee on Psychological Testing and Background Checks is composed of the following persons: Brigitte Freeman Morris, Ray Wittman, Clyde Denny, David Wade, Paul Phillips, Jimmy Cummings, Sue Robertson.

Brigitte Freeman Morris, Chairperson

#### RESIDENCY IN ORDAINED MINISTRY, COMMITTEE ON

The North Carolina Conference Residency in Ordained Ministry (RIOM) program began in fulfillment of ¶417.3 of the 1984 *Discipline* requiring Annual Conferences to provide Counseling Elders for Probationers. Adjusting to changes in the mentoring process mandated by subsequent *Disciplines*, RIOM continues to provide an opportunity

for probationary members to grow and find support as they live and learn through this opportunity of concentrated focus and reflection on ministerial theology and practice. Nineteen years of experience with this program have demonstrated the great value in preparing probationers for Full Conference Membership.

Special thanks are offered to the Reverend Bob Wallace, an RIOM pioneer. Bob has developed a manual for Cluster Group Leaders which has provided invaluable information to our leaders, and brought order and consistency to this significant process. An emerging group of current and future Cluster Groups leaders can be directly attributed to Bob's servant heart.

The North Carolina Conference Board of Ordained Ministry uses a "Cluster Group Model" to meet the Disciplinary requirements for providing leadership and supervision for our probationary members. Probationers meet in small "cluster" groups throughout the probationary period. These groups are arranged, as often as possible, by geographical area in order to minimize travel time and facilitate greater fellowship. Cluster leaders are Elders who, by intention, are not members of the Board of Ordained Ministry. Recognizing that these cluster groups become an important source for collegiality and support, every effort is made to keep each participant in the same cluster, with the same leader, throughout the probationary period.

A candidate serving under the 2000 *Discipline* can complete his/her requirements for Deacon/or Elder in Full Connection within three (3) years by accepting a full-time appointment and participating in the RIOM process. *The Book of Discipline* provides a maximum time line of six (6) years to complete these requirements. Under this three-year probationary process, year one (Phase A) focuses on issues of Christian spirituality, while year two (Phase B) involves the shared exploration of the practice of ordained ministry. Year three (Phase C) is a time of preparation for written and oral interviews with the Conference Board of Ordained Ministry as candidates consider the Disciplinary questions for all who seek to come into Full Connection.

During the RIOM process, certain candidates may be required by the Board of Ordained Ministry to spend an additional year or more "continuing" the probationary process. A continuance does not mean the probationer has failed or that he/she does not have the gifts and grace for ministry. This continuance is better understood as an opportunity for the probationer to continue to grow in grace as they seek to answer God's call to ordained ministry.

The RIOM committee also sponsors events aimed at sharing information helpful to candidates in their probationary process. In the past, probationers have met for an overnight retreat. A resource person selected by the Committee has led the group in exploring issues such as call to ministry, spiritual formation and practical concerns of pastoral leadership in the local church.

In September of each year, Duke Divinity School sponsors a retreat for candidates who are preparing for *Full Connection* interviews in the coming year. This annual seminar is led by faculty from the Divinity School and focuses on theology, worship, and pastoral concerns. Though not mandatory, we strongly recommend this time of reflection for all who are planning to come before the Board for Full Connection interviews. As a part of this seminar, participants are given the opportunity to meet with representatives from the Board of Ordained Ministry's interview committees to discuss their preparations for the coming year and to address questions they may have.

The Residency in Ordained Ministry Committee would like to offer a word of sincere thanks to Bob Wallace, Mike Frese, Kong Namkung, Teresa Lawrence, Alan Swartz, Claire Clyburn, Jeff Arthurs, Stan Smith, Rich Greenway, Thomas Sweeley and Ken Hall, Jr. for their service as Cluster Group Leaders during the past year. These gifted servants have enabled our Annual Conference to offer candidates an enriching and worthwhile experience of growth and reflection. We, as a committee, are committed to helping candidates for Ordained Ministry in every way possible.

Won S. Namkoong, Chairperson

## SEXUAL ETHICS SUPPORT TEAM

The Board of Ordained Ministry was asked at the 1999 Annual Conference to implement a policy on professional sexual misconduct for the North Carolina Conference. Since this time the committee was organized and implemented the policy. The present committee is comprised of the following members: Tom Holtsclaw, Doris Fox, T.R. Miller, Charles Astrike and Cynthia Powell.

The committee continued the training of sexual ethics support teams, persons available if the bishop wishes to deploy them to support persons who bring a complaint of sexual misconduct, to support persons against whom such complaints are made, and to support congregations which might be impacted by such circumstances. The careful training, coordinated by Mary Jane Wilson-Parsons, has prepared nine persons to serve as support team members.

In response to the request of the Board of Ordained Ministry in 2000, Bishop Edwards has appointed The Reverend Mary Jane Wilson-Parsons to a less-than-full-time extension ministry as Coordinator of the Sexual Ethics Concerns. Her responsibilities include: 1) Design and implement training for SEST; 2) Make recommendations to and serve on the subcommittee of the Board of Ordained Ministry as a consultant and advisor to policy decisions; 3) Coordinate each SEST response, providing supervision to team members as needed; 4) Be available to consult with the bishop or members of the Cabinet regarding any instance of alleged clergy misconduct; 5) Provide outreach and education to members of the conference regarding the Sexual Ethics Policy and the role of the response team; 6) Be responsible for staffing the toll-free Clergy Ethics Hotline. This ministry began July 1, 2000, and is funded by the Board of Ordained Ministry.

Moral responsibility underlines the importance of our attention to this area of our life together. The sub-committee invites you to review the Sexual Ethics Policy (pgs. 248-250 of *The Journal* 1999 – note: will be reprinted in 2003 journal). The policy is also available on disk from the Conference Secretary's Office. Awareness of and fulfillment of that policy will strengthen our covenant and will offer new avenues for grace in our lives.

Thomas G. Holtsclaw, Chairperson

## WORSHIP, COMMISSION ON

The Committee on Worship is working in concert with all the major meetings, programs and events scheduled for this Annual Conference. One of our goals is to evaluate our contributions to the Annual Conference and make recommendations carefully after each Annual Conference to maintain tradition, newness and freshness to the times. It is our purpose to web these new changes annually, but not changes in or on our beliefs and practices following Christ.

The Committee is excited this time of year, because of the great preparation for Annual Conference and for the opportunities to serve the people called Methodist. We are proud to be there for all who attend each year. Introspect the Committee responsibilities are never ending, because at each meeting, program, or event, we who are called, "Methodist" begins with worship. Worship is an important mixture of the air we breathe daily in our personal life and others as we engage in the walk with Christ.

The Committee on Worship continues to implement new songs to the Conference through Hymn Sing. The concept of worship and old time fashion hymn singing still lives and is being spread throughout this Conference in and by many resources. We have worked after careful considerations to produce several events of singing since the last Annual Conference.

The Committee has worked in diverse aspects with the North Carolina Conference to strengthen and spread these major events across the land. It is the spirit of this collective body of men and women in the committee that a "Hymn Sing" was initiated to continue to share the great new book "The Faithful We Sing." The demo-

graphic of the total North Carolina Conference was planned to be inclusive for these events. Therefore, with the approval of the Committee on Worship, Dr. Charles Smith, Bishop Edwards and District Superintendents these areas were targeted for the four Hymn Sings. First, Raleigh District hosted a Hymn Sing. Next, Fayetteville District hosted the second Hymn Sing. The third Hymn Sing was hosted by the Elizabeth City District. The final Hymn Sing will be hosted by the Rocky Mount District. The labor that went into and will go into the last hymn sing involved a great deal of preparation, patience and faith, but with fortitude and diligent effort they will be successful.

The past several years the Committee on Worship has been addressing the issue of early Morning Worship because of the rich legacy. The logistics of the auditorium and coliseum has not rendered a feasible audible room for early Morning Worship. However, it is our goal to have a reasonable size tent outside of the auditorium for the early Morning Worship services during the week of Annual Conference. The Committee solicits your time and effort to make this a success and to keep the tradition of early Morning Worship alive and well.

### UNITED METHODIST YOUTH

“The Long and Winding Road” is the theme for the year 2004 in Conference youth ministry. Matthew 7:13-14 in The Message says “Don’t look for shortcuts to God. The market is flooded with surefire, easygoing formulas for a successful life that can be practiced in your spare time. Don’t fall for that stuff, even though crowds of people do. The way to life – to God! – is vigorous and requires total attention.” This theme is also expressed in the mission statement of Conference youth ministry: *to walk with youth in their journey to know Christ by creating an environment in which youth can experience Christian communion to hear the Gospel, to know God’s love and to respond in faith by loving and serving others...for in all of this we are making disciples of Jesus Christ.* Through local church youth ministry with a variety of faces and programs and service projects; through districts offering opportunities for youth; with about 8000 youth and adults participating in Conference youth events; and with an Episcopal Initiative that calls the church to reach out and meet the needs of young people we are indeed rejoicing in an exciting journey!

Youth (and adults) from across the Conference have participated in ten events over the year: Confirmation Celebration, PK Getaway, Global Vision, Kaleidoscope, Rally Day, Appalachian Trail Hike, Summer Breakaway, ACS-Annual Conference Session for Youth, Youth Mission Workteam and Pilgrimage. The Confirmation Celebration offers an experience of the connectional church to those in confirmation classes from local churches. PK Getaway is a retreat weekend offered exclusively for the teenage children of pastors in the Conference (held every other year in even number years). Global Vision included a visit to Washington DC and New York City with a seminar to explore issues around the HIV/AIDS pandemic. Kaleidoscope is a Conference youth event that offers a spiritual life retreat for middle school youth. Rally Day was a bright and sunny spring afternoon that celebrated the place of youth within the life of the church. The Appalachian Trail Hike proved to be a mountaintop experience of God for those involved. Summer Breakaway and ACS offered times of worship and sharing experiences of fellowship and faith in small and large groups. Our youth mission workteam returns to Costa Rica providing an avenue for Christian service. Pilgrimage (with 6000 in attendance-setting another record) in the Crown Coliseum with moving messages of invitation to Christian discipleship from Rodger Nishioka and music by Adam Seate and our own NC Conference youth will be a

Pilgrimage not soon forgotten. In addition to these events, Exploration is an event offered with the Western NC Conference for senior high youth and college age young adults exploring Christian vocation and a call to ministry (held every other year on the odd number years).

Youth Service Fund continues to be an avenue of mission for United Methodist Youth. Grants to such ministries with youth as Conduit Day Camp, "Super Saturday" at Trinity UMC in Rockingham, Highland Service Project, BMCR Focus on Youth Initiative, Networks Basketball Camp-Asbury UMC Raleigh, Trinity UMC-Wilmington child care center, Positive Attitude Youth Center in Burlington, Seeds of Peace in New York, Jubilee Project in Tennessee, Community Organic Gardens in Mississippi, and the Society of St Andrew program Harvest of Hope are possible only in as much as local churches support and contribute to Youth Service Fund. Youth Service Fund is money raised by youth and spent by youth to benefit youth. While the contributions to YSF at Conference youth events are very good, more support from local churches is needed to reach our goal of \$15000 a year.

We rejoice in the vision that local church youth ministries are living toward in areas of mission, service, study, outreach, fellowship and spiritual growth. We celebrate and give thanks to the Annual Conference and all the people within local churches giving support and encouragement to youth ministry. We pray for God's guidance and blessing as we seek to find and live with Jesus in our lives.

Ben Adams, President

## RESOURCE MINISTRIES CIRCLE

### TRUSTEES, CONFERENCE BOARD OF

The Board of Trustees of the Annual Conference is charged with responsibilities vital to the mission and ministry of the Conference as defined in paragraphs 2512-2516 of the Book of Discipline. These include holding legal title and managing Conference property; receiving and holding bequests and donations; receiving and managing closed or abandoned churches and other property; recommending action to the Annual Conference regarding sale, lease or acquisition of property to serve the Conference interests and mission; and intervening to protect Annual Conference interests.

### THE UNITED METHODIST BUILDING RE-LOCATION

For the past five years, the Trustees have been engaged in a process of discernment as to whether it is possible to re-locate of the Conference headquarters into a new and more useable building, easily accessible to the entire Conference. Last year, as reported to the Annual Conference, the Board of Trustees proceeded with the purchase of the Greenfield Park property in east Raleigh. This was done in July, 2002, at a cost of \$1,000,000.

The Board of Trustees recognizes that the property on Glenwood Avenue, the present site of the United Methodist Building, is a valuable asset which would be a necessary part of any plan to re-locate the Conference Headquarters. We have relied on the advice of our consultant, who recommended that we wait until there was a change in the national economy and the local real estate market before moving forward with plans for a new building to present to the Annual Conference. In the meantime, the Trustees had been assured of the wisdom of the investment made in the Greenfield Park property. Details of this property may be found in last year's Trustees' report.

The goal of the trustees is to obtain a building suitable to the needs of the Conference and its staff without engaging in a major capital campaign or encumbering

the Annual Conference with debt service. This implies utilizing the major assets we have, such as the property on Glenwood Avenue, Raleigh, to best advantage. At some point, the Trustees will be prepared to present a plan that will seek permission from the Conference to either sell the site on Glenwood or use its value to make possible a move to Greenfield.

In light of the current weak economy and soft office market, our progress in moving forward with the planning and ultimate construction of a new building in Greenfield has slowed. Our consultants tell us that the office market is weak throughout the Triangle. The good news is that our headquarters building has remained fully occupied with rent paying tenants and we are maximizing our cash flow. We will continue to analyze the disposition of the existing building. We have determined that a sale of the building, given the current market conditions and the economy may come to a point in the future where the Trustees will be ready to make a proposal to the Annual Conference.

#### **CLOSED CHURCHES**

During the course of the year, we have sold closed church sites, the Flint Ridge Church, Chatham County, in the Burlington District. This property was sold for \$6,000 and the assets were made available to the Trustees of that District to use in church extension or other related projects.

Assets of the closed Hope United Methodist Church Cemetery Fund, Bonlee, North Carolina, have been invested in the United Methodist Foundation to provide assistance with the maintenance of that burial site in the town of Bonlee. **\*See page 139.**

#### **CONFERENCE PARSONAGES**

Two additional staff parsonages were sold during the course of the past Conference year. The parsonage on Spiney Ridge Ct. was sold for \$218,000 and the one on Cartwright Dr. was sold for \$270,000. After very careful study over the past two years, the Trustees concluded it is less expensive to provide housing allowances for Conference staff than to maintain parsonages.

The proceeds from the sale of staff parsonages were invested in our parsonage account, which now totals some one million dollars. The earnings on this account offset the cost of housing allowances and provide a source of funding should the

Conference decide to provide parsonages for staff in the future. Currently, the Board of Trustees is managing the United Methodist Building on Glenwood Ave. and the Episcopal residence.

#### **FREDERICK AND CLOSS PEACE WARDLAW BEQUEST**

In August of 2002, the Trustees were notified of a bequest to be received from the estate of Frederick and Closs Peace Wardlaw in the form of some fourteen acres with dwelling on the Virginia shoreline of Kerr Lake. This was left for the purpose of providing a retreat or renewal location for clergy of the Conference. Extensive investigation has been conducted over the past year related to regulations, zoning and potential usages with local authorities and the Corps of Engineers. The Trustees concluded with concurrence of the trustees of the estate that the best course was disposition of the property and making an investment to be used at a later time that honors the testamentary language and the intent of the original bequest.

he Trustees negotiated a sale for the Wardlaw Property for \$500,000. On December 15, 2003, the "Point of View" Estate was sold to an adjoining property owner. The Trustees have purchased a lot in a gated community, Somerset Plantation, near Williamsboro, NC. This prime site is waterfront property that would be suitable for the building of a house that could be used as a retreat site for United Methodist clergy.

## BOARD OF TRUSTEES

The Conference Board of Trustees seeks to be faithful stewards of the assets of the NC Conference. We welcome the suggestions, ideas and input of every person in this Conference. We thank you for your faithful support of the work of the Conference and seek your prayers for the work that is given to us.

William C. Simpson, Jr., President

## CONFERENCE STAFF RELATIONS, COMMITTEE ON

This committee is a part of the Resource Ministries Circle and serves similarly to a Pastor/Parish Relations Committee in a local church. Regular meetings, as well as called meetings, are held throughout the year to confer and counsel with staff members and to set compensation levels upon recommendation of supervisory personnel for employees that are not already set by Annual Conference.

This nine-member committee includes four laity and five clergy, two of who are district superintendents. Ex officio members without vote are the Bishop, Conference Lay Leader, CFA President, Executive Director of Conference Connectional Ministries, Assistant to the Bishop/Director of Ministerial Relations, Conference Treasurer and Business Manager, Conference Secretary, and United Methodist Foundation Director.

The committee approved a 3% salary increase for Conference staff other than Cabinet level for 2004 and requested that the Bishop and Cabinet reappoint The Reverend Charles Michael Smith as the Executive Director of Conference Connectional Ministries. A Staff Appreciation Luncheon was held on March 26 to help express the deep appreciation of the committee and the Annual Conference for our dedicated staff.

L. Merritt Jones, Chairperson

## EQUITABLE COMPENSATION, COMMISSION ON

The *Book of Discipline* mandates that “there shall be in each annual conference a **commission on equitable compensation**” (§623), whose purpose is “to support full-time clergy serving as pastors in the charges of the annual conference” (§623.2). Three broad areas of responsibility are outlined in §623.2, which are: “(a.) Recommending conference standards for pastoral support; (b.) administering funds to be used in base compensation supplementation; and (c.) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations.”

God calls persons to ministry to go into all the world, preaching, teaching and baptizing (Matthew 28:19), for without them the world would not have heard Christ preached (Romans 10:14). These are called to be stewards of the mysteries of God (1 Corinthians 4:1). The Church lifts up some persons for the role of clergy and ordains these persons to the work of pastoral ministry to be servants of the servants of God.

Those who are ordained to pastoral ministry answer affirmatively the historic question of John Wesley, (§327.17) “Are you determined to employ all your time in the work of God?” For such a called, set apart and committed clergy, the Church assumes an obligation to plan adequate support. The *Book of Discipline* is clear that “the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (§622.5; see also §246.12). Pastoral charges carry a responsibility for clergy salaries as one expression of their missional and ministry presences in the community. We recognize that such a missional presence also include faithful payment of apportionments in full as ministry beyond the local church.

The Commission seeks equity and fairness for both pastors and local churches. Why should this commission be so concerned about equity and fairness? Our prayerful consideration of scriptural and historical foundations are found in the following:

- a. Jesus says, “the laborer deserves to be paid,” (Luke 10:7) and Paul reminds us “Let the elders who rule well be considered worthy of compensation, especially those who labor in preaching and teaching; for the scripture says, “You shall not muzzle an ox while it is treading out the grain,” (1 Timothy 5:17,18).
- b. Wesley was concerned that clergy have responsibility not to be “in debt so as

to embarrass you in your work" (§327.18), which implies that the Church has a responsibility that it neither lead its clergy into positions of embarrassing indebtedness, nor leave them there.

- c. The Great Commission to "go into all the world preaching, teaching and baptizing" brings with it a cost. Systems of clergy support which foster the use of the right pastor in the right place, hold up the hope of seeing the Great Commission bear its promised fruit.
- d. The Commission on Equitable Compensation embraces the Great Commandment to "love our neighbors as we love ourselves" by desiring for each pastor what our members desire for themselves – compensation adequate to free persons for the work of pastoral ministry.

Through our prayers, working and considering together as both laity and clergy from across The N.C. Annual Conference, we make the following recommendations, which we believe will help us move toward fairness for both local churches and pastors as together we support ordained ministry in The N.C. Annual Conference.

For the year 2004, the average full-time salary increase was approximately 4.6%. The Commission currently recommends a 4.5% increase for the year 2005. Our recommendation is based on several factors: (1) the average compensation from other conferences; (2) it more closely reflects the majority of salary increases for this conference; (3) shows concern for general economic trends.

I. Recommended Schedule of Minimum Compensation for 2005:

A. Salary Schedule

We recommend that the *student minimum salary* be based on 65% of the minimum salary of full-time pastors.

<b>PASTORS UNDER FULL-TIME APPOINTMENT</b>	<b>2004</b>	<b>2005</b>
(Full Connection, Associate, Probationary, Local Pastor)		
Salary .....	\$33,000.00	\$34,500.00
Utilities .....	<u>2,000.00</u>	<u>2,100.00</u>
TOTAL .....	\$35,000.00	\$36,600.00

**STUDENT PASTORS (Local Pastors or Conference Members)**

Salary .....	\$21,450.00	22,425.00
Utilities .....	<u>2,000.00</u>	<u>2,100.00</u>
TOTAL .....	\$23,450.00	\$24,525.00

B. Travel Expense

Although travel is reimbursed by the local charge as an item of pastoral expense, it is expected that *each local charge would provide at least \$3,000 for travel expense*. The Commission encourages each charge to establish a plan to reimburse the pastor for all legitimate business mileage at the current rate established by the IRS. Where such a plan is established for reimbursement of business mileage, equitable compensation support shall not be affected by payment of travel expenses. However, where a reimbursement plan is not implemented and a travel allowance is given, *any travel allowance in excess of \$3,000 will result in a reduction of equitable compensation support*.

C. Pension Program

Charges receiving Equitable Compensation Funds support are responsible for paying the total amount required for the Ministerial Pension Plan (MPP) and the Comprehensive Protection Plan (CPP) based on the pastor's cash base compensation (including funds from the Equitable Compensation Fund, Duke Endowment, and any other sources), and housing (percentage of cash base compensation designated by the General Board of Pension/Health Benefits or housing allowance, if provided in lieu of a parsonage). Cash base

compensation plus housing in Plan Compensation.

II. Principles Governing the Use of Equitable Compensation Funds:

The pastor's base compensation is the responsibility of the charge; therefore, the each charge of The North Carolina Annual Conference should be so arranged as to be able to assume full salary support. The Commission urges each charge receiving Equitable Compensation Funds, its pastor, and the district superintendent responsible for that charge, to administer the affairs of that charge to the end that it may move as rapidly as possible toward total self-support. To enable the Annual Conference, the Commission and the district superintendents to carry on their cooperative efforts in understanding, in harmony and for the greatest good for all concerned, the following principles and procedures are set forth:

- A. In considering the base compensation for the charge, all income, including base compensation, bonuses, and other benefits not specifically excluded, are included as base compensation in determining appropriations from the Equitable Compensation Fund. Base compensation support for retired supply, interim supply, part-time local pastors, less than full-time conference members, or associate pastors in other than larger parish arrangement of churches will not be available.
- B. Charges must be so arranged that no more than one third (1/3) of the total base compensation will come from the Equitable Compensation Fund on the first application of the charge. Charges seeking more than one third (1/3) supplement shall provide specific information with their application, indicating the reasons for their inability to meet these guidelines. Information shall be made available to the Commission on Equitable Compensation and the district superintendent regarding the terms of Equitable Compensation support, giving the date of its inception and the present amount of support being received by the respective charges.

When the division of a charge is desired, Equitable Compensation funds will be used only upon the recommendation of the Bishop and the approval of the cabinet. In the division of a charge in which one church seeks to become a station, it is recommended that such a church shall assume total responsibility for base compensation and its proportionate share of all apportionments.

1. The remainder of the charge in such a division assumes full pastoral support and proportionate share of all apportionments. In no case will the Commission on Equitable Compensation provide more than one third (1/3) of the base compensation required for such a division.
2. When there is a division of a charge forming one or more student appointments, each newly created charge shall pay initially two thirds (2/3) of the pastoral support established by the division.
- C. Churches receiving Equitable Compensation Funds shall conduct an annual financial/stewardship campaign in the second year of receiving Equitable Compensation funds, to accurately gauge the level of financial support the local church can reasonably expect from its members.
- D. The Commission further recommends that each charge which is receiving, or shall hereafter receive, Equitable Compensation Fund assistance, shall reduce this aid by at least ten percent (10%) each year until the charge has achieved full self-support in ten years. The Commission wants to be clear at this point that its intent in this recommendation is that *charge will accept in full whatever increases are made in the minimum base compensation for their pastor each year and receive ten percent (10%) less each year in assistance from Equitable Compensation Funds than granted the previous year.*
- E. Any Equitable Compensation Fund supplement will be terminated immediately upon information that the pastor has taken full-time, secular employment. The supplement may be reinstated at the time the charges appointed pastor returns to full-time or student status. Exceptions to this provision will

be permitted only by the approval of the executive committee of the Commission on Equitable Compensation upon the recommendation of the district superintendent of the pastor seeking to be employed outside their ministerial responsibilities for emergency reasons.

- F. Equitable Compensation Funds are to be sent to charges that have applied for their use to provide their pastor with the minimum base compensation established by the Annual Conference. The monthly base compensation supplement checks sent by the Conference Treasurer's office are to be deposited by the charge treasurer into the charge/church bank account. *Checks shall not be endorsed nor cashed by the pastor.*
  - G. Ethnic Minority and Women Ministers: Each ethnic minority or woman minister who is an associate member or a member in full connection of The N.C. Annual Conference, serving full time, and who, in the opinion of the cabinet is rendering unusually effective service, will receive an incremental increase of \$200 per service year, not to exceed \$2,000 per year, for ten years of full-time service, when such clergy person's salary and utilities are equal to the Conference minimum base compensation. Said incremental increase is to administered by the Commission on Equitable Compensation upon the recommendation of the cabinet, approval by the charge conference, and the district superintendent. Further, the local church shall be responsible for all MPP and CPP payments on incremental increase. This policy does not restrict the Commission on Compensation, upon the recommendation of the cabinet, from making additional grants in extraordinary circumstances.
  - H. Churches or charges applying for Equitable Compensation Funds shall submit a request on the appropriate form, supplied by the district superintendent. The pastor, recording secretary of the charge conference, and the district superintendent, shall carefully analyze the request. The application form must have the signatures of the pastor, recording secretary of the charge conference, and the district superintendent affixed to it, and receive the approval of the charge conference.
  - I. The Commission on Equitable Compensation will not fund any charge that is also receiving funds from The Emerging Church Salary Fund. The Commission on Equitable Compensation plans further consultation and study with other Conference boards and agencies to seek ways to more adequately provide for the temporal needs of our pastors and churches.
- III. The Commission reports that 22 charges received a total of \$130,915.00 in compensation assistance in the year 2003.

## FINANCE AND ADMINISTRATION, COUNCIL ON

### III. FINANCIAL POLICIES

The United Methodist Church is a connectional church, and all local churches participate in the mission and service giving of the larger church. The outreach and mission giving opportunities of the Connection are distributed to the churches of the NC Conference by means of a formula based on the financial performance in each local church. Every effort is made to develop a computation which is shared with fairness by all. Church leaders are encouraged to interpret the work of the Connection so that each congregation understands these funds to be a necessary extension of the ministry and mission of the church beyond its local organization.

#### A. APPORTIONMENTS:

1. The funds to be apportioned are:  
World Service and Connectional Ministries  
Past Service Liability - Pensions  
Episcopal Fund  
Interdenominational Cooperation Fund  
Black College Fund  
Africa University Fund
2. Formula: The Apportionments for each year shall be based on the average of the total monies disbursed by each church in the four years immediately previous to the apportionment year less the approved exclusions each year, or on the most recent year less the approved exclusions, whichever is lower. The change in unadjusted apportionments from the previous year shall not increase or decrease in excess of 15%. The exclusions are: Payments on World Service and Connectional Ministries, Past Service Liability – Pensions, Episcopal Fund, and all other apportionments; district work fund; principal and interest on indebtedness; buildings and improvements; 50% of property insurance; local benevolences paid directly by the local church; General and Conference Advance Specials; Ten Dollar Club; up to \$4,500 for travel paid by a charge for each pastor; United Methodist Student Day; Human Relations Day; Peace and Justice Sunday; Native American Awareness Sunday; One Great Hour of Sharing; World Communion Sunday; UMW Funds sent to district or conference treasurer; housing allowance paid in lieu of furnished parsonage to a minister serving under Episcopal appointment in a charge of the Conference; offerings taken for disasters as designated by the Disaster Response Committee and the Resident Bishop.
3. Effective July 1, 2004, new congregations shall be assigned an apportionment beginning in the year in which the church is chartered (Year A in the following table). The new and projected charter dates for all new churches shall be reported annually by the Office of Congregational Development to the Treasurer's Office immediately following Annual Conference. The amount to be apportioned shall be a percentage of the apportionment as computed on the standard formula described in III.A.2 above. Because this formula results in a lower apportionment for a longer period than earlier new church formulas, no adjustment will be allowed to the apportionment computed as shown in the following table:

Year	Percent	Base Year Net Disbursement Formula	Maximum %Change
A	0%	None	None
B	60%	$= (4A)/4$	None
C	65%	$= ((3A)+B)/4$	None
D	70%	$= ((2A)+B+C)/4$	None
E	75%	$= (A+B+C+D)/4$	None
F	80%	$= (B+C+D+E)/4$	None
G	85%	$= (C+D+E+F)/4$	None
H	90%	$= (D+E+F+G)/4$	None
I	95%	$= (E+F+G+H)/4$	None
J	100%	$= (F+G+H+I)/4$	None

4. Apportionments to the churches shall be made by the Council on Finance and Administration (CFA) based on the current formula. Each cause shall be paid proportionately out of the income from funds received up to the amount fixed by the Annual Conference. In the event receipts shall fall short, all items shall be paid pro-rata. In the light of possible unforeseen and emergency need within the Annual Conference, the CFA is authorized to make supplementary appropriations between sessions of the Annual Conference. Such supplementary appropriations shall be made only from available undesignated funds and shall be reported in the Conference *Journal* for purposes of information.
5. Apportionments will be delivered from the treasurer's office to the district superintendents by July 16, 2004.
- B. The following special offerings shall be taken in each local church and remitted to the Conference treasurer as separate items. They are not to be included in the Apportionments: United Methodist Student Day, Human Relations Day, Peace with Justice Sunday, Native American Awareness Sunday, One Great Hour of Sharing, and World Communion Sunday.
- C. No Conference agency's budget shall incorporate funds to be appropriated to a non-conference agency, without specific approval of CFA. All funds granted to a non-conference agency must be spent consistent with the Social Principles of The United Methodist Church.
- D. No transfer of funds shall be made from one line item in the Conference Budget to another.
- E. All General Church Funds (World Service, Episcopal, Ministerial Education, Black Colleges, Africa University, Interdenominational Cooperation, General Administration) and College Sustaining Fund, Higher Education Endowment, Past Service Liability Fund, Jurisdictional Conference, and Methodist Building Routine and Capital Maintenance Funds will be raised and paid out in the same year. All other funds will be raised and paid out in the subsequent year on a schedule determined by the CFA.
- F. Investment Policy: The investment of the funds of the conference shall be such that funds available for mission are maximized in a manner consistent with the preservation of capital and with the Social Principles of The United Methodist Church. Investments are with the United Methodist Foundation, Inc. (local), the United Methodist Church Foundation (national), area banks, and with specific minority financial institutions within the bounds of the NC Conference. Investments of funds reserved for use in the next budget year

shall be invested 50% fixed income investments and 50% equity investments. The Conference is also a member of Project Equality.

- G. Monies paid by the churches shall be reported to the statistician by the pastors at the end of the year on the Table II, Financial Report. The Table I and Table II reports for 2004 shall be due to the statistician no later than January 31, 2005.
- H. The Council may enact its own bylaws governing meetings, quorum, and other matters of procedure as authorized in the *Discipline*, ¶ 610.5.b.
- I. The Council shall maintain a central treasury for all Conference agencies as authorized by ¶ 611.11 of the *Discipline*, and the 1953 session of the Annual Conference. Annual Conference boards and agencies, including those separately incorporated, are required to maintain their funds on deposit in the central treasury unless exempted by the Annual Conference or the *Discipline*. Exemptions are granted to the Methodist Home for Children, the Methodist Retirement Homes, the Colleges, the United Methodist Foundation, Inc., Board of Missions, Inc., Asbury Homes and North Carolina United Methodist Commission on Outdoor and Camping Ministries, Inc..
- J. All new programs or entities which would not be funded by an existing approved budget shall be referred to the CFA for review of budget needs and supplemental funds available prior to approval by Annual Conference. If the item is approved, the next year's budget shall be amended to include the necessary funds based on the CFA recommendation.

#### **IV. Approval to Solicit Funds**

Any organization designated as a Conference Advance Special may ask local churches to consider opportunities for giving. It shall be at the discretion of the local church as to whether, when and how these opportunities will be presented to the membership. Solicitation or private campaign may not be taken directly into local churches of the Conference through solicitation in classes or other groups or by the use of membership lists (either partial or in entirety).

Approval is given to the requests of the following agencies and programs for the privilege of soliciting funds under these policies throughout the District or Conference.

- A. Christmas Offering for District programs and/or projects.
- B. The Commission on Congregational Development for the promotion of the Church Extension Ten Dollar Club and the John Wesley Endowment for Congregational Development.
- C. The Board of Directors for Outdoor and Camping Ministries, Inc. to solicit from church groups and individuals, materials and money for specific projects for the four camps of the North Carolina Conference.
- D. The State Commission on Campus Ministry for the privilege of private solicitation for special gifts for the benefit of special works in the state-supported institutions of higher education.
- E. Methodist Retirement Homes, Incorporated; Methodist Home for Children; Louisburg College; Methodist College; North Carolina Wesleyan College; and Asbury Homes for the privilege of private solicitation and receipt of such funds as may be directed thereto.
- F. The United Methodist Foundation, Incorporated, as provided in its charter.
- G. The Disaster Response Committee upon joint decision of the committee and the Resident Bishop to respond to disasters within the bounds of the NC Annual Conference.

The CFA continues to recommend that 100% "Missional Service Giving" be the on-going priority. The Council also recommends that stewardship continue to be a missional focus, Conference priority.

#### **V. District Superintendent's Salary**

CFA continues to recommend, as sustained by the 1998 Annual Conference, that the

percentage change in district superintendents' salary be the same as the average percentage change in salary (salary and utilities) for the prior year for all full-time pastors serving local churches in the NC Annual Conference. **The percentage change, 2004 over 2003, is 4.6%; (\$1,500 or 4.5% increase for Equitable Compensation minimum salary.) We currently recommend the 2005 salary for district superintendents to increase by 4.5% (\$4,008), to \$93,084.00. Utilities for the district superintendent are paid by the district.**

#### **VI. Organization and Procedure (presented for information only)**

- A. The audit for 2004 will be by McGladrey & Pullen, Raleigh, NC.
- B. The president, vice-president, secretary, and treasurer of the CFA shall serve as the executive committee of the Council. The Council shall elect two additional members to the executive committee from its voting membership.
- C. The Conference treasurer will include in the monthly financial reports, for any given month, all monies received in the office by 8:30 a.m. on the 5th day of the following month, except when the 5th day falls on a weekend or holiday the report will include the funds received by 8:30 a.m. on the following workday.
- D. The treasurer may approve minor overexpenditures of a budget line item up to \$5,000 or 5% of the line item, whichever is less. A request for such overexpenditure shall be submitted in writing in advance and shall state the reason for the request. The overexpenditure will be reported to CFA and will be listed in the Conference Journal.
- E. Any Conference or non-conference agency which receives Conference funds in excess of \$1,000 shall submit, with any budget request, an annual detailed audited budget report of all receipts, disbursements and assets. A statement in effect that "All funds granted have been spent consistent with the social principles of The United Methodist Church" will be furnished to CFA upon submission of the audit. Such reports received may be reported in whole or in summary form in the Conference *Journal* and shall remain on file in the treasurer's office. An agency may be exempted (for just cause) from this reporting requirement by CFA. Note: CFA requests the Board of Institutions to provide regular reports (at least annually) regarding its financial monitoring of related institutions/programs.
- F. A carry-over of budgeted funds remaining (not including any supplemental appropriations) of up to 10% of the amount raised for the subsequent year will be allowed for Conference budget line items. Any carryover or portion thereof by this policy may be rescinded in any year in which funds are not available to meet basic ministry needs as determined by CFA.
- G. Funds appropriated to a board or agency must be spent in the calendar year of the appropriation unless otherwise allowed.
- H. Supplemental Appropriations: The Council will consider requests for supplemental appropriations in the following priority order:

##### *First Priority*

Salary and benefit items previously approved according to the policies of the Annual Conference or General Conference (i.e. Equitable Compensation Funds, staff salaries, etc.)

Programs authorized and mandated by the NC Annual Conference which are not included in the Annual Conference budget for that financial year.

Amounts required by the Past Service Funding Plan adopted jointly by the Board of Pensions and the CFA which are not raised by the Board of Pensions annual budget requests.

##### *Second Priority*

New creative programs to respond to emerging needs and to expand the mission of the Annual Conference which are not included in the Conference budget for that year. Such programs will be funded through supplemental appropriations only on a short-term basis.

Emergency needs and programs in the life of the boards and agencies of the 289

Annual Conference. The petitioning group shall make such requests in writing to the treasurer's office at least 15 working days before a scheduled CFA meeting.

*Third Priority*

Any other type of funding requests.

*Procedure for seeking supplemental appropriations:*

1. All requests for supplemental appropriations shall be made to the CFA President and/or the Conference Treasurer's office in writing at least 15 working days before a scheduled CFA meeting.
  2. The normal procedure for requests for supplemental appropriations will be a review by the CFA supplemental appropriations committee which will make a recommendation to the full Council.
  3. If an emergency request for supplemental appropriations is received between scheduled meetings, the CFA supplemental appropriations committee will consider the request and direct the Conference treasurer to forward it to the membership via mail with a recommendation for action.
- I. Interest shall be paid to/from the Board of Pensions, Insurance Fund, Blackburn Scholarship Fund, Camps Endowment for Maintenance, Church Extension Redevelopment, and Church Extension Salary Endowment funds using the rate of the conference interest bearing checking account, compounded monthly, on monthly average balances held by the Conference treasurer.
  - J. Retroactive adjustments for transfer or posting delays will be made to the Board of Pensions and the Insurance Fund accounts for earnings calculations.
  - K. Funds in excess of operational needs for the Board of Pensions and the Insurance fund are invested in the United Methodist Foundation, Inc. of the N.C. Conference.
  - L. In order to prevent a loss of funds due to investment risk, and in order to have funds available for emergency use, the goal of the Council is to maintain minimum reserve funds equal to 15% of the current operating budget for World Service and Connectional Ministries and the Past Service Liability. Supplemental appropriations from current year earnings shall follow the guidelines in paragraph H above. Supplemental appropriations beyond current year earnings shall follow the following guidelines: 1. If reserves are less than or equal to 20% of the current operating budget, then only supplements to meet payroll for existing positions may be considered. 2. If reserves are above 20% and below 30% of operating budget, then only supplements to meet payroll for existing positions and unfunded liabilities may be considered. 3. If reserves are equal to or greater than 30% of operating budget, then other requests may be considered. 4. No request may be considered if the amount requested would reduce reserves below 15% of operating budget.
  - M. Mailing address labels will be available for a nominal fee to conference agencies, clergy and lay members of Annual Conference or other United Methodists for church-related uses.
  - N. **CFA Meeting Schedule:** The executive committee meets at the call of the President. Scheduled meetings are:

## **INCAPACITY, JOINT COMMITTEE ON**

The Joint Committee on Incapacity acts as the advocate for those pastors in the North Carolina Conference who are forced by physical or emotional incapacity to seek temporary or permanent relief from their appointment. The committee is given the responsibility to study the problems of incapacity within the Conference, to provide a continuing personal ministry to those who are incapacitated, and to make recommendations to the appropriate agencies of the Conference for each pastor seeking Incapacity Leave, including the source of their disability income.

Persons interested in discovering more about the process of being granted Incapacity Leave can contact a district superintendent or the chair of the Joint Committee on Incapacity.

The following recommendations are presented to the **2004** session of the North Carolina Annual Conference:

1. The Joint Committee on Incapacity, through the Conference Treasurer's Office, will make available upon request the necessary forms for any pastor to make application for Incapacity Leave. In all cases the applications must be completed by the pastor, the physician, chair of Joint Committee on Incapacity, Conference benefits officer, and the district superintendent before the request for Incapacity Leave can be acted upon. Whenever possible incapacity requests are to be submitted ninety (90) days prior to Annual Conference except in life-threatening situations after that date, or when the disabling condition occurs after that date. Requests presented before May 15 will be included in the Committee's report to the Annual Conference.
2. Definition of Incapacity: For the first 24 months, an active participant will be considered incapacitated for the purposes of the Comprehensive Protection Plan and the Basic Protection Plan as of the date the Administrator determines on the basis of medical evidence that such active participant was unable to perform the usual and customary duties of his/her employment by reason of bodily injury, disease, or mental or emotional disease or disorder that will presumably last for at least six continuous months, exclusive of any incapacity resulting from service in the armed forces of any country, warfare, intentionally self-inflicted injury, or participation in any criminal or unlawful act.
3. A pastor seeking to be on Incapacity Leave secures a disability claim kit from the Office of Ministerial Relations. The applicant completes Form A, has his or her physician complete Form B, completes the applicant's portion of Form C, and submits all these forms to the Office of Ministerial Relations for completion. Disability Management Alternatives reviews the claim and recommends a determination to the General Board of Pension and Health Benefits who retains the authority to approve or deny a claim.
4. We recommend that pastors applying for Incapacity Leave be approved when the General Board of Pension and Health Benefits grants their request for incapacity benefits through the Comprehensive Protection Plan.

A. Group

1. The Insurance Committee will mail the proposed benefits to the members immediately before each Annual Conference session. The committee considers the most current financial information that is available before adopting its recommendations.
2. Insurance companies who make inquiries, for the purpose of submitting proposals, will be notified of a \$200 processing fee. This fee will help cover the costs of preparation and processing of the information necessary for proposals.
3. A Health Fair will be sponsored by the Insurance Committee on a biannual basis. The Insurance Committee encourages everyone to take advantage of this service in 2004.
4. The Insurance Committee will donate \$1,000 for handicap camperships on an annual basis.
5. The Insurance Committee is to be made up of representatives from the following boards and agencies: 2-Board of Pensions; 1-Board of Pensions Chair; 2-Board of Ordained Ministry; 2-Joint Committee on Incapacity; 3-Lay Members appointed by the Commission on Laity; 5-At Large Members. The following members are without vote: 1-Conference Treasurer; 1- Controller; 1-Benefits Manager; 1-Director of Ministerial Relations; 1- Consultant. The representative should be elected at the organizational meeting of these boards and agencies. Once elected from its constituent groups at the beginning of each quadrennium, the Insurance Committee's membership will remain established for the remainder of that quadrennium.

B. Policy and Rules

1. Effective January 1, 2004, the North Carolina Conference offered a Preferred Provider health insurance plan administered by Blue Cross Blue Shield of North Carolina. Benefits will include health, dental, pharmacy, mental health, Medical Reimbursement Accounts, Dependent Care Accounts, and life insurance. Details may be obtained by contacting the Benefits Manager in the Treasurer's Office, 800-849-4433.
2. January 1, 2001 through December 31, 2003 the North Carolina Conference participated with the HealthFlex health insurance plan administered by the General Board of Pension and Health Benefits in Evanston, Illinois. Health, pharmacy, and dental benefits were

administered by Cigna. Mental health benefits were administered by United Behavioral Health. Additional benefits included Medical Reimbursement and Dependent Care Accounts. The deadline for filing claims with Healthflex was June 30, 2004

3. Coverage is not automatic. Completion of an enrollment form on a timely basis is required.
4. Open enrollment for insurance and annual election of benefits (Medical Reimbursement and Dependent Care Accounts) ends on November 30, for an effective date of the following January 1. A change of life circumstances (divorce, death, loss of spousal coverage) will allow a mid-year change. Participation in the Medical Reimbursement & Dependent Care accounts is contingent upon participation in the health insurance plan.
5. When there is a change of address, or a change in family status, it is the insured's responsibility to notify the Treasurer's Office within 30 days. The toll free number to the Methodist Building in Raleigh is 1-800-849-4433 where a staff persons continue to provide personal attention to insurance matters.
6. Effective January 1, 2004 health insurance for the subscriber may continue for 18 months after employment is terminated provided that full payment of the monthly premiums is made in advance. The continuation of life insurance beyond the termination of employment is not permitted by the life insurance carrier.
7. Adding new family members must be completed within 30 days of the qualifying event.
8. Participants applying at any time other than the initial enrollment period (thirty days from the date first eligible) would be subject to the one year pre-existing conditions clause. Submission of a valid Certificate of Insurance may eliminate or decrease this 12 month clause. The exception to this rule would be possible by a change in life status causing loss of coverage: divorce, death of spouse, loss of spouse's employment, reduction of hours regarding spouse's coverage.
9. Effective January 1, 2004 the Conference health insurance plan will be the primary carrier for active participants who continue to work past the Medicare eligibility age, and are enrolled in the Conference health plan.
10. Retired participants should sign up for Medicare parts A and B upon reaching the Medicare eligibility age. The Medicare Companion Plan is the only plan offered to retirees past this age. Medicare becomes the primary payer, with the Conference plan as secondary.
11. A participant must be covered in the Conference insurance for five consecutive and uninterrupted years immediately prior to retirement to retain health benefits after retirement. All participants enrolled on January 1, 2001 will be prorated under this rule.
12. Pre-Certification of all in-patient admissions is required. Effective January 1, 2004 call Blue Cross Blue Shield of NC at 800-214-4844. Mental Health benefits should be pre-certified through Magellan Behavioral Health at 800-359-2422
13. Denial of claims or incorrect processing of claims should be appealed through Blue Cross Blue Shield of NC. There are two levels of appeal.
14. Payment for the church's portion of the insurance programs must be made by the church/charge treasurer. Personal checks cannot be accepted due to IRS regulations governing Section 125 cafeteria plans. The personal portion of insurance premiums should be withheld from the participant's salary by the salary-paying unit on a pre-tax basis.

15. Premiums for health and life insurance may be paid in ADVANCE on a monthly, quarterly, semi-annual, or annual basis.
16. Lay persons or clergy on maternity/family medical leave may continue their insurance coverage, as long as the premiums are paid.
17. The Insurance Committee may terminate the coverage for non-payment of premiums. Insurance payments which are 60 days late (from the date of the bill) will result in termination of benefits. Termination will take place on the last day of the month in which the 60th day has occurred. Benefits may be reinstated without lapse in coverage if full payment is made within 30 days of the termination date. Thereafter, insurance coverage may be reinstated upon full payment and coverage will be effective the first day of the following month. The one-year waiting period for pre-existing conditions will apply to all reinstatements where a lapse in coverage occurs.
18. In case of termination of coverage, the church is responsible for the premium until the Treasurer's Office is notified in writing of such termination.

### III. Statement of Intent

The NC Annual Conference established a Group Health and Life Insurance Plan with the intent of providing coverage for the active and retired clergy. However, the Annual Conference reserves the right to terminate the health and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plan without the consent of individual participants.

### IV. Eligibility Policies

If you enroll in this program, you are eligible for your coverage to begin on the first day of the month following date of hire.

Health insurance and life insurance through the Conference groups will be available to the following:

- A. Clergy who are members in full connection of the Conference, probationary and commissioned probationary members, associate members, student local clergy, part-time local clergy, interim supplies (covered as lay employees) serving full time or part-time under appointment in:
  1. One of the churches or charges of the NC Conference.
  2. One of the institutions or agencies of this Conference receiving financial support from the Conference.
  3. An institution or agency established to provide a ministry or service provided that:
    - (a) Clergy shall elect in writing within 30 days after the appointment to continue the coverage. If the coverage is discontinued, a one-year waiting period for pre-existing conditions may apply before re-establishing the health insurance coverage.
    - (b) The Institution shall be responsible for payment of all health insurance premiums by the due date.
  4. Clergy eligible for life and health insurance through the Conference are entitled to these benefits.
- B. Clergy on Leave of Absence provided that a written request to continue the coverage shall be filed with the Conference treasurer within 30 days after the beginning of the leave of absence.
- C. Lay Employees:
  1. Each church/charge must apply for a group insurance contract with the Conference Treasurer's Office in order to offer insurance to eligible lay employees. An insurance administrator must be appointed at each church/charge to manage insurance policies dealing with lay staff. This contract may be obtained from the Conference Treasurer's Office. It is the responsibility of each local church/charge and its officers to be apprised of the parameters of the Conference insurance plan.

2. Each local church must have at least 75% participation of the eligible lay employees to participate in the Conference plan. Those churches who currently have less than 75% participation will be allowed to continue their current coverage of lay employees now under the Conference plan. Diaconal Ministers are not subject to this rule.
  3. The employee must work a minimum of 30 hours weekly and must be enrolled in the period specified for initial enrollment - this period being within 30 days of date first eligible, or be added as a late applicant.
  4. The Committee recommends that the church provide this benefit to lay employees with the same premium payment policy as recommended for clergy.
  5. All churches providing post-retirement benefits to lay employees will be billed in full for all premiums associated with retirement insurance benefits. The Annual Conference is not responsible for the premiums of local church retired lay staff.
- V. The Insurance Committee strives diligently to present the best possible health and life insurance coverage available to the North Carolina Annual Conference. Careful consideration is given to benefits and rates that are proposed each year.

**Report B - Recommendations for the Pension Program**

I. Past Service Liability

- A. Past service will continue to be paid on the defined benefit concept (per service year rate) for all service rendered to the North Carolina Conference through December 31, 1981. This plan will continue until all pastors with past service benefits and their surviving spouses are deceased.
- B. Goal of defined benefits (per service year rate) has been defined in the *Book of Discipline* ¶1506.22a for many years as 1% of the Conference Average Compensation. The 2005 CAC for the North Carolina Conference is \$57,248.
- C. The current rate is \$485 per service year. Participation in the new Ministerial Pension Plan requires that an Annual Conference increase its past service rate as the Conference Average Compensation increases, to at least 0.9% of the CAC to continue to participate fully in the new pension program. The unfunded liability as of January 1, 2005 at this rate is \$30,303,153 using explicit assumptions. Our current funding plan has used explicit assumptions since 1991. We propose that the past service rate beginning January 1, 2005 be increased to \$516 per service year, and that further increases will be presented to the Annual Conferences of the future as the Conference Average Compensation increases. This increase creates an unfunded liability under explicit assumptions of \$40,238,169.
- D. To increase any past service rate will always involve accepting an unfunded liability that must be satisfied by either a single cash payment, a series of planned payments, or a combination of both.
- E. The Annual Past Service Deposit required by the General Board of Pension and Health Benefit is \$2,959,000.00 and \$4,180,000 due December 31, 2004 and 2005 respectively. The amount needed in the 2005 budget to fund our total liability by the year 2021 is \$3,100,000. Additionally, for other benefit plans; such as, health and life insurance, pension grants, administration, etc., the 2006 budget request is \$2,340,000.

II. Ministerial Pension Plan (MPP)

Guidelines for the Ministerial Pension Plan and the Comprehensive Protection

Plan are contained in the plan document. A copy of the summary plan document is available on request by contacting pension services in the treasurer's office.

- A. Service on and after January 1, 1982 will be funded on a new concept, called a defined contribution plan. This plan is basically deferred salary, and creates no unfunded liability because it builds an account of funds for a specific minister as his/her salary is paid.
- B. Funding is based on a percentage of Plan Compensation. Plan Compensation is calculated by the GBOPHB according to the plan document:
  - 1. No vouchered travel is ever used in Plan Compensation calculations since this is considered by the General Board of Pension and Health Benefits to be local expense.
  - 2. Clergy couples housing (Effective January 1, 1988):
    - a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
    - b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 25% housing allowance, and the other will report the actual cash housing paid.
    - c. When two parsonages are furnished each spouse claims a housing allowance.
    - d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.
  - 3. In accordance with the Plan Document, the housing allowance for those furnished housing is 25% times the cash salary.
  - 4. Those furnished a cash housing allowance will report the actual amount in accordance with the Plan Document. (Effective January 1, 1988)
- C. The Ministerial Pension Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the General Board of Pension and Health Benefits. (Effective January 1, 1990)
- D. These contributions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- E. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.
- F. We recommend 12% as the level of participation in the Ministerial Pension Plan for the North Carolina Conference participants.
- G. Unfunded Liability Actuarial Funding Plan (Amended 2003)
  - 1. Interest assumption is 7.5%. (Decreased from 8.0%)
  - 2. Past Service Rate assumption continued at a 5% increase.
  - 3. No change at the present is required in contribution pattern (new money).
- III. Comprehensive Protection Plan (CPP)
  - A. This part of the program contains provisions for a death benefit, disability income, and funding for the peerage portion of the Ministerial Pension Plan. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent because of disability. The Comprehensive Protection Plan also includes educational benefits for the children of a deceased minister. This part of the plan is only available to those ministers covered under the CPP, whose charges are paying at least minimum full-time salary.
    - 1. Death Benefits provide \$50,000.00 as the benefit paid on the death of an eligible active participant. Upon retirement at any age, death benefits drop to \$14,797.50 for the year 2004. This is 30% of the DAC.
    - 2. Effective January 1, 2002, the disability benefit equals 70% of plan

compensation, with plan compensation capped at 200% of the DAC. (The DAC for 2004 is \$49,325.00 and for 2005 is \$50,931.00) The disability benefit is reduced by any disability benefits payable under the Social Security Act. This revised benefit applies only to eligible clergy whose disability effective date, as determined by the General Board of Pension and Health Benefits, is on or after January 1, 2002.

3. The peerage program provides for a contribution from the Comprehensive Protection Plan to the minister's Church Account of a sufficient amount to provide the minister with a total contribution for the year based on the Denominational Average Compensation at 12% of Plan Compensation based on the Denominational Average Compensation for those eligible.
4. The Comprehensive Protection Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the General Board of Pension and Health Benefits. (Effective January 1, 1990)
- B. Effective January 1, 2002, the cost of the Comprehensive Protection Plan (CPP) is a total of 4.4% of the actual Plan Compensation up to 4.4% of 200% of the Denominational Average Compensation (DAC). The pastor shall be required to pay 1% of Plan Compensation (up to 1% of 200% of DAC) and the church or charge shall pay 3.4% of the Plan Compensation (up to 3.4% of 200% of DAC). ¶1506.19 in *The Book of Discipline 2000*.

IV. Implementation of the Program

The benefit Program adopted by your Conference Board of Pensions seeks to provide a wider range of support for the minister's family through death benefits for every member of the family, disability income for the minister in time of great stress, educational benefits for children of deceased ministers, minimum annuity benefits for surviving spouses, and the build-up of contributions to the Church Account of those ministers whose compensation is below the Denominational Average Compensation.

- A. Costs of the Ministerial Pension Plan/Comprehensive Protection Plan will be borne by the local charge as an item of ministerial support according to the Plan Compensation of the minister and the category of the charge.  
FULL TIME (Conference Member/Local Pastor) - 12% of Plan Compensation for MPP and 3.4% of Plan Compensation for CPP (up to 3.4% of 200% of the DAC) ¶ 1506.19, *Book of Discipline 2000*

STUDENT (Conference Member/Local Pastor) - 12% of Plan Compensation  
LESS THAN FULL TIME (Conference Member/Local Pastor) - 12% of Plan Compensation

INTERIM OR RETIRED SUPPLY - no pension responsibility

- B. The pastor will make regular monthly payments to the General Board of Pension and Health Benefits through the local church treasurer for his/her 1% of Plan Compensation (up to 1% of 200% of the DAC) for CPP.
- C. It is recommended that the pastor make regular monthly payments through the local church treasurer to the General Board of Pension and Health Benefits for his/her personal tax-paid or tax-deferred contributions of at least 3%. (The following Item V. was approved by the 1997 Annual Conference to be placed in effect at the conclusion of the Session of the Annual Conference, Year 2000:)

V. Policies Related to Life and Hospital Insurance

A. **Five-Year Rule**

A participant must be covered under the health insurance plan for five consecutive years immediately prior to the date of retirement in order to retain health insurance benefits after retirement.

- B. Clergy persons who retire from the North Carolina Annual Conference with

twenty or more full time years of earned pension credit in the North Carolina Annual Conference may receive life and health insurance benefits when the clergy person attains age 62 and receives pension benefits or retires with thirty-five (35) years of service and receives pension benefits provided at least twenty (20) of the thirty-five years of pension credit is in the North Carolina Annual Conference.

**C. Reirement prior to January 1, 2004**

Clergy persons who retire prior to January 1, 2004 from the North Carolina Annual Conference will be subject to the current rate policy as outlined below. Effective January 1, 2004, there will be a minimum monthly contribution of \$10 per participant (for all surviving dependents and retirees with a clergy retirement date prior to January 1, 2004). The following policies apply:

1. Before the retired clergy person and/or spouse reach the age of Medicare eligibility (currently 65 years of age), the retired clergy person will pay the amount of premium that he/she paid in the year in which he/she retires. The Conference Board of Pensions will pay the difference between the clergy person's payment and the costs of his/her health insurance. The retired clergy person must continue to pay the amount of premium that he/she paid in the year of retirement until both the retired clergy person and his/her spouse reach the age of Medicare eligibility. Billings will be made monthly from the Treasurer's Office.
2. If a clergy person who, prior to retirement, has been covered as a single individual for the purposes of health insurance, wishes at the time of retirement to add family members to his/her health care plan, he/she must pay the premium applicable to that type of coverage for the year in which he/she retired. The retired clergy person must continue to pay that amount of premium until both the retired clergy person and his/her spouse reach the age of Medicare eligibility.
3. A clergy person who retires from the North Carolina Annual Conference with less than twenty (20) full-time years of earned pension credit in the North Carolina Annual Conference may receive life and health insurance benefits when the clergy person attains age 62 and receives pension benefits or retires with thirty-five (35) years of service and receives pension benefits provided at least twenty of the thirty-five years of pension credit is in the North Carolina Annual Conference. Retired clergy persons and/or dependents with less than twenty years of earned pension credit in the North Carolina Annual Conference will be responsible for the monthly insurance premiums as described in #1 above, with the remaining monthly portion shared by the retired clergy person and/or dependents and the Conference Board of Pensions, based on the following formula:

Years of Pension Credit	Individual Contribution	Board of Pension's Contribution
1 .....	95% .....	5%
2 .....	90% .....	10%
3 .....	85% .....	15%
4 .....	80% .....	20%

E. [Paragraphs noted are from The Book of Discipline, 2000]

Effective August 1, 1992, Pastors who discontinued ¶346.1, or Probationary Members, ¶318.6, as well as Conference Members who are retired involuntarily, ¶356.3, who are granted Honorable Location, ¶357; who withdraw to unite with another denomination, ¶358.1; who surrender the ordained ministerial office ¶358.2; who withdraw under complaints or charges, ¶358.3; and Conference Members who re placed on Administrative Location, ¶359.3 are ineligible to receive retirement health or life insurance benefits when payments from the General Board of Pension and Health Benefits begin.

F. Life Insurance

A clergy person must have been covered under the conference active life insurance plan in order to retain life insurance benefits after retirement. The Board of Pensions does not provide life insurance for dependents of retired clergy.

G. Clergy Couples Insurance

1. When one member of a clergy couple retires, medical and life insurance will be paid for the retiree according to the schedules and rules previously listed.
2. Health insurance will be provided for the spouse and eligible dependents of the retired clergy partner according to the rules and schedules previously listed.

H. Surviving Spouses

Surviving spouses of active participants must be enrolled in the health insurance plan at the time of the participant's death in order to receive health insurance benefits under the current health insurance plan.

1. When surviving spouses are employed and provided health insurance by their employer, the plan of the Board of Pension will be the secondary carrier.
2. If the surviving spouse remarries, the conference health insurance will terminate. Future benefits under the conference health insurance plan are waived.

3. Surviving spouses of retired clergy must be enrolled in the health insurance plan at the time of the retired clergy's death in order to receive health insurance benefits under the current health insurance plan.

- a. Surviving spouses currently enrolled who married the clergy person after the clergy person's retirement, can remain covered by the health insurance plan if the surviving spouse pays 100% of the monthly premium associated with the health coverage. The Board of Pensions assumes no responsibility for these premiums.
- b. Surviving spouses of retired clergy who married the clergy person prior to the clergy person's retirement are subject to the payment schedule applicable prior to the death of the clergy person.
- c. Effective January 1, 2001 retired clergy persons may not add new dependents to the health insurance plan.

VI. Intent

The North Carolina Annual Conference established health and life insurance plans with the intent of providing coverage for the active and retired pastors. However, the Annual Conference reserves the right to terminate the health and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plans without the consent of the individual participants.

VII. Dental Insurance

The Board of Pensions recommends that retired ministers covered under the health insurance plan have dental insurance. Dental benefits became available on July 1, 1987.

VIII. Maximum Lifetime Benefit Under the Medicare Companion Plan

The lifetime maximum under the current Medicare Companion Plan is \$2,000,000 for each participant.

IX. Special Provisions

The North Carolina Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in the MPP and/or CPP by persons who are eligible under special rules but not automatically included as active participants. (MPP Section 3.2 and CPP Section 3.2.)

X. Conclusion

Our constant aim is to provide our retired families with their needs for an adequate income to purchase essentials for living as well as to insure adequate care in case of illness. To these ends our recommendations are directed, and their satisfaction is found in the acceptance of the North Carolina Conference and its membership.

**Report C - Housing Exclusion Allowance (For Income Tax Purposes Only)**

**RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who are duly ordained, commissioned, or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained, commissioned, or licensed ministers of the Church ("Clergypersons"); and

WHEREAS, pensions or other amounts paid to retired and disabled Clergypersons are considered to be deferred compensation and are paid to retired and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized that the North Carolina Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled Clergypersons who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled Clergyperson who is a member of this Conference;

**NOW THEREFORE BE IT RESOLVED:**

1. An amount equal to 100% of the pension payments received by a retired minister including such payments from the General Board of Pension and Health Benefits (GBOPHB) and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, including amounts received in this respect from the Duke Endowment, or 100% of the disability benefit payments received by a disabled minister, during the

year of 2004 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church, who is or was a member of the North Carolina Annual Conference at the time of his or her retirement or disability.

2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited under Internal Revenue Code section 107(2) to the least of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71 280, 1971 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

**Please Note:** There is no place on your 1040 Tax Form to list this Housing Exclusion. The General Board of Pension and Health Benefits has provided a sample statement to be used: "I received \$ \_\_\_\_\_ from the General Board of Pension and Health Benefits, Incorporated in Missouri; and/or from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline and \$ \_\_\_\_\_ from the Duke Endowment (total \$ \_\_\_\_\_) as reported on the attached 1099 - R's. I did not include that amount on Line 16b because \$ \_\_\_\_\_ \* has been excluded under provisions of IRC Section 107 of the Internal Revenue Code as a rental allowance exclusion. As a retired clergyperson, I am entitled to take this rental allowance exclusion." (In this blank put the least of the 3 amounts on your Housing Exclusion Worksheet.)

Attach this note to your 1099-R forms.

## **Report D - Ministers' Transition Fund**

**I. The Principles of the Fund** - The Ministers' Transition Fund of the North Carolina Conference of The United Methodist Church (the "Fund") was established effective November 20, 1937, to assist the minister to more easily make the transition from the active relationship in which a furnished parsonage has usually been provided, to the retired relationship in which the minister provides his or her housing. The Fund is established by apportionments to each local church in the Outreach Ministries-Fair Share Apportionments and by assessments to each minister who has membership in the Fund. Since all churches contribute to this Fund, it is the desire of the North Carolina Annual Conference of The United Methodist Church that all ministers participate in the Fund. The Conference does not interpret the churches' support of the Ministers' Transition Fund as an additional benefit for their ministers, but as a benefit for all ministers of the Conference. Therefore, the only funds to which a minister can make personal claim are those that he or she contributed to the Fund.

The Conference vigorously emphasizes that the purpose of this Fund is to assist the minister's retirement transition and not to be an emergency fund available for any other purpose. All participant elections available shall be irrevocable. The Fund is intended to be a church plan within the meaning of section 414(e) of the Internal Revenue Code of 1986, as amended (the "Code") which has not made the election under section 410(d) of the Code and is also intended to meet the requirements of a retirement income account under section 403(b)(9) of the Code. The Plan shall be interpreted, wherever possible, to comply with the applicable terms of the Code and all applicable formal regulations and rulings issued under the Code.

**II. The Conference Treasurer** - The Treasurer of the North Carolina Conference (the "Conference Treasurer") shall serve as Treasurer and custodian of this Fund. He or she shall promote this work, receive funds from pastors and charges, and keep permanent records of assessments received and benefits paid.

**III. Eligibility for Membership** - Membership in this Fund is not mandatory. Each ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) who is serving full time in a charge or as a district superintendent, a Conference ministerial staff person, or others who are appointed to serve at a North Carolina Annual Conference Institution (Methodist Retirement Home, Inc.; Methodist Home for Children, Inc.; Louisburg College; Methodist College; North Carolina Wesleyan College) or other Episcopal appointment of the North Carolina Annual Conference shall be eligible to join.

In order to remain an active, participating member, the ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) must continue to serve full time in a charge or other appointment. A full-time local pastor may continue as a member of the Fund only during the time he or she is serving under episcopal appointment. Students under episcopal appointment who have previously served full time and who intend to return to full time service are eligible to continue. Those ministerial members on disability leave, leave of absence, or Conference members with less than full time service, may continue to be active, participating members by meeting the provisions discussed hereafter.

Ministerial members who transfer into the Conference or new ministers receiving appointments for the first time are eligible to join the Fund in January of the year following the Annual Conference session in which their credentials were recognized. Ministers in these categories applying for membership will be assessed on the basis of their total salary and utility allowances for the six months between July 1 and December 31 computed to a twelve-month amount.

Each new member of the Fund shall file an application form. Upon filing of application for membership and paying the recommended assessment for one year, his or her membership becomes effective. The deadline for enrollment for all ministers is January 31 of each year.

#### **IV. Apportionments and Assessments**

**A. Conference Contributions** -- Funds shall be placed in the Conference budget annually equal to an amount of one percent (1%) of the total salaries and utilities paid to all pastors and associates of the Conference based upon the Conference Journal figures for the year preceding the year in which the budget request is made to the Annual Conference. This budgeted amount will be apportioned to charges on the same basis as all other Conference budget items, and this amount shall become part of the Fund.

**B. Minister Contributions** - Each minister in a pastoral appointment who participates in the Fund shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of all salary and utility allowances he or she receives each year from the charge he or she is serving and/or Conference sources. (Salary also includes Equitable Salary Fund payments, Duke Endowment

Funds, and missionary sources.)

- C. Council on Finance and Administration Contributions** - The Council on Finance and Administration shall make provision for payment into the Fund an amount equal to one percent (1%) of salary and utility allowances usually paid by the charge for district superintendents and ministers appointed as Conference staff.

- D. District Superintendent and Conference Ministerial Staff Contributions** - District superintendents and Conference ministerial staff shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of their salary and utility allowances.

- E. All Other Ministers** - All other ministers who participate in the Fund shall be assessed and pay into the Fund on an after-tax basis a sum equivalent to two percent (2%) of their annual salary and utility allowances or two percent (2%) of the Conference Average Salary, whichever is greater.

- V. Deadline For Receipt of Assessment** - The plan (fiscal) year of the Ministers' Transition Fund shall be the same as that of the Annual Conference fiscal year, January 1 through December 31. No later than November 1 of each year, the Conference Treasurer shall notify all members their assessment is due. Each member of the Fund shall submit payment for the required assessment no later than January 31 of each year. Assessments received after January 31 will be returned to the minister. If he or she has been a member less than ten (10) years, this lack of payment extends the period for one additional year before dividends can be received. If the minister has been a member over ten (10) years, he or she will receive no dividends for the year involving lack of payment. If any member of the Fund fails to pay his or her required assessment for three consecutive years, he or she shall be required to withdraw from membership in the Fund.

- VI. Base Benefits** - Base benefits shall be paid to retired members of the Transition Fund as follows:

.....	
If retired at the end of one year of membership .....	\$200.00
If retired at the end of two years of membership .....	300.00
If retired at the end of three years of membership .....	400.00

If retired at the end of five years of membership .....	600.00
If retired at the end of six years of membership .....	700.00
If retired at the end of seven years of membership .....	800.00
If retired at the end of eight years of membership .....	900.00
If retired at the end of nine years of membership .....	1,000.00

**VII. Allocation of Dividends After Ten Years of Membership** -After ten years of membership, and beginning with the eleventh year, the base benefit to be paid is increased by dividends credited to the members account.

Any funds, **except as provided below**, including apportionments, assessments, forfeitures and earnings thereon, remaining after benefits have been paid to eligible members for the plan year shall be divided into equal parts, in the case of members who remained members through the year, and portions of such equal parts in the case of members who have retired during the year and who are entitled to a part-year allocation, as described below, and credited to the accounts of those who have been participating members for more than ten years and are not in arrears for the previous year.

A reserve equal to ten percent of the members' payments and dividend fund balances as of December 31 each year shall be maintained. Unrealized gains on investments shall be reserved and are not generally eligible to be distributed as annual dividends. The Hearing Committee may supplement the annual dividend from such reserves to maintain the declared dividend in an amount consistent with previous year levels when such action is deemed appropriate considering current investment returns and current economic conditions. The purpose of maintaining these reserves is to insulate the members in any year from market fluctuations and preserve the ability of the fund to consistently provide for housing needs in their retirement.

In the event a member retires during a year after completing ten years of membership, such member **may elect to** submit payment to the Fund of that portion of their assessment for the year equal to the product of (1) the assessment the member would have paid had the member not retired, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12. If a member pays the assessment described in the preceding sentence, the account of the member shall also receive as an allocation of dividends for such year an amount equal to the product of (1) the amount of dividends which would be credited to the account of such member had the member not retired during such year, and (2) a fraction, the numerator of which is the number of whole months in the year prior to the date the member retires, and the denominator of which is 12.

**VIII. Limitations on Contributions Pursuant to the Internal Revenue Code**

- A. In General** - The contributions for any calendar year allocated to a member's account under Articles VI and VII on behalf of a member under all Qualifying Retirement Plans in which the member participates shall not exceed the member's Limit on Annual Additions as determined in subsection B of this Article VIII. The provisions of this Article VIII are intended to provide the limit on the amount of contributions to this Fund which are excludable from the gross income of the member pursuant to Code section 415, and shall be interpreted in a manner consistent with that Code section.
- B. Limit on Annual Additions Under Code Section 415**
- (1) A member's Limit on Annual Additions shall for any calendar year be an amount equal to the lesser of:
- (a) 100% of the member's includible compensation within the meaning of Code section 415(c)(3)(E) in such calendar year, or
  - (b) \$40,000, or such greater amount as is permitted under Code section 415(c) as adjusted under Code section 415(d)(1)(B).

For purposes of determining a member's Limit on Annual Additions, in the case of a member who has more than 50% control of an employer (a "Controlled Employer") within the meaning of Code section 415(h), contributions to a plan of the Controlled Employer that constitute annual additions (as defined in Code section 415(c)(2)) to the member shall be treated as contributions to this Plan.

(2) A member's "includible compensation" for purposes of paragraph (1), above, shall mean the amount of compensation received from an employer within the meaning of Code section 403(b)(3) and 414(e) which is includible in gross income, computed without regard to Code section 911 for the most recent period ending not later than the close of the taxable year which is counted as a one year period of service as defined under paragraph (3) below. Such term shall not include any amount received by a former member after the fifth taxable year following the taxable year in which such member was terminated, or utilities to the extent such amounts are not includible in compensation pursuant to Code section 107.

(3) A member's "period of service" for purposes of paragraph (2) above shall be expressed as a number equal to the member's number of full years of service plus one-twelfth for each one month period of service in addition to his or her full years of service. Part-time service of a member shall be taken into account as the percentage of such service that is equal to the percentage of full-time service served.

Notwithstanding any provision of this Article VIII.B to the contrary, the Limit on Annual Additions of a member who has made an election under Code section 415(c)(7) shall be determined under such Code section and the regulations issued thereunder.

**D. Prohibition on Before-Tax Salary Reduction Contributions** - Before-tax contributions under a salary reduction agreement shall not be permitted under this Fund.

**IX. Death Benefits** - When a participating member of the Fund dies, the Treasurer shall pay to his or her designated beneficiary or beneficiaries, otherwise to his or her estate, the full amount of the base benefit payments plus the dividends, if any, added to his or her account. In the event that a minister dies prior to the eleventh year of membership, the designated beneficiary or beneficiaries, or otherwise the estate, shall receive the full amount of the base benefit payments plus the assessments contributed by the participating member. In no case would the beneficiary, beneficiaries or estate receive less at the time of the minister's death than the member's assessments plus simple interest credited annually at the rate of The United Methodist Foundation, Inc., cumulative dividend yield for the most recent four quarters prior to the date of death.

**X. Designation of Beneficiary** - Each member shall provide the Conference Treasurer the name(s) of the beneficiary or beneficiaries to whom the death benefits described in Article IX are to be paid in the event of death. The designation shall be indicated on a form provided by the Conference Treasurer. A designation shall not be effective unless such form has been duly completed and filed with the Conference Treasurer. In the absence of a designated beneficiary, benefits shall be paid to the member's estate.

**XI. Irrevocable Election Regarding Distribution of Funds** - Members actively serving must make, prior to attaining age 59 1/2, an irrevocable election to either terminate from the Ministers' Transition Fund beginning with the Annual Conference following the attainment of age 60 or to defer termination from the Fund until retirement, as defined in the *Book of Discipline*, 1996, ¶¶355.1, 355.2a, 355.2b, 355.2c. Such irrevocable election is the responsibility of the member and must be made in writing to the Conference Treasurer by age 59 1/2. Forms can be obtained upon request from the Conference Treasurer. Should the member fail to

make the irrevocable election, the member will not terminate from this Fund until retirement.

## **XII. Payment of Benefits**

**A. In General** - At retirement or early termination from the Fund, members who have accrued the same number of years of service credited under the Fund (during the same calendar years) will have exactly the same accrued benefit and will receive exactly the same benefit regardless of their total individual contributions. Notwithstanding any other provision of this Fund, all payments under this Fund must be made at least as rapidly as required under section 401(a)(9) of the Code and any proposed or final regulations thereunder, including but not limited to the incidental death benefit requirements of Code section 401(a)(9)(G).

In no case would the member receive less at retirement than the member's assessments plus interest computed at the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters prior to the retirement date.

**(1) Ministers With Less Than Ten (10) Years.** For ministers retiring between January 1 through Annual Conference, and who retire or terminate from this Fund with less than ten (10) years credit in the Fund shall be paid in a single lump sum immediately following the session of the Annual Conference at which he or she retires or terminates. For ministers retiring between Annual Conference and December 31, payment shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. The benefit shall be the base benefit as prescribed in the table for retired members under Article VI plus minister contributions

**(2) Ministers With Ten (10) or More Years.** A minister who retires or terminates from this Fund with ten (10) or more years credit in the Fund must make an irrevocable election to receive benefit payments under one of the following options. This irrevocable election must be made no later than ninety days prior to the retirement month or month of termination due to early retirement or disability. For either option selected, total benefit payments shall be the base benefits as prescribed in the table plus the dividends credited. Interest will accrue on the principal balance beginning on the later of the retirement date or July 1 of the retirement year and will continue until the account is paid in full. The interest rate will equal the United Methodist Foundation, Inc. cumulative dividend yield for the four most recent quarters. All payments excluding the payment of member assessments shall be subject to income tax.

**(a) Two payment option:** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The second payment shall be the remainder of dividends and base benefit payment earned during their membership and interest accrued.

**(b) Six payment option.** The first payment shall be equal to the cumulative amount that the member has paid in assessments. The remaining payments shall be five equal annual installments of the remaining dividends and base benefit payment earned during their membership and interest accrued. The six payment option shall not be available to a member following attainment of age 70.

For ministers retiring between January 1 and Annual Conference, under either option, the first payment shall be paid within 15 working days following the adjournment of the Annual Conference following the ministers' retirement or termination from the Fund. The second and subsequent payments shall be paid

annually between January 1 and January 10 of each year following the year in which the minister terminates or retires until the account is paid in full.

For ministers retiring between Annual Conference and December 31, the first payment and second payment for either payment option shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. Unless the minister selects the six payment option, the account shall be disbursed in full in the first January after retirement. If the six payment option is selected, the four remaining installments shall be paid annually between January 1 and January 10 of each subsequent year until the account is paid in full.

## **B. Direct Rollovers**

(1) This Article XII.B applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the Fund to the contrary that would otherwise limit a distributee's election under this Article XII.B, a distributee may elect at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

### **(2) Definitions:**

(a) **Eligible rollover distribution:** An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code as made applicable by section 403(b)(10) of the Code, *any amount that is distributed upon hardship*, and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).

(b) **Eligible retirement plan:** *An eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity contract described in section 403(b) of the Code (including custodial accounts described in section 403(b)(7) of the Code and retirement income accounts described in Section 403(b)(9) of the Code), a qualified plan described in section 401(a) or 403(a) of the Code, or an eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state which agrees to separately account for amounts transferred to such 457(b) plan from this Fund, that accepts the distributee's eligible rollover distribution*

(c) **Distributee:** A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.

(d) **Direct rollover:** A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee.

(3) Within a reasonable time before making an eligible rollover distribution from the Fund, the Conference Treasurer shall provide or

cause to be provided the written explanation to the distributee required by Code section 402(f).

**XIII. Disability Leave** - A minister who is approved for and placed on Disability Leave granted by the Conference may elect to:

- A. Continue as an active member and pay two percent (2%) of the disability pay received from all sources. Should Disability Leave be granted between sessions of Annual Conference, 2% of the disability pay received from all sources computed to a 12 month amount shall be paid.
- B. Be treated the same as a transferring member.
- C. Receive benefits the same as a retiring member.
- D. Terminate from the Fund and receive all benefits within thirty (30) days following the granting of Disability Leave.

The minister shall notify the Conference Treasurer in writing of his or her choice of option within ten (10) days following the granting of Disability Leave. In no case would the member receive less than the member's assessments plus interest, determined as described in Article IX.

**XIV. Leave of Absence** - A minister who is approved for and placed on Leave of Absence by the Conference may elect to:

- A. Continue as an active member by paying 2% of the Conference Average Compensation while on leave.
- B. Be treated the same as a transferring member under Article XVI. Conference Average Compensation means the Conference Average Compensation as determined annually by the General Board of Pensions.

**XV. Less Than Full Time Service** - A Conference member who is approved for less than full time service by the Conference may elect to:

- A. Continue as an active member for no more than three years by paying 2% of the Conference Average Compensation (within the meaning of Article XIV) while serving less than full time.
- B. Withdraw from the Fund according to the provisions of Article XVII.

**XVI. Membership Transferring** - Any ministerial member who leaves the North Carolina Conference by transfer to another annual conference of The United Methodist Church cannot make any further payment to the Fund. He or she may leave his or her account (including dividends, if any) in the Fund until retirement. If this is done, the benefit under this Fund will be computed as of the date of transfer from the North Carolina Conference with interest determined in the manner described in Article IX, determined from the date of transfer to the date of retirement. If the account is left, and the minister returns to the North Carolina Conference, he or she may reinstate his or her payments and dividend earnings, effective at the time of transfer back into this Conference.

**XVII. Withdrawing From The Fund Prior to Retirement** - If a member desires to withdraw from the Fund prior to retirement, upon a written request to the Conference Treasurer, he or she shall receive the amount he or she has paid into the Fund, plus interest determined in the manner described in Article IX each year he or she was participating in the Fund. Amounts in the members account in excess of the amount determined under the preceding sentence shall be forfeited and reallocated as dividends for the year of forfeiture pursuant to Article VII.

Each member whose membership is terminated in the Fund in any way will provide the Conference Treasurer with a statement indicating that he or she has received the funds for which he or she is eligible, and that he or she is no longer a member of the Fund. Any minister leaving the North Carolina Conference to join another denomination other than The United Methodist Church will be required to

withdraw from the Fund and payment will be made to the minister according to the formula set forth in the first paragraph of this Article XVII.

**XVIII. Reinstatement** - A member who has withdrawn from the Fund may not be reinstated, but is required to begin anew as though he or she were a new member. A minister shall not be permitted to rejoin the Fund more than two (2) times during his or her ministerial career.

#### **XIX. Hearing Committee**

**A. The Committee** - A Hearing Committee consisting of the Board of Pensions Executive Committee, Conference Treasurer, Director of Ministerial Relations, Conference Controller, and the Conference Insurance Group Administrator shall have authority to act on behalf of the Board of Pensions between Annual Conference sessions concerning matters that relate to, but are not specifically covered by, this constitution of the Ministers' Transition Fund. The Plan Administrator for the Fund for other plan administrative matters and matters delegated by the Hearing Committee shall be the Conference Insurance Group Administrator.

Determinations by the Hearing Committee, the Board of Pensions or the Plan Administrator shall be conclusive and binding on all persons and shall be afforded the maximum deference permitted by law.

**B. Claims Procedure** - If a claim is wholly or partially denied, the Hearing Committee shall furnish the member or beneficiary with written notice of the denial within sixty (60) days of the date the original claim was filed. This notice of denial shall provide:

- (1) The specific reason or reasons for denial;
- (2) Provide specific reference to pertinent plan provisions on which denial is based;
- (3) A description of any additional information needed to perfect the claim and an explanation of why such information is necessary; and
- (4) An explanation of the plan's claims procedure.

The member or beneficiary shall have sixty (60) days from receipt of denial notice in which to make written application for review by the Hearing Committee. The Hearing Committee shall issue a decision on such review within sixty (60) days after receipt of an application for review as provided in the preceding sentence. Such decision on review shall be made in writing and shall include specific reasons for the decision written in a manner calculated to be understood by the claimant. All decisions and denials of claims by the Hearing Committee shall be afforded the maximum deference permitted by law.

**XX. New Rules and Constitutional Provisions** - The rules and guidelines of this constitution supersede all previous Conference legislation regulating this Fund. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of this constitution without the consent of individual members of the Fund. No amendment shall have the effect of modifying any benefit election of any member in effect at the time of such amendment or modifying the benefit of any member who retired prior to the date of such amendment, unless the amendment expressly so provides. The Annual Conference established this Fund with the intent that it will be maintained for an indefinite period of time. However, the Annual Conference reserves the right to terminate the Fund, in whole or in part, at any time. No amendment, modification or termination of the Fund shall adversely affect the members benefits accrued for his or her retirement at the time of termination of the Fund.

#### **XXI. Miscellaneous Provisions**

**A. Prohibition Against Diversion** - Subject to Code section 414(p), there shall be no diversion of any portion of the assets of the plan other than for the exclusive benefit of members and their beneficiaries.

**B. Delegation of Authority** - The Board of Pensions, Conference Treasurer and the Hearing Committee may authorize any agent or agents to carry out their duties, and may employ such counsel, auditors, and other specialists and such clerical, actuarial and other services as it may require in carrying out the provisions of the Fund.

**C. Notification of Mailing Address** - Each member and other person entitled to benefits hereunder shall from time to time file with the Conference, in writing, such persons post office address and change of post office address. Any check representing any payment due hereunder, and any communication forwarded to a member of beneficiary at the last known address as indicated by the records of the Conference shall constitute adequate payment to such person and be binding on such person for all purposes of the plan. The Conference, Board of Pensions, Conference Treasurer and Hearing Committee shall not be under any obligation to search for or ascertain the whereabouts of any such person.

**D. Unclaimed Benefits** - If any benefits payable to, or on behalf of, a member are not claimed within a reasonable period of time from the date of entitlement, as determined by the Hearing Committee, and if the member cannot be located at his or her last provided mailing address, such member shall be presumed dead and the post-death benefits, if any, under this plan shall be paid to his or her beneficiary if he or she is then living and can be located. If the member's beneficiary is not then living or cannot be located, or if no beneficiary was effectively named, the member's account shall be forfeited and treated as dividends pursuant to Article VII.

**E. Facility of Payment** - Whenever, in the Hearing Committee's opinion, a person entitled to receive any payment of a benefit under the plan is under a legal disability or is incapacitated in any way so as to be unable to manage such person's financial affairs, the Hearing Committee may, to the extent permitted by law, make payments directly to the person, to the person's legal representative, or to a relative or friend of the person to be used exclusively for such person's benefit, or apply any such payment for the benefit of the person in such manner as the Hearing Committee deems advisable. Any benefit payment (or installment thereof) made in accordance with the provisions of this shall completely discharge the obligation for making such payment under the plan.

**F. Commingling of Assets** - The assets of the Fund may be commingled in a common fund made up of such accounts or in a common fund with other amounts exclusively devoted to church purposes, provided that the part of such fund which equitably belongs to the plan shall be separately accounted for and cannot be used for or diverted to purposes other than for the exclusive benefit of employees and their beneficiaries. The reasonable costs of administering an account may be charged against the account. Such costs may include the reasonable costs of administering a retirement income program of which the account is a part, including costs associated with informing employees and employers of the availability of the program.

**G. Governing Law** - This plan shall be administered, and its validity, construction, and all rights hereunder shall be governed by the *Book of Discipline* of The United Methodist Church, and by the laws of the State of North Carolina to the extent not in conflict with such *Book of Discipline*. If any provisions of the plan shall be held invalid or unenforceable, the remaining provisions hereof shall continue to be fully effective.

**H. Limitations on Liability** - The Conference, Conference Treasurer, Board of Pensions and members of the Hearing Committee shall not be liable to any

person or entity for any of their acts carried out hereunder in good faith and based upon the information available at the time.

### MISSION

Since 1955, the Mission of United Methodist Foundation, Inc. has been to:

- Provide professional investment management services for long-term funds belonging to local churches, institutions, and ministries of the North Carolina Conference.
- Educate, encourage and receive planned gifts from individuals in support of their local church, United Methodist institutions, and special ministries of the North Carolina Conference.

### RELATIONSHIP

The United Methodist Foundation, Inc. is an independent, non-profit corporation, related by faith to the North Carolina Conference through the Board of Institutions. Strengthened by its *faith connection* and a rich tradition of excellence in Stewardship Ministry, the Foundation is chartered to serve only the churches, missions, agencies and institutions of the North Carolina Annual Conference.

### INVESTMENT MANAGEMENT SERVICES

All funds entrusted with the Foundation are invested according to the ***Social Principles of the United Methodist Church*** as guided by the Statement of Investment Guidelines (Revised Edition 11/99) of the Investment Committee of the General Council on Finance and Administration of the United Methodist Church. The Consulting Group of Salomon Smith Barney provides the Foundation with investment consultation and management services. Seven professional investment fund managers, employed by the Foundation's Board of Directors and reporting to the Investment Consultant, successfully accomplish the day-to-day management of the Foundation's total assets.

### EDUCATION AND ENDOWMENT BUILDING SERVICES

While the Foundation's Investment Management Service provides valuable support for *Ministry* throughout the Church and the North Carolina Conference, the heart of the Foundation's mission is its Planned Giving and Endowment Building Services. These "donor-focused / Church-building" services provide specialized planning and "technical" assistance that help individuals and their legal, tax and financial advisors to accomplish their charitable goals.

Additionally, the Foundation serves as trustee for many individual *Family Endowments* and *life-income* Gift Plans producing charitable remainder benefits for a variety of ministries within the Church. As Trustee of these special funds, the Foundation is responsible to assure that all charitable remainder amounts and Endowment Fund earnings support the ministries selected by the donor.

### YOUR FOUNDATION - PAST AND FUTURE

Since the Foundation's founding in 1955 its Board of Directors has provided significant stewardship leadership in the investment management of Church funds. Over the past 20 years the Foundation's Balanced Fund average annual investment return has been just over 9 percent (net of all fee charges). This past year the Foundation's Balanced Fund investment return for church Investment Partners increased significantly, earning nearly 19 percent (net of all fees). Long term, permanently endowed church funds will continue to grow in value and active Church Endowment Programs, in partnership

with United Methodist Foundation will provide the vehicle for this growth. Even more important than these successful returns are the education and planned giving services the Foundation provides to church leaders and lay members, helping them to build future financial resources for ministry within and beyond their local United Methodist Church.

**CELEBRATING 50 YEARS OF SERVICE!**

In joyful anticipation of its 50<sup>th</sup> anniversary approaching in 2005, the United Methodist Foundation has created a Jubilee Year Planning Committee. This Committee will oversee the details of several special events to celebrate this milestone with the entire North Carolina Annual Conference. Look for more specific information to follow soon.

United Methodist Foundation welcomes opportunities to assist individuals and their families who wish to create special gift plans that benefit their local church, Conference Institution or other additional ministry of the Church. The Foundation encourages local churches to strengthen their stewardship programs by including planned giving and endowment programs as a part of their overall stewardship program.

The Board of Directors and staff of United Methodist Foundation wish to express sincere appreciation to all Investment Partners for their ongoing support of the stewardship ministry of United Methodist Foundation, Inc. ## CANDLER SCHOOL OF THEOLOGY

Candler School of Theology is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concerns. Its mission is *to educate—through scholarship, teaching and service—faithful and creative leaders for the church's ministries in the world.*

These purposes define Candler's role as a school of Emory University and of the United Methodist Church and point to the unique challenges and opportunities we face in leading a national research university in re-discovering what it might mean to relate to a major denomination. And I am happy to report to you that we are making very real progress in this complex and precious relationship! We were pleased especially to welcome James W. Wagner as Emory's new president this Fall and look forward to Earl Lewis joining us as executive vice president for academic affairs and provost July 1. A Presbyterian layman married to a Christian educator, President Wagner is the first engineer to serve Emory in this capacity. Provost Lewis, the first African-American appointed to this rank at Emory, is a historian whose wife is completing a seminary degree.

In addition to the Candler faculty, Emory University is home to nearly 300 other faculty with a stated scholarly interest in the study of religion. This exciting reality has attracted the attention of The Pew Charitable Trusts, which in 2000 established a Center for the Interdisciplinary Study of Religion at Emory. Eight Candler faculty members have served as senior fellows for this program, addressing issues of "Sex, Marriage and Family and the Religions of the Book" (2000-2003) and "The Child in Law, Religion and Society (2003-2006). Such affiliation has enhanced Candler's already strong research and teaching reputation and has led to publications of significance for the Church and the larger society.

The first students in our new doctoral program in religious practices and practical theology will enroll in September. The United Methodist News Service release (<http://www.umns.umc.org/02/sep/427.html>) only hints at the importance of this program, funded with a grant from The Lilly Foundation, Inc. At this time, schools are having difficulty finding faculty trained for the fields of preaching, worship, pastoral care, religious education, evangelism and administration. Frequently, these areas are supported by adjunct faculty or with persons whose credentials and scholarship do not equal those in more classical areas. We are pleased to have developed a superb program in practical theology fields and look forward to the movement of students into this doctoral program and then into seminary faculties.

The Youth Theological Initiative (YTI) is now in its 12<sup>th</sup> year. Having worked with hundreds of high school youth through the YTI summer academies, YTI now undertakes research and publication on youth ministry and is working with youth pastors in a number of annual conferences.

Candler had a strong role in General Conference this spring. We are very proud of Barbara Day Miller, Assistant Dean of Worship, and her direction of the music for the Conference and of the nine students that accompanied her to Pittsburgh. Representing four countries, the Methodist Churches of Brazil, Korea, Caribbean and Americas, and the United Methodist Annual Conferences of New York, North Georgia, West Virginia, Virginia, and Russia, this group, plus two accompanists, provided musical leadership for the entire two week Conference program. Tom Frank, Professor of Administration and Congregational Life and Director of Methodist Studies, took a class to the General Conference to observe the legislative work of our Church and three faculty, P. Alice Rogers, Director of the Teaching Parish Program, Mary Elizabeth Moore, Director of the Women in Theology and Ministry Program and Professor of Religion and Education, Wesley Wachob (alternate), Adjunct Associate Professor of New Testament and Ministry, served as delegates. An additional faculty member, Beth Luton Cook, Director of Church Ministries Education, will serve as a delegate to the Southeastern Jurisdictional Conference this summer. In addition, over one hundred Candler graduates are delegates to one or both these gatherings this year. Lastly, Tom Frank and I wrote *Episcopacy in the Methodist Tradition: Perspectives and Proposals* (Abingdon Press) to help delegates think through the issues a permanent president of the Council of Bishops might pose and to ponder other ways of strengthening United Methodism's "itinerant general superintendency."

We continue to enhance our continuing and church education efforts. As I write, preparations for *A Theology of Hope—Forty Years Later* with Jurgen Moltmann (May 2004) are nearly complete. Similar preparations are underway for *Bridging Faith and Health: The Role of the Church*, a conference sponsored in cooperation with Emory's Schools of Public Health, Medicine and Nursing (October 11 – 13, 2004) and *Reformation Day at Emory* (October 26, 2004), *Ethics and the Professions* (May 5 – 6, 2005) and *Worship* (October 17 – 18, 2005.) Information about these and other upcoming events is available at [candler.emory.edu](http://candler.emory.edu)

Already we anticipate a strong enrollment in Fall 2004. Our enrollment this past year—567—was the largest in six years. Of these, 442 were Master of Divinity degree students, 87% of whom were full-time. The MDiv population was 52% male, 48% female, 25% non-white and 10% international. Sixty-two percent of the MDiv students were United Methodist, representing 42 annual conferences. Other denominations of the Methodist family represented at Candler include African Methodist Episcopal, African Methodist Episcopal Zion, Nazarene, Christian Methodist Episcopal, and the Methodist Churches of Brazil, Korea, and the Caribbean.

Through the generosity of alumni and friends, Candler's scholarship program has grown mightily. Last year, 87% of eligible students received scholarship support from Candler with an average scholarship covering 80% of tuition. Nearly 150

students received a full tuition scholarship or more, up from 19 in 1992-1993. Gifts from the Methodist Education Fund (MEF) have played a large role in this success. Still 63% of MDiv graduates leave Candler with educational debt. Your continued support, gifts and prayers mean a great deal as we work to provide a strong educational program and a strong start in pastoral ministry for our students.

## **COMMUNITY AND FAITH BASED MINISTRIES**

One of the primary reasons for the creation of this task force was to provide better supervision and financial oversight for community and faith based ministries.

Community-based ministries are organized to follow Christ's mandate to go into all the world in his name, even to places of great poverty and need that hold little likelihood of being fertile soil for self-supporting churches. Despite this, we still go and sow, counting on God for the increase.

Currently, new congregations are to have a District Advisory Committee composed of the District Superintendent, pastor, members of the forming faith community, and other clergy in the district. This committee is to meet quarterly and review the progress of the body and its finances. It is to continue this supportive and supervisory role until the body becomes a chartered church.

Community and faith based ministries such as the Faith Communities in the Raleigh and Rocky Mount Districts are considered to be one congregation in their respective districts even though they may have multiple locations under one pastor. Financial support from the Office of Congregational Development is provided in the same manner as new churches. Longer term financial needs of some ministries limit the resources to assist or create other new ministries as needs are identified. Prior to becoming a chartered church, all ministries need similar guidance and nurturing as do new congregations.

Therefore, we propose that the Cabinet shall present the following guidelines to Annual Conference for approval:

1. Each District Nominating Committee shall nominate and approve a District Advisory Committee composed of District Superintendent, pastor, assistant pastor, 2 or 3 lay members, and 2 or 3 district clergy for each community-based ministry or new congregation. The District Advisory Committee shall meet quarterly for review and support of the ministry. Upon approval of this report by Annual Conference, all existing ministries shall be required to comply with these provisions.

2. The names of the District Advisory Committee members shall be reported at the next Annual Conference session.

3. The District Superintendent shall hold an annual meeting modeled on a charge conference. Appropriate charge conference reports shall be completed including Report of the Pastor, Report of the Annual Audit, Laity Report and others as determined by the District Superintendent and shall be submitted through the On-Line Data Collection System (OLDCS) All organized ministries shall submit statistical reports Tables I and II in OLDCS by January 31 annually.

4. The District Advisory Committee shall require an annual financial audit based on the one required for all local churches. The annual audit shall be submitted to the District Superintendent by April 1. The audit shall include all funds of the ministry including all endowments and separately incorporated entities created by the ministry.

5. The District Superintendent, Director of Congregational Development, Director of Missions , and (or) Director of Multicultural Ministries, as appropriate, shall confer annually and recommend to the Bishop and Cabinet if the community-based ministry,

or faith community, should be continued after Annual Conference in its current form, or should be considered for charge realignment after modeling the provisions of paragraphs 212 and 213 of The Book of Discipline of The United Methodist Church 2000.

6. These ministries will operate under the same guidelines for funding as do new congregations.

## **DISCIPLE BIBLE OUTREACH MINISTRIES**

*"To develop and strengthen Bible study ministries in local churches and in outreach settings - especially prisons - which will transform lives, make disciples, and empower Christians for outreach ministry."*

Chartered in June of 1999 as a collaborative ministry of the North Carolina and Western North Carolina Conferences, Disciple Bible Outreach Ministries of NC, Inc., (DBOM) continues to fulfill her mission. In only four short years, DBOM volunteers have taught DISCIPLE in 70 correctional institutions. Inmate participation now numbers in the thousands and volunteer ranks have topped 300. In only four years, DBOM has helped numerous small membership, rural and ethnic churches begin vibrant DISCIPLE programs in local churches and has provided more than \$33,000 in training scholarships in order to accomplish this. DBOM has developed and implemented an aftercare program for ex-offenders called Faithful Friends, and DBOM has most recently joined forces with the North Carolina Department of Juvenile Justice and Delinquency Prevention to create an original Bible Study program for juvenile offenders called RINGS OF FELLOWSHIP. Currently 114 juvenile offenders are participating in the RINGS OF FELLOWSHIP program. In addition, DBOM has provided a model of ministry that is gathering momentum in the general church. To date, DBOM has helped ten other annual conferences reach out to their prison population with DISCIPLE Bible Study.

In the midst of these successes, however, are a number of challenges. A difficult economy and budget constraints have reduced DBOM's funding base at the moment of our greatest growth and expansion. Now more than ever, the financial support from individuals and local churches is needed. In addition, North Carolina continues to reduce the number of state prison chaplains. Since chaplains are responsible for the religious volunteers, the reduction in chaplaincy creates more difficulty and more "red tape" for our volunteers entering the prisons for ministry. However, the lack of prison chaplains also creates an even greater need in the prisons for the ministry of DBOM. As an inmate recently said, "my DISCIPLE class is the only place I have to learn the Bible."

While challenges face us, God is greater than any challenge. Therefore DBOM resolves to move ahead providing the word of God and the ministry of Christ to a world in need. God calls us and then sends us into the world. May DBOM continue to offer the bread of life and a cup of cool water in God's name. Yes, four years has passed, but the work is just starting. DBOM covets your prayers as she seeks to make disciples through Bible study to bring God's grace to a hurting world.

## **DIVINITY SCHOOL OF DUKE UNIVERSITY**

Duke Divinity School prepares students for faithful, strong leadership in the church through rigorous academic study and consistent focus on spiritual formation and transforming ministry.

The school completed its seven-year fund-raising campaign in 2003, with a final tally of \$102 million. Most of this money is dedicated to endowed professorships and scholarships, programs to improve ministry, and a major building addition.

In the fall of 2003 Duke Divinity enrolled 546 students. The student body, with a median age of 26, continues to become younger. The median age for master of divinity students entering in the fall of 2003 was 23.

Six individuals were appointed to the regular-rank faculty for the fall of 2003: Douglas Campbell is assistant professor of New Testament. Thea Portier-Young became a lecturer in Old Testament. Susan Eastman became assistant professor of the practice of Bible and Christian formation. Fred Edie is assistant professor of the practice of Christian education; Emmanuel Katongole became associate research professor of theology and world Christianity. Tammy Williams is a lecturing fellow in theology and black church studies.

For the fall of 2004, Richard Payne, a world-renowned specialist in palliative care, was appointed director of Duke's Institute on Care at the End of Life, a multi-disciplinary effort to better care for those near death. Retiring Bishop Kenneth L. Carder was appointed professor of the practice of pastoral formation and director of the school's new Center for Excellence in Ministry. The center will focus on congregational and pastoral leadership.

## **GOLDEN CROSS**

"Golden Cross" is a ministry that reaches out in love to the laity in our Annual Conference who are experiencing financial difficulty due to excessive medical expenses. Through Golden Cross, United Methodists care for members of our local churches in time of emotional stress and financial need. During 2003 we assisted 24 families from 10 of our 12 districts. Each one represented someone active in their local church. People just like each of us, who in a moment of struggle found means of grace and love coming from "their" church.

Golden Cross is a special ministry of love and care that reaches out across our Conference. Please remember that sometimes the needs that cross my desk challenge the funds we have available. In 2004 the Golden Cross budget is \$19,357.00. In 2003 we spent \$23,904.32. We were able to do that because we had a carry over surplus from the last several years. But now the surplus is almost gone. Obviously Golden Cross cannot continue to do this, and this year I will have to deny some heartbreaking claims because of the lack of funding. This is where you can help. If you can, take a special offering on the 3<sup>rd</sup> Sunday in August and send that offering to Golden Cross c/o Caroline Thornton, PO Box 10955, Raleigh, NC 27605. Some of our churches have done that, and I would like to publicly thank those who have in the past year.

Now if I can just get the rest of our churches to do the same we will be able to meet the needs of some very special lay people in our United Methodist Churches.

Thank you and God Bless you.

Richard C. Vaughan, Director

## HAND IN HAND

In response to The Bishops Initiative on Children and Poverty the North Carolina Conference of the United Methodist Church, the Western Conference of the UMC, both Methodist Homes for Children, Communities in Schools of North Carolina, and The Duke Endowment initiated The Hand In Hand Project. The Hand in Hand Project is a ministry that connects churches to local schools in order to support the educators, reach children in need, and strengthen the local community. Training has been developed to teach the local church how to partner with a local school. Training is also available for volunteers who are working one on one with children in need of support.

Over the past year, the Hand in Hand Project has continued to strengthen in The North Carolina Conference. We continue to have requests for district presentations and trainings, as well as requests from individual churches and communities. Two of the partnerships initiated have developed into Communities In Schools (CIS) programs that will give long term stability to the projects and will strengthen the ability to serve more children and youth. Several school systems have requested help in initiating this project across the system and those efforts are underway. We are also working with Communities In Schools in a new endeavor in seventeen counties in the Northeast which will be CIS of the Northeast. Our participation in this project is in planning and engaging the support of churches from all denominations in that area of the state.

As we continue to develop new programs in the local churches and across entire communities we have realized the need for additional support. Training has been developed to teach interested project coordinators for districts to both present and train others. Leaders in five of the districts have completed this training.

We continue to see the Lord at work as individuals and churches better understand the needs of children and youth in our communities and begin to respond to those needs.

Susan Pennock, Director

## INFORMATION TECHNOLOGY OFFICE

The Information Technology (IT) Office was created in 2003 as a successor to the Committee on Data Processing Services. The first meeting of this committee was held on December 11, 2003. Douglas Ward was hired as the Director of Information Technology. Committee members include: Alan Swartz (Chair), Lisa Creech-Bledsoe, Gary Pratt, Stan Lewis, Chuck Cook, Todd Krueger, and Ann Faust. *Ex-officio* members include Charles Smith, Sharon Strother, Paul Leeland, Christine Dodson, and Douglas Ward.

We have adopted the Conference Disaster Recovery Plan for the IT Office developed by Douglas Ward. This plan is available for review on the IT Office website (<http://www.nccumc.org/tech>). This website also maintains current information on virus and spam filtering information as well as clergy web mail access.

We are also investigating document and software patch management solutions for the Conference Office. Conference e-mail is currently being filtered for removing virus attachments and flagging suspected spam messages. While no spam is being deleted, it is flagged for easier deletion by end users.

The IT Committee exists to provide oversight for technology infrastructure for the Annual Conference as well as assistance for District Offices, the United Methodist Foundation, and MERCI. We seek to better leverage technology resources available to the Annual Conference for the mission of the Church.

Alan Swartz, Chairperson

## NORTH CAROLINA COUNCIL OF CHURCHES

For almost seventy years, the North Carolina Council of Churches has given witness to our oneness in Christ and enabled us to work together on issues of justice, compassion, and peace. Our members are the North Carolina judicatories of fifteen Christian denominations, plus six congregations whose judicatory is not a member.

Recent activities have included:

## NORTH CAROLINA PASTOR'S SCHOOL

On October 13-15, 2003, 400 clergy gathered for the annual Convocation and Pastors' School at Duke Divinity School. The event focused on the theme "Forming Christian Disciples" and featured strong lectures, seminars and worship services. The James A. Gray Lectures were presented by Richard Lischer, James T. and Alice Mead Cleland Professor of Preaching at Duke Divinity School and author of *Open Secrets: A Memoir of Faith and Discovery* and *The Preacher King: Martin Luther King, Jr. and the Word that Moved America*. Christine Pohl, author of *Making Room: Hospitality as a Christian Tradition*, and Michael B. Curry, Episcopal Bishop of North Carolina, delivered the Franklin S. Hickman lectures. "Leading Beyond the Walls" was the keynote lecture by Adam Hamilton, founding pastor of The Church of the Resurrection in Leawood, Kansas.

George Mason of Wilshire Baptist Church in Dallas Texas served as the Convocation Preacher. Fifteen different continuing education seminars enrolled over three hundred pastors. The seminars included "Leadership and Discipleship: Cruciform Excellence in

Ministry," "Teaching the Gospels," "Just War Thinking and Pacifism in the Christian Tradition," and "So What's Wrong with a Segregated Sabbath?"

The 2004 Convocation and Pastors' School will be held October 11-13, and will focus on the theme "The Art and Craft of Preaching." Well-known author and theologian Marva Dawn will serve as the James A. Gray lecturer. The Jameson Jones lectures will be presented by Thomas Long, Bandy Professor of Preaching at Candler School of Theology. Rev. Peter Gomes, Plummer Professor of Christian Morals and Pusey Minister in the Memorial Church at Harvard Divinity School, will serve as the Convocation Preacher.

A detailed brochure will be available from Duke Divinity School later this summer. Individuals are encouraged to contact the center for continuing education for more information ([www.divinity.duke.edu](http://www.divinity.duke.edu), email [div-conted@duke.edu](mailto:div-conted@duke.edu), phone 888-845-4216).

## OUTDOOR AND CAMPING MINISTRIES

New directions and new focus are the orders of the day for The NC United Methodist Camp and Retreat Ministries. The NC Conference's retreat and camp ministries have grown out of a long-standing tradition within our conference to offer people of all ages the opportunity to deepen their spiritual walk while re-creating themselves in the Creator's out-of-doors. We are thankful for that heritage and thankful too that our inheritance includes a constant readiness to embrace and prepare for the future God is giving us.

This past year the camps have celebrated several milestones. We had record numbers of children, youth, and adults served in our ministries. We ended 2003 with a small operational surplus, a major achievement on the part of our Executive Director and the individual camp directors too. Alan Parker, one of the co-directors at Camp Chestnut Ridge, resigned and Rhonda Parker assumed sole leader of the camp as Director, joining Dennis Tawney at Camp Rockfish and John Farmer at Camp Don-Lee.

Our largest new step, however, was the hiring of a consultant to help us discern future directions and opportunities. The Board hired Ms. Kathy Trotter to be our consultant after a national search. Kathy, a renowned expert in Christian camping and the former director of several United Methodist camps, has helped us identify many of the significant strengths, as well as, some of the issues we need to address. As a result of our consultation with Ms. Trotter, your Board of Directors is moving to address several of our needs:

- \* more intentional work within the NC United Methodist Conference to solicit more of your input, inviting your church members to become campers or retreaters, recruiting your young adults and adults as staff, and inviting you to directly support many of the diverse ministry options which your camps provide;
- \* more direct promotion of the camps within their geographical areas, as well as, intentional and planned promotions in other areas of the state and southeast;
- \* new direction for our three residential camps which are properties we own: Chestnut Ridge; Don-Lee; Rockfish. The camps are moving to more and more specialty camps, camps which have specific foci, allowing would-be campers to target their interests and allowing the camping ministry to continue to share the Gospel with a broader and broader group of users.
- \* new direction for our leased property at Kerr Lake. The Board of Directors has decided to take 2004 to study our use of this property leased from the US Corps of Engineers. We hope to soon be able to relinquish use of the property, the type of ministry we have done there being taken up by some other

Christian group. The reasons for this step include the amount of energy, time, and money which we have to invest in order to facilitate the ministry we have there. Kerr Lake takes our staff' time and resources away from the ministries where we impact a much larger number of lives: our residential camps. We solicit your input as to what next steps we might recommend to the Corps; please let us know if you have ideas;

- \* we have established new working groups within our Board to address our long-term finances and the recruitment/training of Board members;
- \* we are thankful for the appointment of The Rev. Judith Stephens as our Retreat Ministries Coordinator. Judy will reach out across our conference to help facilitate retreats either at one of our camp properties or at another place of your choosing. Call her.

The Board of Directors is deeply thankful for your work in supporting our camps. We hope to see you at our Annual Conference event and displays! Please pray for our outdoor and camping ministries. Remember that there is a place for you at camp!!

#### **2004 DISTRICT NOMINEES FOR LAY MINISTRY OF THE YEAR**

##### **Durham District:Community UMC, Butner BUTNER CHURCH COUNCIL MINISTRY**

This ministry helps all the local churches in this small community meet the needs of persons more than any one church could do alone. Working together makes them a stronger more committed community. This ministry provides food for the hungry in the Butner community, prevents eviction of persons for inability to pay rent, prevents loss of utilities for inability to pay bill and provides gas and/or overnight motel stay for travelers with emergencies. What we do keeps more persons from being homeless, enables families to stay together in their homes and have adequate food to eat, and enables families to stay on their feet to better meet their own needs. Our actively working together helps each church learn more about each other and we all grow from this while helping those in need. This group of churches also worked to initiate a community wide observance of the National Day of Prayer.

##### **Elizabeth City District:Center Hill UMC and Ahoskie UMC HISPANIC MINISTRY**

The counties served in this ministry in the Elizabeth City District have experienced, over the last few years, a low of 40% increase and a high of 273% increase in the number of Hispanics. Center Hill UMC, a rural Anglo church of 24 members, and Ahoskie UMC, a rural church of one hundred are having a tremendous impact in providing spiritual support and basic needs to the Hispanic population. They are leading the way in transforming not only the church members but the community as well. A joint project with local churches sponsor the Hispanic Mobile Health Unit to provide health care. At Center Hill, the Hispanics are provided a 6:00 p.m. Spanish speaking worship service; transportation, heating and fuel assistance; food and clothing. Each church is bringing the whole community of faith together. The community witnesses to the mandate to love the least of these. They are building community and praying and worshipping together.

##### **Fayetteville District: First UMC, Clinton HEARTS, HANDS AND HAMMERS**

The Missions Committee of First UMC in Clinton is putting love into action through Hearts, Hands & Hammers, a Creative Caring Ministry, seeking to touch the lives of their church family and friends in the name of Jesus Christ. Minor home repairs such as mending a screen, replacing window panes, etc., are done by a team of 12

volunteers (men and women) under the supervision of project leaders and motivators, Tommy Glover and Mitch Malpass. Request forms are available from the church office. The only cost is for material. If the applicant cannot afford the cost it is paid for by donations. Several projects such as doors repaired, locks replaced, electrical work, removing limbs from a tree and winterizing homes have been completed since this group started in April 2003 as well as several projects for the church. Hearts, Hands & Hammers adds immeasurably to the ministry of the outreach of the church and is making the church more relevant on the local scene.

Goldsboro District: Whitley Memorial UMC                      GRANDMA'S PANTRY

Grandma's Pantry is a food closet for infants. Infant formula is given to families who need temporary assistance. Baby food and other baby care items such as diapers are also included in the "infant care boxes" When the need exists, suitcases packed with infant clothes are given to families, especially those with new born babies. In the past year the ministry has helped nearly 100 families. They work with the Johnson County Department of Social services, Partnership for Children Harbor, Smithfield Area Ministries and Tri-County Migrant Association to reach families who need this service. The congregation promotes the ministry through fund raising, packing suitcases with clothes and packing the infant food boxes. There are services available to help adults who need food and clothes. Grandmas's Pantry feels it is God's plan for them to supply food and clothes to the infants and toddlers that are dependent on others for their survival and they share God's love in this way!

Greenville District: Rainbow UMC                      THE JAY BEW FUND

Two year old Jay Bew faced a life-threatening hemangioma tumor on the side of his face. In response to a prayer request for healing by Jay's great-grandmother in church, the members of Rainbow UMC under the leadership of Ellen H. Parker and Rev. Dennis Lamm, began a fund raising effort to help Jay receive surgery at the Children's Hospital of Los Angeles. This ministry linked Rainbow UMC with other churches in Greene County and eastern North Carolina; with government agencies, civic groups, and emergency services organizations and with local businesses and large corporations. Through Saturday barbecues and Internet appeals across the U.S. to focus on the healing of children, \$86,000 was raised for the Jay Bew Fund to help this child. Jay is recovering at home and looking forward to a long life! Remaining funds will help other children like Jay. A great-grandmother's prayer, a servant's call to service and a church's response are a testimony to the power of the Holy Spirit at work in this congregation

New Bern District: Northwoods UMC                      NORTHWOODS UMC FOOD PANTRY

This ministry ensures that all God'S needy people are fed throughout the year. In addition to meeting the community's nutritional needs they reach out in friendship and in love to fill a need for spiritual nutrition. For numerous years, this ministry's goal has been to feed all of God's people. The food pantry feeds an average of 15 families per month for an average of 550 people per year on a regular basis; also providing food for an additional 400 people during Thanksgiving and 700 people at Christmas. They also donate food to Christmas Cheer, Onslow Council on Aging and the Onslow Ministries Soup Kitchen. Each food box contains a balanced variety of food. During Christmas , toys are included for families with children. This ministry helps the Society of St. Andrew conduct food drops by assisting with distribution. This ministry is a church and

community wide ministry in every sense of the word.

Raleigh District:                      Pleasant Grove UMC                      GREATMINDS

This ministry meets the needs of low-income school-age children from single parent families who live in housing projects in the community. Opportunities are provided for these children to participate in extra-curricular activities that they would not be able to otherwise. Some of the opportunities are sports activities, arts and crafts, educational games, woodworking and chess. These activities stimulate their mind and spirit. They also learn the strategies needed to be a team player. They learn to admire and respect the adults that work with them each week and depend on them for continued growth. Greatminds provides transportation and a nutritional meal. The children and volunteers sit down to a family-style meal which allows table etiquette and manners through example. Many of these children do not have this chance at home and they cherish this opportunity.

When the children come to Greatminds excited and ready to learn they know they have made a difference.

Rocky Mount District:                      Gibson Memorial UMC                      "THE DAILY BREAD"

This ministry began in May 2003 when Dean Byers, a member of the church, started donating bread to the church. At first, approximately 80-100 loaves of bread and buns were donated per week. The word spread through the community that the church had bread and people came and picked up the bread. The volume of bread increased to 250-300 loaves per week. The donated bread was greater than the local need so the church looked for outlets for the bread. The bread is now distributed to schools, Hispanic work camps and Nash Senior Citizens Center. The bread forced the church people to look for the needy in the community. The Hispanic community needed blankets and clothing. The Spring Hope Charge donated 50 blankets. A church member contacted Wal-Mart. The last load of clothing was \$3,500 and this was the fifth load in 3 months distributed to the needy. This ministry is truly doing God's work of feeding the hungry and clothing the naked.

Sanford District:                      Troy: Trinity UMC                      TRINITY MUSIC ACADEMY

Trinity Music Academy provides musical instruction for Montgomery County youth in piano, organ, orchestral strings, guitar, brass, woodwinds, percussion, voice and kindermusic. It's mission is to train youth in the musical arts, and to provide church pianists, organists and musicians for local churches. Since 1990 the academy has grown from 55 to 195 students. One third of these are full or partial scholarships allowing economically challenged students to participate. No student has been turned away due to lack of funds. Dr. Paul Chandley and his wife Sophia and 10 staff members have provided excellent leadership. They are at a whole different level because of their efforts, which have been highlighted in the Our State magazine (August 2003) and a PBS Special in November 2000. The Academy is also the recipient of the "Gold Nugget Award" given by Montgomery County for the most outstanding of any organization to their community.

Wilmington District: Trinity UMC, Southport CONGREGATIONAL CARE

Southport was recently discovered as a wonderful retirement destination. Due to long-time residents and incoming retirees, there is a vast and growing population with a wide variety of assistance needs including daily checks, rides to doctors and grocery stores, short-term preparation of meals, visits and cards, home repair, administrative help and yard maintenance. Teams members (four leaders and numerous volunteer servants) serve members and non-members alike, uniting Christ to the community. People are assisted regarding their health and environment. Much of the work is coordinated with Cape Fear Agency on Aging. This ministry began with two people under the discerning eye of Mrs. Banta. It was designed as an expandable “umbrella” to meet needs of our community who “slip through the cracks.” The program is being featured on UNC-W Television and serves as a prototype for other churches in developing their care ministries.

## RESOLUTIONS

### RESOLUTION 1: SUPPORTING MORATORIUM ON THE DEATH PENALTY

WHEREAS, in a growing number of cases, persons convicted of capital crimes in the the nation and North Carolina are proven either not to have committed the crime for which they were convicted or had serious legal defects in their cases;

WHEREAS, such incidents call into serious question the efficacy and fairness of the North Carolina judicial system, prompting calls for a thorough examination of the entire process by which death penalty cases are tried;

WHEREAS, the state of North Carolina is continuing to carry out death sentences without pause despite unresolved concerns that the persons being executed should not have been sentenced to death in the first place;

WHEREAS, even while Christians may disagree over the morality and value of the death penalty, all people of conscience agree that innocent persons should not be executed;

WHEREAS, the death sentence is a punishment for which there is no remedy when it is incorrectly administered; and

WHEREAS, it is illogical, immoral., and unnecessary to proceed with implementing death penalties while they are under review, especially since a moratorium does not have to affect either a trial or imposition of sentence, simply its implementation when appeals are exhausted;

THEREFORE, be it resolved, that the North Carolina Annual Conference supports a moratorium on the death penalty in North Carolina until the process is adequately reviewed and appropriate corrections are made to ensure the penalty is being applied fairly and accurately on persons guilty of the crimes for which they are accused; and

BE IT FURTHER RESOLVED, that the North Carolina Annual Conference urges state lawmakers in this review to reconsider the imposition of the death penalty in general and explore alternative means of deterring and punishing serious crimes; and

BE IT FURTHER RESOLVED, that copies of this resolution be sent to the governor's office and all legislators, and distributed to the news media.

**ACTION: ADOPTED**

### RESOLUTION 2: PRESENTED TO THE NORTH CAROLINA CONFERENCE OF THE UNITED METHODIST CHURCH

WHEREAS content analyses of numerous current television programs, including

talk shows, “reality” shows, sit-coms, dramas, quiz shows, and soap operas, shown both in daytime hours and during prime time, indicate a continuing increase in vulgar and profane language, illicit sexual behavior and innuendos, and seductive clothing, especially for young girls, and

WHEREAS research has shown that the majority of youth and adults spend over sixteen hours a week watching television, and

WHEREAS children, adolescents, and adults form a significant part of their values from the culture in which they live, which includes programs on television that use vulgarity and God’s name profanely and dismissive of reverence (e.g. “Oh my God!”), and programs that make out-of- wedlock sexual behavior and seductive dress not only seem “okay” but “standard”, and

WHEREAS the television industry will continue to push the limit on what the American public will tolerate, and advertisers will continue to provide financial support as long as people watch the programs, and

WHEREAS such programming is contradictory to Christian standards as evidenced by the commandment that we are not to “make wrongful use of the name of the Lord your God” (Exodus 20: 7 NRSV), and both the Old and New Testaments warn of the sins of immorality, and Jesus proclaimed that “Your eye is the lamp of your body. If your eye is healthy, your whole body is full of light; but if it is not healthy, your body is full of darkness” (Luke 11:34 NRSV), and he prayed to God, “I am not asking you to take them out of the world, but I ask you to protect them from the evil one. They do not belong to the world, just as I do not belong to the world” (John 1 7:15-16 NRSV), therefore

BE IT RESOLVED that the North Carolina Conference of the United Methodist Church will (1) seek ways to inform the members of its churches about the corrupting, nature of the majority of today’s television programs and their contradiction to the teachings of the Bible and about the impact that such programs may have on both youth and adults in the church, (2) said Conference will also take steps to inform sponsors of such shows that the United Methodist Church of North Carolina opposes these shows and their content, and (3) the NCUMC will contact conferences in other states to ask that they join in the effort to change television programming so that illicit sex, vulgarity, and profanity are diminished.

**ACTION: PASSED AND REFERRED TO THE COMMISSION ON CHURCH AND SOCIETY FOR IMPLEMENTATION**

### **RESOLUTION 3: DISTRICT SUPERINTENDENT’S SALARY**

Whereas, as stated in The Conference Program, Recommendations and Reports 2004 pages 80 and 81 the salary for the District Superintendent for 2005 is recommended by CF&A if passed will be \$93,084.00;

Whereas, the salaries paid to the District Superintendents are appropriate compensation for the job description and duties of that office;

Whereas, the margin of increase for the District Superintendents continues to grow larger with each passing year;

Whereas, the amount of salary paid to the District Superintendents creates a salary level of which only certain area within the North Carolina Conference is able to pay.

Whereas, when a District Superintendent rotates off his or her six year term, there are few appointments that can support such a salary level and thereby produces an

unbroken and unfair cycle of rotating appointments within the North Carolina Conference.

Therefore, be it resolved that newly appointed District Superintendents salary beginning with the 2004- 2005 be based as follows:

1. The newly appointed District Superintendent's salary will be the percent of increase as presented by CF&A (2005 will be 4.5%) above the salary they were received at their previous appointment.
2. The difference which would equal to the balance of \$93,084.00 will go into his or her pension plan.

The rationale:

1. The level of salary paid to the District Superintendents has created a system where the District Superintendents rotating off of their position as District Superintendent has to be re-appointed to only those positions that can pay that level of salary, thereby creating a separate ??class?? of clergy within the North Carolina Annual Conference bouncing back and forth from one district, to the Conference Building, and back on the District again.
2. By keeping the newly appointed District Superintendents' salary at the Conferences average increase and putting the difference into their pension plan, the District Superintendents can go back into Churches that can afford the level of salary the rotating District Superintendent were receiving prior to his or her appointment to the District.
3. By keeping the newly appointed District Superintendents' salary at the Conference average increase will not put undue hardship upon the rotating District Superintendents who will be now appointable even to some of the rural Churches.

**ACTION: DEFEATED**

#### **RESOLUTION 4: ESTABLISHING A CONFERENCE COMMISSION ON SMALL TOWN AND RURAL CHURCHES**

Whereas The United Methodist Church is primarily a Church made up of rural small membership congregations.

Whereas the majority of our small United Methodist Churches feel disenfranchised when it comes to their voice being heard and needs being met.

Whereas this feeling of not being heard leads to feelings of hurt; we are never listened to and we don't matter.

Whereas it is imperative for the future of The United Methodist Church that the small membership churches feel that they are being listened to and their needs being met. Therefore be it resolved that the 2004 Annual Conference of the North Carolina Annual Conference of the United Methodist Church establish a Conference Commission On Small Town and Rural Churches.

Be it further resolved that the afore said Commission On Small Town and Rural Churches have both seat and voting voice as an integral of the North Carolina Annual Conference, Conference Council On Ministries.

Be it further resolved that this Conference Commission On Small Town and Rural Churches be made up of one representative from each District of The North Carolina Annual Conference that comes from a Small Town or Rural Church, using the Duke Endowment rule of a small town being one of 1500 residents or less, and a representative from the Episcopal Cabinet.

Be it further resolved that the said Commission On Small Town and Rural Churches meet quarterly to discuss the needs of said Small Town and Rural Churches, to communicate and represent said needs to the North Carolina Annual Conference.

Be it further resolved that the Conference Council on Finance be instructed to fund said Commission with a budget that will allow said Commission to meet quarterly and for one of those meetings to be in a retreat setting.

**ACTION: PASSED AND REFERRED TO THE STRUCTURE REVIEW COMMITTEE FOR  
IMPLEMENTATION**

**RESOLUTION 5: MT. OLIVE PICKLE COMPANY BOYCOTT**

Whereas, The United Methodist Church (UMC) has been involved with the issue of farm worker organizing and the Farm Labor Organizing Committee (FLOC) boycott of the Mt. Olive Pickle Company; and,

Whereas, the 2004 General Conference of the UMC in Pittsburgh enacted a resolution to support the boycott of Mt. Olive Pickle Co. products until the Farm Labor Organizing Committee and Mt. Olive reach a collective bargaining agreement for the representation of migrant farm workers; and,

Whereas, collective bargaining is a negotiating process between a union representing workers and their employer, and Mt. Olive is not the employer of migrant farm workers; and,

Whereas, Mt. Olive is one of many buyers of cucumbers and other agricultural commodities from North Carolina farmers; and,

Whereas, FLOC cites inadequate farm employment practices and conditions on some farms as a reason Mt. Olive should intervene and participate in any collective bargaining process between a farm employer and their employees; and,

Whereas, we wish to recognize the excellent cooperation Mt. Olive has exhibited with the North Carolina Annual Conference and others in working on many farm worker issues, including those identified by the General Board of Church and Society of the United Methodist Church. We affirm that Mt. Olive has responded in strongly positive ways to the issues of living standards for workers, mechanisms for protection of workers, and registration and training of crew leaders. We also recognize excellent corporate responsibility in Mt. Olive's efforts to design high quality farm worker housing, with the plans to be made available to farmers and suppliers. We salute Mt. Olive's effort, working with Duke University, to implement a written standard of conduct for its North Carolina cucumber suppliers; and,

Whereas, we further wish to recognize the outstanding corporate citizenship exhibited by Mt. Olive since the company's founding in 1926;

Therefore, let it be resolved by the North Carolina Annual Conference that we express profound regret at the action taken by the General Conference in support of a boycott against Mt. Olive, a company that has worked in good faith to address concerns regarding the living and working conditions of farm workers in North Carolina; and,

Resolved further, that we commend Mt. Olive Pickle Company as an admirable and outstanding community citizen. We encourage the North Carolina Annual Conference to continue to witness to all sides in this labor dispute, and remain engaged with all parties of this conflict: with Mt. Olive Pickle Company, the growers, the workers and the organizers, in an effort to help bring resolution to this issue.

We continue to pray that God's will and justice will prevail in this important matter.

**ACTION: ADOPTED**

## RESOLUTION 6: MENTAL ILLNESS

WHEREAS, every congregation has one out of four families dealing with issues of mental illnesses;

WHEREAS, when persons of faith deal with these health challenges, they need the support and encouragement of their pastor and their congregation;

WHEREAS, 40% of persons with emotional difficulties turn first to their clergy for help;

WHEREAS, suicide is the third leading cause of death among teens, and the second leading cause of death ages 25-34, and 90% of those who attempt suicide have a mental illness;

WHEREAS, mental health education and awareness within the congregation can save lives, combat stigma and marginalization of persons touched by mental illness, and enable those with the illnesses within the congregation to feel that they will not be walking alone on their journey with their illness;

WHEREAS, the United Methodist Church has established resources to help congregations become "Caring Communities" for those within their midst with mental illnesses;

WHEREAS, the national observance of Mental Illness Awareness occurs the first week of October each year;

THEREFORE, be it resolved that the North Carolina Annual Conference requests that each congregation within the North Carolina Annual Conference lift up the concerns of mental illness in the following ways:

1. Uplift these concerns in a unison congregational prayer during a worship service in October each year.
2. Publicize within the church newsletter during the month of October each year the resources for United Methodist mental illness ministries that are available in the Conference Media Center and on-line.
3. Utilize the video resource "Creating Caring Congregations" during the year.
4. We further request that the United Methodist Children's Home host a

conference currently involved in mental health ministries; public or private care; and policy and financing. Further, that the Secretary of Human Services Office of North Carolina be invited to participate.

**ACTION: PASSED AS AMENDED**

## RESOLUTION 7: PETITION FOR A CONFERENCE COORDINATOR OF MENTAL HEALTH MINISTRIES

Whereas, across the nation and the world, an average of 20% of the population has a mental illness;

Whereas, there is no evidence which shows that being United Methodist protects anyone from the possibility of developing symptoms of mental illness;

Whereas mental illness is a pervasive problem which affects 4 out of 5 families, not exclusive of United Methodists, including clergy and their families of all denominations;

Whereas, there are roughly 16,600,000 United Methodists, on average a minimum 3,320,000 United Methodists probably struggle with a mental illness;

Whereas, there are roughly 233,759 United Methodists within our Conference. 20% of that total number gives us a probable minimum of 46,751 United Methodists and their families probably struggle with a mental illness;

Whereas, the population of North Carolina is 8,049,313, 3,880,601 people live in the counties of our Conference. Thus, probably 776,120 persons and their families struggle with the issues surrounding mental illness; Whereas, a 2000 study by the General Board of Global Ministries “found the church loving and supportive” but, “they did not find it helpful in trying to deal with the crisis that mental illness caused in their family;”

Whereas: whether your start with Jesus’ teachings, our United Methodist tradition and theology, or a statistical survey, the evidence is overwhelming. The United Methodist Church has a clear foundation for ministry to persons with mental illness and their families to be a part of each congregation’s ministry;

Whereas, the lack of effective congregational ministry to persons with mental illness, impacts and interferes with the ability of the Church to function in ways that are fully inclusive and consistent with Biblical teachings;

Whereas, the stigma of mental illness in society as a whole will not be defeated until the Faith Community understands mental illness and the value of each person who has one of these “no fault” disorders;

Whereas, the nationwide UMMIM (United Methodist Mental Illness Ministries) network is concerned that many local United Methodist congregations and annual conferences have not fully embraced the concept of creating “Caring Communities” as described in the Book of Discipline, the drastic changes in our nation’s mental health care calls for our pro-active leadership and intentional involvement in this hurting area of human need;

Whereas, six Annual Conferences currently have full time coordinators for mental health ministries; California-Pacific; Virginia; Oklahoma; Northern Illinois; New England and Baltimore-Washington Annual Conference. Ministry to persons who have a mental illness and their families is not something to be entered into lightly and these annual conferences recognize that providing a coordinator to resource their work is a beneficial effort;

Whereas, a Conference Coordinator of Mental Health Ministries would endeavor to see that within the Conference, the needs of persons with mental illnesses and their families receive ministry in accordance with the statements in the Book of Discipline and the Book of Resolutions;

Let it therefore, be resolved that the North Carolina Annual Conference establish a conference Coordinator for Mental Illness Ministries to provide for these functions and maintain the connectional relationships by the year 2007 with a line item budget present in the budget presented to this Annual Conference in 2005;

Let it therefore, be further resolves that their specific responsibilities will include the following:

1. Be informed about the status of persons with mental illnesses within the total life of the conference.
2. Participate in education and training conferences offered by faith communities in order to resource church leadership, clergy, seminaries, and congregations.
3. Be a resource for the Conference Committee of Church and Society in addressing the advocacy issues of being a caring community within the church for those with mental illnesses and their families.
4. Be an active participant in the United Methodist Caring Communities Network

and in the United Methodist Mental Illness Ministries Network.

5. Develop ways to inform and sensitize the leadership among laity and clergy on issues that affect persons with mental illnesses and their families.
6. Help districts, conference agencies and Boards, congregations and seminaries recognize their cooperative role in sharing God's love with those who have a mental illness and their families.
7. Advise the annual conference about the progress and effectiveness of efforts to include participation of persons with mental illnesses and their families in the life of the Church.
8. Provide education in the form of programs, seminars, presentations, web page, free handouts at resource tables, etc. to eradicate stigma. The Coordinator shall utilize a committee of volunteers to carry out these education resources.

### **SAFE SANCTUARIES, TASK FORCE ON**

In October, 2003 Bishop Edwards and the Cabinet appointed a Conference Safe Sanctuaries Task Force. The Task Force has two responsibilities: 1)develop safety and risk-reducing policies and procedures for Conference-sponsored events; and 2)develop guidelines and training processes for use by church leaders carrying out responsibility for abuse prevention in local churches. The Task Force has met three times since its appointment and is working on policies and procedures for Conference youth events such as volunteer staff applications and other screening procedures; written procedures for safety and risk-reduction in carrying out Conference youth events; verification of policies for other Conference-sponsored programs involving children and youth; background check resources; and resources to assist local churches in establishing and implementing safe sanctuaries policies and procedures. The task force envisions having a certificate granting process for local churches that become safe sanctuaries. When ready, the policies will be presented to Annual Conference for approval and implementation.

### **THE METHODIST HOME FOR CHILDREN**

**In Service to God, our mission is to build upon the social, physical, emotional, and spiritual strengths of children, youth, and families and to affirm their worth.**

From July 1, 2002, until June 30, 2003, MHC served 1,309 children and 355 families. We celebrated as 442 young people were able to return to or remain in their homes, and as 17 children were adopted. Other program highlights include the following:

- After intensive counseling with our family preservation specialists, 81% of the families we served remained intact.
- Through our newly-launched therapeutic foster care program, we trained and licensed 49 families and served 26 young people. Overall, our 245 foster parents cared for 309 children during the year.
- The Jordan Child & Family Enrichment Center earned its prestigious 5-star rating—the highest rating given by the state. The Jordan Center reached and maintained 100% enrollment capacity for six months during the year.

- The board of directors approved bringing the Walnut Terrace Childcare Center into MHC's family of programs.
- Direct care staff turnover fell from 48% to 31%, exceeding the goal we had set to reduce turnover among MHC employees who work directly with children and families.
- The Council on Accreditation of Child and Family Services thoroughly reviewed all our programs and services for reaccreditation. (We received official notification of our approval in November 2003.)

Despite the lean economic times, MHC's faithful donors have continued to support our efforts. Individual donors, churches, corporate friends, and foundation partners have stood by us. This support has helped to lessen the overall severity of our cuts, and to improve the services we provide.

In the coming year, Methodist Home for Children will keep evolving as a dynamic, growing agency, adapting our programs and services to best serve children and families in a challenging fiscal environment. We ask for your prayers and support as we move ahead.

## **THE UNITED METHODIST RETIREMENT HOMES, INC.**

The United Methodist Retirement Homes were busy in 2003 and look forward to expanding our ministry in 2004!

In February 2004, the construction of Wesley Ridge, a 24-unit low-income senior housing complex on the campus of Wesley Pines in Lumberton, was completed. A final inspection was held the first week of March and by the second week of March the first move-ins arrived. The Rural Development program of The United States Department of Agriculture is supplying the subsidization of rental fees for this project. Because of high demand for this type of senior housing, we expect a short, three-month fill-up period. A grant from the Duke Endowment Rural Church Division supplied the start-up capital for this project, and we hope to replicate this model of housing in other areas of eastern North Carolina.

The Board of Trustees has authorized a feasibility study for renovations and additional market rate units at Wesley Pines. This report will be reviewed in early 2004, at which time a decision will be made regarding improvements or expansion at Wesley Pines.

Cypress Glen in Greenville is surpassing sales goals for the planned expansion. The Board of Trustees approved a plan to expand the campus by adding 54 independent living apartments and a 12 unit special care area for those with dementia. It is anticipated that construction will start during the summer of 2004.

Croasdaile Village in Durham has now completed its fifth year of operation. The community has reached stabilized campus occupancy of 96 percent. During the past year a waiting list of over 165 persons has developed for the independent living apartments and cottages. As a result, the Board of Trustees approved an expansion plan of building approximately 90 independent living residences on the Croasdaile campus. If successful in meeting marketing goals, construction could begin in January of 2005.

Quail Haven in Pinehurst completed a \$1.3 million renovation of its health center in 2002, and transitioned to providing skilled nursing care in 2003. The residents of Quail Haven are very happy about this service enhancement.

In March 2003 the corporation received notification that we had successfully completed the re-accreditation process and earned EAGLE (Education Assessment Guidelines Leading toward Excellence) accreditation for another five years. EAGLE is the

accreditation program through the United Methodist Association for Health and Welfare ministries.

At the annual meeting in September, Dr. Brian Gentle assumed the office of Chair of the Board of Trustees succeeding Dr. Albert Fisher of Durham who had served in that capacity for the past two years. All who are related to The United Methodist Retirement Homes are indebted to Dr. Fisher for his leadership and service.

On December 31, 2003 the Heritage Campaign officially came to an end. Despite the challenges of a struggling stock market and economy, the campaign successfully raised \$4.4 million towards a \$6 million Heritage Campaign goal. The campaign was particularly successful in raising monies towards its \$2 million goal for a benevolent care endowment, having raised over \$1.8 million. We are pleased with the campaign results and thank you for your ongoing support of our annual Mothers Day Offering program to support our benevolence ministry.

In 2003 the trustees voted to extend the management contract with Life Care Services for an additional five years. It has been my pleasure to serve as the Corporate Executive Director since March 2000. I appreciate the support given to me by Bishop Edwards and the members of this conference. In November, I announced my decision to resign as Corporate Executive Director to accept another Life Care Services ("LCS") position in Connecticut. The Executive Committee has interviewed and selected Mr. Michael ('Mick') Feauto, who will assume the responsibilities of Corporate Executive Director on April 26, 2004

## DANIEL E. MEADOWS

1911 - 2003

Dan Meadows, of Bailey, died June 1, 2003 at 91 years of age. A celebration of his life was held at Bailey UMC with Rev. Berry Barbour, Branson Sheets, Leonard Rex and Dr. William Simpson, Jr. officiating. Dan's body was laid to rest in the Bailey Cemetery beside the wife of his youth, Eugenia Meadows.

He was preceded in death by his first wife, Eugenia Meadows, and by daughter and son-in-law, Josephine and Harold Humphries.

Surviving is his wife Sarah O. Meadows and brother, Mitchell Meadows; grandchildren, Debra Pender and husband Wiley; Danny Jones and wife Carolyn and Ricky Rich and wife Jill; also five great-grandchildren; and three great-great grandchildren. He is also survived by a foster daughter, Lynn Baker of Texas; and stepchildren, Henry Perry and wife, Fay; Martin Perry and wife Lynn; Danny Perry and wife Cathy; Tony Perry and wife Linda; and Dianne Perry.

Dan was born in Columbus County, NC on August 3, 1911 to the late Charles E. Meadows and Rena Callihan Meadows.

He was raised on the farm in his native Columbus County and worked in construction in Charleston, SC, Wilmington, NC and Burlington, NC until God called him into the ministry. He was ordained a Deacon in 1956 and Elder in 1958. He was appointed to the Hatteras Charge, he served Bath, New Hope-Woodland, Hollands-Mt. Zion and Bailey-Pleasant Grove. He officially retired in 1975 after which he served Lebanon and Tabernacle in Stantonsburg, NC as well as Mt. Zion in Elm City, NC.

In addition to his ministry, Dan loved making old things new by refinishing old furniture, pianos, and pump organs. He gave many years of joy to people as they would look upon his recreations of "junk".

Dan was a wonderful pastor and friend. He was known by many as a very wise counselor who could listen and pray with one until the answer was found. Truly a man of God, I was pleased to count him as a friend, pastor and confidant who stayed many nights in our guest room while he preached revival meetings and on other occasions. Like many others, I miss him still. However, all who knew him can still hear the Master's "Well done good and faithful servant...enter the joy of the Lord."

## GILBERT W. CRUTCHFIELD

1907 - 2003

Gilbert W. Crutchfield was born on September 8, 1907 in Carthage, NC, the son of John W. and Bertie C. Crutchfield. He died on June 9, 2003 at Croasdale Village in Durham, NC after a short period of declining health. His funeral was held at Garner United Methodist Church with Rev. Tom Hollis and the Rev. Susan Hobbs presiding. He is buried at Montlawn Cemetery in Raleigh beside his wife Jessie M. Crutchfield who passed away on November 23, 1999. Jessie had suffered from Alzheimer's disease and when the family was no longer able to care for her at home, he insisted that they both move the old Methodist Retirement Home in Durham so he could continue to be with her as a devoted and loving husband. They were married for 55 years.

Gilbert became a minister in a round about way. He graduated from high school in 1926 and went to work for a shoe store in Sanford. He began to feel the call to the ministry while working as a shoe salesman, but because of the depression had no money to go to college. One of the members of his church found out about this and offered to help pay for his college education. Gilbert always believed that God had worked through this gentleman to allow him to go to Asbury College in Kentucky and Duke Divinity School.

Gilbert began his ministry during World War II at Kitty Hawk and served churches in Tabor City, Carrboro, Wilmington, Elizabeth City, Fayetteville, Roanoke Rapids, Fuquay-Varina and Warrington. He officially retired in 1972 to Garner but as many retired ministers do, he worked as the minister of visitation at Garner United Methodist Church for many years and continued to teach a Sunday School class until he and Jessie moved to Durham in 1995. He was an inspiring preacher and a wonderful teacher. Members of his Sunday School class always said that no one could explain the Bible better than he did.

Gilbert is survived by his daughter Rhonda Crutchfield of Raleigh.

## **THEODORE V. CARTER, JR.**

**1933 - 2003**

Theodore Von Carter, Sr., of Raleigh, died August 23, 2003. His funeral was held at Wilson Temple UMC on August 28, 2003 with the Reverends Walter McLeod and Donnie Jones officiating. The eulogy was given by Rev. Kermit Braswell. Burial was at Montlawn Memorial Park.

Ted is survived by his wife, Bertha McCrimmon Carter; daughter, Brenda Joyce Carter of Raleigh; son, Theodore Von Carter, Jr. and wife, Melissa, of Raleigh; sisters, Dorothy O. Brown of Washington, D.C. and Patricia A. Lee of Forestville, Maryland.

Ted was born June 28, 1933 in Maxton, North Carolina and reared by his grandmother, the late Anna Jane Carter. A graduate of the R. B. Dean High School, he attended North Carolina Agricultural & Technical College in Greensboro until he was drafted into the U.S. Army. Upon discharge from the Army, Ted and his wife Bertha moved to Raleigh where he enrolled at Shaw University. While working full-time and attending Shaw, Ted realized that God had a special calling upon his life and he responded to that call. Licensed to preach by his home church in 1957, he was ordained a minister in the Baptist denomination in 1958. After receiving the Bachelor of Arts degree in Religion and Social Science, he went on to attend the Shaw Divinity School where he received the Bachelor of Divinity Degree. Upon recommendation of seminary professors who recognized his special gifts for ministry, Ted became a protégé of the late Dr. Carlyle Marney, pastor of the Myers Park Baptist Church in Charlotte and a noted writer and theologian who taught and lectured at many of the nation's leading seminaries and divinity schools. Although it had been his intention to persuade Ted to transfer to Southeastern Baptist Theological Seminary, Dr. Marney provided Ted with counsel and guidance as well as financial support through his years at Shaw Divinity School. Ted began his ministerial career in 1959 as pastor of two Baptist churches in Johnston County. In 1965, upon the urging of the late Rev. James McCallum, Ted transferred to what was then the Central Jurisdiction of the Methodist Church. From 1965 to 1967, he pastored three churches on the Sanford Circuit; he was assigned to the Granville-Vance Charge in 1967. Ted was ordained an elder in the North Carolina Conference of the United Methodist Church in 1970. In 1972, he was appointed

as pastor of Wilson Temple United Methodist Church in Raleigh. After 11 years at Wilson Temple, he was appointed to the Galilee-Beaver Dam Charge in the Laurinburg District from 1983-1987. He returned to Raleigh in 1987 as pastor of Cokesbury United Methodist Church, and continued to serve there for 12 years until his retirement in 1999.

Ted was avid bass fisherman who was so successful at catching fish that he never had to resort to tall tales about the ones that got away. At his funeral, Raleigh District Superintendent Hope Morgan Ward remembered Ted not only as a great fisherman, but as as true fisher of men. Being a fisher of men is tough, but for Ted the rewards were tremendous. His career in ministry spanned more than four decades, and he brought many people into the net. In the end, he would tell us, it was worth it because....God is still on the throne!

## JOHN T. SMITH

1913 - 2003

John Thomas Smith was born in Halifax County, VA on March 31, 1913, one of eight children born to John G. and Essie Smith. Early in life, he and his family relocated to Burlington, NC where he lived until the age of thirty-six. At seventeen, he married Thelma L. Summers and was her partner in marriage for fifty-five years. Six children were born to them: two sons died in infancy, three daughters, Violet, Johnnie Mae, Debbie and a son, Jerry. After the death of Thelma, he married Cora Hedgepath in 1986 and following her death he was married to Christine L. Hamm in 1991.

At age of thirty-six, in the tradition of John Wesley, John experience a life-changing, "heart-warming" experience of God's amazing grace at the altar of Glen Raven Methodist Church. The overflow of that experience was a compelling call to the ordained ministry. With little formal education, he set out to complete the requisite training which would ultimate enable him to become an Elder in The United Methodist Church. The Journey to ordination and his service to The United Methodist Church were always marked with a strong passion to invite others into the experience of God's grace, which had so transformed his life. The theme of his life is captured simply and beautifully in the line of the beloved hymn, "I once was lost but now I'm found."

He received his first appointment in 1948 to the Creswell Charge and the years never diminished the special bond he developed with those "wonderful people" who first took him in and gave him the privilege of being a servant of the Lord to them. Indeed, he held the memories of all his appointments with great reference. After Creswell, those included Marvin in Rocky Mount, Halifax, Maysville, LaGrange, and Jenkins in Raleigh. Upon his retirement in 1978, he and Thelma returned to Halifax where he served the Hollister-Bethesda Charge for twelve years.

In 2001, John became a resident of Woodland Terrace, a retirement community in Cary, NC. At the age of ninety, he continued to enjoy good health and is remembered at Woodland for his energy and enthusiasm for life. The end of this life came quickly and unexpectedly following an illness of only a few weeks. Surrounded by friends and family members, fortified with God's promises, John Smith, God's grateful servant, departed this life on October 2003.

A Service of Resurrection and Death was held for him at White Plains UMC in Cary conducted by his good friend, Ken Sexton, and he was laid to rest by Thelma's side in Alamance Memorial Park in Burlington, NC.

It is impossible for me to count the many times I have heard Dad quote from John 14 at memorial services for parishioners and family members: "...In my Father's house are many mansions and if it were not so would I have told you so..." He believed with all his heart that it was so, that the gospel was true, and because he had experienced God's love so marvelously in this life it would be even more beautiful in the life to come. "Well done, good and faithful servant..."

Jerry T. Smith

## HENRY M. HUNNINGS

1922 - 2003

Sen. Sam Ervin used to refer to himself as, "Just a country lawyer." But all of us who knew him said that he was much, much more. Yes, Hank was a country preacher, but there was a depth to his service, born out of his passionate love of Christ, that made him a dear and loved friend of all who knew him. There was an excitement in service that poured from him to his congregations. There was a joy in his service that burst from him with such an assurance of God's grace that everyone felt closer to God.

Hank was born and reared in Beaufort, North Carolina. From his birth on January 15, 1922 until he was an adult he was constantly around the Barbour Boat and Machine Shop where his Dad, Walter, was a machinist. Hank learned the trade from his Dad and took a job as a machinist at the Newport News Shipyard. After a tour in the Navy during World War II, he was employed at the Norfolk Naval base until he answered the call into ministry at age 43.

Hank's first ministry in The United Methodist Church was as a volunteer associate pastor the Rev. Charles Olson in the Dare Charge. He kept his job at the Naval Shipyard and drove to the coast every Sunday for three years. His first actual appointment came in 1965 to the Creswell Charge. He served Creswell for 10 years and later served at Bell Arthur, Pikeville, Mt. Carmel and St. Joseph's, Middleburg Charge, and White Memorial. After retirement, Hank served Ellis Chapel for four years and Mt. Tabor and Riverview Churches for a brief time. He thoroughly enjoyed being with his wife, Bess during her ministry at Allensville: Trinity, Epworth and Mt. Sylvan.

On June 8, 1948 Hank married Bess Gibbs. They had more than 55 years together. Hank was very proud of his children: Darryl, an attorney in Atlanta; Tim a LCDR in the Coast Guard, and Vivian, a family advocate with Carolina Donor Services.

In addition to his Church work, Hank was constantly pursuing his hobbies of restoring antique cars and flying. He was building his own airplane and was about 80% finished with the project at the time of his death. At the same time, he was restoring a 1968 Kharman-Ghia. He was a consummate 'tinkerer,' and everything interested him. He once said that he had never met a dull person.

After a long battle with cancer, Hank went to be with the Lord on November 13<sup>th</sup>, 2003. A celebration of his life and ministry was held at Mt. Sylvan United Methodist Church with Rev. Charles Morrison, Rev. William Snotherly, Rev. Dr. Lacey Warner, Rev. Gaston Warner, and Rev. Paul Dunham participating.

Hank described himself as being like the Prophet Amos who said, "I was a gatherer of sycamore fruit and God took me." Hank said, "I was a machinist and God took me!" When Bess was also "taken, Hank declared, "It took two of us to make one!" God gave me Bess to help complete Hank. But his most important gift was the gift of His Son. And He who began a good work in Hank perfected it through Jesus Christ. (Phil. 1:6)

## **JOHNNIE D. AYCOCK**

**1923 - 2003**

The Rev. Johnnie D. Aycock, age 80, died November 9, 2003. His funeral was held at Rowland United Methodist Church, with the Reverend Connie M. Stutts officiating. Burial was at Calvary United Methodist Church with the Rev. J. Edward Morrison presiding.

Johnnie is survived by his wife, Fran Aycock of Rowland, son John C. Aycock of Charlotte; daughter Sarah K. Jones of Hendersonville; and two grandchildren, John and Sara Jones.

John accepted Christ as his Lord and Savior at Calvary Methodist Church on August 2, 1940 and received the call to ministry while in the field chopping cotton a few months later. He served as minister of the Gospel in one capacity or another from that day on.

In 1943, John received his local preacher's license. In the fall of 1945, after finishing at High Point College, he entered Duke Divinity School. Attending Duke was a childhood dream of John's. In 1947 he was ordained as Deacon and graduated from Duke in 1948. On November 6, 1949 he received his Elders Orders at the Annual Conference in Sanford.

After his graduation, John received his first appointment as Associate Minister and Education Director at First Church, Rocky Mount. This was the beginning of a calling in congregations in the North Carolina Conference.

During the tenure of his ministry in The United Methodist Church, John faithfully preached the Gospel. Everywhere he went John made a difference. He believed in the transforming power of the Holy Spirit and was not afraid to lead the way of change. His gift of patient perseverance benefited every congregation that he served.

When John was appointed to serve Ellerbe and Mt. Pleasant Churches, he met the woman he would marry. In 1960 John was wed to Fran Thompson, beginning a marriage that would last the rest of his life. He was a devoted husband and father.

John retired from full time ministry in 1988. He served as a friend and mentor to the pastors of Rowland United Methodist Church until his death. John never stopped giving to the Lord. All of us who were blessed with his friendship benefited from the Godly wisdom that he shared. The North Carolina Conference has been blessed to have had such a pastor to call their own.

That fall he entered the Duke University School of Religion, graduating in 1937.

Henry Barton met his wife one weekend while helping a friend in his church service. She was Sara Stuart Kearns, of Farmer, NC, and a schoolteacher. ## **OSCAR B. WOOLDRIDGE**

**1916 - 2004**

The Rev. Oscar B. Wooldridge, Jr., retired minister and civil rights activist, and Naples Florida resident, died Monday, March 29, two days before his 88<sup>th</sup> birthday.

O.B. as he was fondly known, previously lived in Raleigh, NC where he worked as Coordinator of Religious Affairs at North Carolina State University for nearly 25 years.

Rev. Wooldridge was born in Norfolk, VA, the oldest son of Oscar and Mary Wooldridge of Portsmouth, VA. He graduated from Randolph Macon Men's College where he was captain of the debate team. He attended Union Theological Seminary in New York City for one year and

graduated from Yale Divinity School in 1941. He married Alberta Elizabeth Davis in 1940. Together they served five circuit parishes in the Methodist Conference of Western Virginia until her death following complications of childbirth in 1943. Rev. Wooldridge enlisted in the Navy in 1943 and served as a Chaplain on the carrier USS Anzio in the Pacific during World War II. He achieved the rank of Lt. Commander prior to discharge from the Naval Reserve.

From 1946-1951, he served as General Secretary of the University of Virginia YMCA and as Acting Coordinator of Religious Activities. From 1951-1955 he was Associate Secretary for Student Work on the staff of the Central Atlantic Area YMCA, Newark, NJ, serving 52 colleges and universities in New Jersey, Maryland, Delaware and the district of Columbia. In 1955 he became the General Secretary of the YMCA and Coordinator of Religious Affairs at North Carolina State University. He retired in 1978 from NCSU. While at NCSU, he was elected to memberships in two honorary fraternities, Blue Key and Golden Chain, and to membership in the service fraternity Alpha Phi Omega.

At NCSU, Mr. Wooldridge helped create a home away from home for many students providing an atmosphere of nurture and support. Many of these students were international students and African American students away from their homes, during a time of tense segregation practices in the South, for the first time in their young lives.

He will be remembered fondly by many whose lives he touched as a father, friend, counselor, clergyman, and avid tennis player. His children carry on his legacy of public service, caring for those less fortunate, the principles of fairness, equality and courage, and an innate striving for understanding and accomplishment in all endeavors.

A Memorial Service was held at Pullen Memorial on October 1 at 4:00.

## **LEE A. PHILLIPS**

**1912 - 2003**

Lee Allen Phillips, 90, of Rockingham, NC died April 1, 2004. His funeral was at West Rockingham United Methodist Church, where he was pastor for 17 years. The Rev. Sidney Collins and Roger Armistead officiated. Burial was in Green Lake Church Cemetery.

Lee lost his first wife Mary Elizabeth Phillips to cancer in 1990. He is survived by his second wife, Ruby A. Phillips of the home; daughter Audrey P. McBride and husband Bill of Fayetteville, NC; son Lee A. Phillips, Jr. and wife Cheryl of Lawton, Oklahoma; step-daughters Patricia Stewart and Annette Gilliam of Winston-Salem, NC and Kathryn B. of

Newport, NC; grandchildren Sheri Wood, Robert Morris and Kevin Phillips; three great-grandchildren; and two sisters Dorothy Stephens of Corinth, Texas and Ruth Frazee of Stedman, NC.

Lee was born to Jasper Lee and Maude Blanche Woodle Phillips in Fayetteville, NC on December 7, 1913. The family moved to Florida during his early childhood years, then back to North Carolina where Lee completed his education at Gardner Webb College and later at Duke University Divinity School.

He felt the call to the ministry in his early years and served his Lord faithfully for 56 years; beginning in 1938 as a Baptist missionary on the east coast, and as pastor of seven Baptist churches before coming into the Methodist Conference in 1958. His first Methodist appointment was Barker-Regans-Smith in Lumberton, NC, followed by Fairbluff Methodist in Fairbluff, NC; Pine Valley-Oleander, in Wilmington, NC; Zion UMC and West Rockingham UMC, both in Rockingham, NC.

Lee retired from West Rockingham in 1985, but continued to served as pastor at St. Pauls, Beaverdam, and Green Lake churches, where he was named Pastor Emeritus.

Lee was a loving father and husband, and a friend to everyone he knew, and a peacemaker wherever he went. He was a member of the Masons for over 50 years, and a substitute teacher for many years.

He will be missed by his family and friends.

## **LUTHER V. WESLEY**

**1946 - 2003**

Luther Vernon Wesley, 84, of Creedmoor died April 27th, 2004. Reverends Ron Patton and Ray Gooch celebrated his going home service before being laid to rest in Carolina Memorial Gardens.

Luther is survived by his wife, Irma Lee Wesley Griffith of the home; son L. Jack Wesley and wife Wanda of High Point; daughter Dotty W. Kornegay and husband Linwood of Creedmoor; daughter Brenda W. Phillips and husband Bob of Murphy; son J.Mark Wesley and wife LuAnne of Rockingham; son M. David Wesley and wife Bonnie of Glen Burnie, MD; eleven grandchildren and twelve great grandchildren.

Luther's ministry began at People's Bible College in Greensboro (now known as John Wesley Bible College) as a member of the college quartet. He had one of those deep base voices you never forget.

Luther's first church was People's Methodist Church in Raeford, NC; then People's Methodist Church in Danielsville, GA.

In 1960, Luther joined the United Methodist Conference and was sent to Bethel / Rones Chapel Charge in the Goldsboro District. In 1966 he went to the Wanchese United Methodist Church in the Elizabeth City District, then to Cordova United Methodist Church in the Rockingham District. During this appointment, he had severe heart attacks resulting in a medical retirement. He then moved to Creedmoor to be near N.C. Memorial Hospital and near his daughter.

Luther, my father, was a special person. He was from the "old school". He never read a sermon, he didn't go by an outline. He preached the words God gave him; words that brought many "Amens" from the congregation. He preferred to be called preacher instead of reverend. He was a people preacher. He preached in many ways; from the

cotton fields of Georgia to the tobacco and corn fields of Mount Olive, NC. When and where he was needed, he was there. His deep sense of love and compassion was ever present. I was his secretary for many years. I remember he and I painted a house for an elderly lady who could not afford anyone else. He was always there for everybody.

He will be remembered for always asking the ladies "Has anyone told you today that they love you?" According to your answer he would say "Put my name at the top of your list..." or "Add my name to the list...". He is missed.

My mother, Irma Lee Griffith Wesley, followed my father home (two months after his death) on June 27th, 2004 after a long illness. They are forever in our thoughts and hearts. We can rejoice in the fact that they are at peace with God.

## **MARY K. SHORT**

**1922 - 2003**

Mary Katherine Smith Short was born on November 1, 1924, in Fayetteville, NC, the daughter of Morris Kind and Mary Etta Smtih, and she died on July 6, 2003 at her home in Ellerbe, NC. A memorial service was held on July 9, with Rev. Donnie David and Dorothy Snyder performing a beautiful service at Ellerbe, NC with interment at LayFayette Memorial Park in Fayetteville, NC.

Mary was the wife of the Reverend James M. Short, a retired minister of the NC Conference. Their marriage on November 18, 1944 lasted 58 years. Every time he would mention their long years together, she would reply "Don't tell anyone!"

At the time of their marriage James was not in the ministry, but each Sunday as Mary prepared to attend church she encouraged him to attend with her. As a result of her dedication to Christ and His church, he was led into the Ministry. He believed that God called her, to lead him into this high calling.

James and Mary served the NC Conference for 41 years, beginning on the Mt. Gilead Circuit, which had six small churches.

Mary loved the church work and always tried to leave every parsonage better than when she moved in. She loved working with the Church School and UMW and served in many areas of these important programs of the Methodist Church.

Mary is preceded in death by her daughter Gloria Jean Short Haywood. Surviving are her husband the Reverend James M. Short of Ellerbe, NC, their son Jamie Short of the home, their daughter Kaye Hudson of Albermarle, NC, six grandchildren and nine great grandchildren.

## **CRISSTINE S. EARLY**

**1923 - 2002**

Cristine Stansbury Early was born in Colliers, West Virginia April 9, 1911, and died at Baptist Village in Waycross Georgia on March 18, 2004. She was buried March 23, 2004 in Richmond Memorial Park in Rockingham, North Carolina. The graveside service was conducted by the Rev. Dr. Michael B. Hobbs and the Rev. Thomas E. Loftis.

Mrs. Early was reared in La Grange, Texas. She graduated high school high school from Colby-Lincoln Academy in Wesson, Mississippi, and from Asbury College in Wilmore, Kentucky, in 1934. At Asbury she met Joyce V. Early of Oxford, North Carolina. After graduation she married Joyce Early as he began 42 years of ministry in the North Carolina Conference.

Their first appointment was Mamers in Harnett County. From Mamers they moved to Hillsborough where their son was born in 1937. Next they moved in succession to the Yanceyville five-point charge, Ayden, Divine Street in Dunn, Centenary in Smithfield, Grace in Wilmington, First Methodist in Rockingham, and Jarvis Memorial in Greenville. Dr. Early became District Superintendent of the Sanford District and later was named the first Superintendent of the newly formed Rockingham District. Dr. Early died in 1984 and is also buried in Richmond Memorial Park.

Mrs. Early was a full time housewife, mother, wife, and worker for the Lord during her entire life. She was a Bible teacher and Sunday School teacher, and a workshop leader. She is survived by one son, J. Virgil Early, Jr. of Jekyll Island, Georgia; two grandchildren, Albert Early of Cincinnati, Ohio and Ashley Udell of St. Simons Island, Georgia and three great-grandchildren.

## **JANE L. WILSON**

**1924 - 2002**

Jane Marklin Latham Wilson of Seven Lakes, North Carolina died May 23, 2004 after a seven-year courageous struggle with pancreatic cancer. A memorial service was held at West End United Methodist Church with Reverend Bruce Allen officiating. Her husband, Reverend Ben Wilson, daughter Teri Gunter and husband Mike of Durham, son David Latham and wife Joanne of Cary: grandsons Kyle Gunter, Sam and Jack Latham: and a sister Mary M. Eaton of Mocksville survive her.

Jane was born to the late Rena Mae Ward and William M. Marklin in Mocksville, North Carolina, on September 8, 1928. Jane graduated from Mocksville High School in 1945 after which she completed a business course of study at Catawba College. She was married to Samuel W. Latham, October 26, 1952, who predeceased her. Jane moved to Durham in 1964 and worked for General Telephone and Equipment Company in Durham until her retirement. She moved to Seven Lakes in the early 1990's and there met Reverend Ben Wilson.

Jane and Ben were married on September 8, 1996, two days after Hurricane Fran swept through North Carolina. Since Ben is an avid Duke fan and Jane was an enthusiastic Carolina fan, this marriage could have had hurricane type elements, but it is a testimony to Jane's nature that she and Ben made it an extremely happy marriage. Although Ben was retired, he continued to serve as pastor for two Moore County United Methodist churches and Jane was always by his side. She provided musical support by playing the piano and using her beautiful vocal talent to lead the congregational singing.

Jane's life was a manifestation of faith and discipleship in many areas and she always looked for new endeavors to put her faith into action. She was an avid bird lover and enjoyed a serenity garden on the lakeshore lot where she and Ben built a new home several years ago. Jane continued to be actively involved in many activities until a week or so before she passed. Being a grandmother to Kyle, Sam, and Jack; and being a friend to numerous people, provided her many hours of pleasure. After being in Jane's presence, all who knew her left feeling uplifted by her good nature and her infectious laughter.

Jane was diagnosed with pancreatic cancer in 1997 and was treated at Duke. Through chemotherapy and radiation treatments, as well as several surgeries, Jane appeared to be winning the battle with cancer. She became a "poster patient" for the Duke doctors and medical staff, as they were pleased with her response to treatment and to her positive attitude. In the end, she did win the battle as she passed peacefully to her eternal reward during her sleep.

Jane's family and friends miss her, but all rejoice that she is now free of pain and the burden of her illness. All who shared this life with her have been truly blessed.
